TURKEY PRICES

SEEN UNCHANGED FOR CHRISTMAS
 OTTAWA (CP) — Turkey prices will remain near their present levels during the Christmas season, the federal agriculture department predicted here in its monthly food outlook. Supplies of both light and heavy turkeys are adequate. At the end of November, prices at Toronto for grade A avocetted turkeys were: 10 pounds and under, 43 to 45 cents a pound; 10 to 16 pounds, 45 to 47 cents; 16 pounds and up, 38 to 40 cents.

The price of chicken broilers is expected to decline slightly during December because of plentiful supplies. Pork roasts and chops also will be a good buy in December since hog marketing this winter are expected to remain relatively heavy.

CARD OF THANKS
 I wish to express my thanks to Dr. Beer and Dr. Clark and to the staff and nurses of Prince County Hospital who took such good care of me while I was a patient there. I also wish to thank all those who visited me, brought me treats and gifts, sent cards and wrote letters. My thanks also to those who wrote and sent cards to relieve my loneliness while I was in St. John for treatment.

IN MEMORIAM
WOODSIDE — In loving memory of our dear son Wendell Grant, who passed away December 6th, 1963. A face that is ever before us in the supply of lamb will result in higher prices.

IN MEMORIAM
 In our hearts he is with us yet beautiful memories of his smiling face.

CAMERON — In memory of Austin Cameron who passed away December 6, 1963. There is no death, the stars go down and break in silver showers. And break in heaven's jewelled crown. They shiver more. Lovingly remembered by his wife and family.
