

Babyland.

Hush, thee, my baby, the shadows are falling, Close now thine eyelids in slumber so sweet;

Presented to the Queen.

The presentation of an English lady to Her Majesty, Queen Victoria is thus described by Adam Bedeau:—The lady handing her card to a lord in waiting,

She Caught Him.

A certain lady suspected that her husband was in the habit of kissing the cook, a pretty German girl, by the by, and resolved to detect him in the act.

Anecdote of George III.

George III., taking a walk into the country, reached a hayfield, where only one woman was at work. The king asked where were her companions.

Unreasonable Curiosity.

Mose Schaumburg is very arbitrary in the management of his family affairs. He has been trying for some time to marry off his daughter Rebecca, and at last he succeeded in persuading an old man, who was rich, to marry her.

NOTES.

Not the promissory, but facts about WELCOME SOAP, an article that does not contain one particle of the adulterations used to reduce the cost of "Pure Goods," but does possess the value of legitimate Washing Qualities, the demand for which proves the advantage gained by the use of the genuine over soaps of doubtful character.
