

NEVER A STORY LIKE IT!

Courage, faith, understanding; these were their only weapons and they were forged in the simple hearts of three children, who found in this quiet meadow in Fatima, Portugal, something so wonderful, so inspiring, so powerful that it made men with guns tremble before children with truth.

TO THE BEST OF HUMAN KNOWLEDGE, AND ACCORDING TO THE TESTIMONY OF 100,000 WITNESSES... THIS IS A TRUE STORY!

town Company captain. Mrs. Hutcheson announced that the blue thanks badge was to be awarded to Mrs. D. M. McGuire, whose departure is very much regretted, and a certificate of thanks to Mrs. E. M. Malone, who was not present for the meeting.

The highlight of the afternoon was undoubtedly the address given by Mrs. Everett Howatt, the former Betty King who spoke about her experiences last summer, when she represented Canada as an exchange councillor in the United States. Mrs. Howatt, herself a gold cord guide, has taken an active interest in guiding, and was well qualified to represent Canada, both at the Girl Scout camps she attended and at the gathering of international representatives of the movement. Her talk was most interesting, instructive, and often amusing as she told of the varied experiences of her trip.

Following adjournment of the meeting, a delicious tea was served in the dining room.

Barbara Brent's BUYS WHY'S

MONTREAL, April 9th.—In love with your new Spring hat? You'll look your very prettiest in it if you're feeling fine and dandy. And I know a sure cure for that sluggish, "early Spring" feeling. I'm just one of the many who find that a daily glass of lemon in water, taken first thing on arising in the morning, helps the system regulate itself. Lemon in water alkalizes and aids digestion. There's none of that unnecessary irritation sometimes caused by harsh laxatives. This natural, fresh fruit drink is good for you—it's full of Vitamin C. But—do be sure to insist on SUNKIST CALIFORNIA LEMONS. Their full-flavoured juice makes all the difference.

Baby's Getting Quite grown up, thanks to the good nourishment of Heinz special foods for babies. And now it's time to begin giving him the exciting variety of HEINZ JUNIOR FOODS. What a thrill for him to begin on almost-grown-up fare... good things like Junior Vegetables, Lamb and Liver, Junior Vegetable Fish Dinner, and Junior Creamed Tomato Vegetables and Rice. Incidentally, these Junior Foods make wonderful soups for the pre-school age child. Until your youngster is five or so, it's usually a good idea to give him soup in more mildly seasoned form. Because of their milder seasoning, all the Heinz Junior Foods are kind to tender young tummies.

How Do You Like to begin your day? Slow and pokey—or bright and alert? Bet I know the answer to that one... and for that wide-awake feeling, there's nothing like hot CREAM OF WHEAT for a quick start. Serve it with plump, mellow slices of ripe banana to give a new blend of flavours! Delicious. Yes, and easy, too. Quick Cream of Wheat takes only five minutes of boiling to cook to perfect smoothness. What's more, it's good for you. It contains iron for good red blood and calcium and phosphorus for diets deficient in these elements. So give your whole family a quick start for the day with hot Cream of Wheat for breakfast.

How Thick Should A Tissue Handkerchief Be?—Two ply?—Three ply? That's a matter of how it is to be used. But only FACE-ELLE offers you a choice of 2 or 3 ply tissues... So remember, it's Face-Elle 2-ply in the GREEN box and Face-Elle 3-ply white in the PINK box. (You can also get 3-ply in the extra big Face-Elle for Men size and Face-Elle En Pastels.) You'll always appreciate the super strength and absorbency which only a 3-ply tissue can give you. It is made of a pure, soft-fibred cellulose so it's non-irritating to even the most sensitive nose. And actually it's an economy to use 3-ply Face-Elle because I've found you use fewer of these super absorbent tissues. Try it once and you'll agree that it's "one of the better things of life!"

Perhaps Your Family has a habit of rising at different times... Pop at seven-fifteen; Bill at eight-oh-five; Jill—just as late as possible. Then you know how handy INSTANT CHASE & SANBORN COFFEE can be! Because you can make just one cup at a time, whenever the folks want it... and there's no waste. That makes it very economical—even more so when you consider that Instant Chase & Sanborn saves you up to 40¢ a pound compared with ground coffee. Make it as strong or as mild as you like, there's still a saving. And of course Instant Chase & Sanborn is good. You see, it's made by experts with nearly 100 years' coffee experience. No, you can't beat Instant Chase & Sanborn for convenience, economy and downright goodness!
