A. O. H.—Regular meeting this evening. "THE GLORIOUS FOURTH"—a great day in the States.

FOR DRILL.—The Engineers will meet for drill this evening at eight o'clock—engineering.

HORSES SHIPPED.—Mr. W. S. McKie, the well-known horse buyer, shipped a carload of splendid horses yesterday. They are for the American market.

L. O. O. F.—The installation of officers for Wilsey Lodge the present term will take place to-night. A full attendance of members of both Lodges is requested.

FOR HALIFAX.—The steamer Princess Beatrice sailed for Halifax last afternoon about five o'clock, with a cargo of lobsters, pork, etc. Mr. and Miss McPherson went as passengers.

THE RIFLE.—The fourth of the series of league matches will be shot to-morrow, beginning at one o'clock. The 82nd Battalion, Artillery and Engineers will take part.

POLICE COURT.—One drunk was fined \$2 or eight days this morning, and a Scott Act case was adjourned. There were two Scott Act convictions yesterday—one for a first offence and the other for a third.

CONVENTION.—A Liberal-Conservative Convention will be held in St. Peter's Bay Court House, at 4 o'clock p. m. on Monday, the 7th July, to nominate a candidate for the Legislative Council.

GOVERNOR McLELAN'S WILL.—A Halifax despatch says: The will of the late Lieut. Governor McLejan leaves his estate in equal proportions to his widow and children. The value is not stated, but it is believed to be over \$100,000.

BLOSSOMS.—We have received the first potato (Early Rose) blossoms from Father Burke's garden, Alberton. On Dominion Day last year the rev. gentleman sent us a fully developed specimen of new potatoes. We are, therefore, a full month behind last season.

A BIG FISH.—Two fishermen were engaged in cod fishing off North Side, St. Peter's on Tuesday last caught a halibut that weighed over three hundred pounds. It was brought to the city next day and sold readily in the market. Salmon fishing at St. Peter's is being prosecuted at present with success.

MISS MCGARRY.—Miss McGarry's recital last evening in the Y. M. C. A. Hall was the means of drawing together a select and appreciative audience. Her readings were excellent and won much applause. Mr. J. H. Logan played a piano solo, and Miss Florence Earle sang so well that the audience were not satisfied until she responded to a hearty encore.

FOR BOSTON.—The steamer Worcester, Capt. Nickerson, left for Boston at 6 o'clock last evening. She had the usual general cargo and the following passengers: Mrs. Jenkins, S. A. Campbell, H. McDonald, J. McDonald, Mrs. Ledwell, Mrs. P. T. Grant, M. Brennan, St. C. Gallant, Mrs. P. Burns, A. McLeod, Christie Stewart, Flora Livingstone, Mary McKinnon, J. Foy, Mrs. D. Forbes, Capt. C. White, A. Munro, F. A. Fraser, Miss Smith.

A COMING ATTRACTION.—Mr. Fraser, Superintendent of the Halifax School for the Blind, is to give an entertainment in the Y. M. C. A. Hall on Tuesday evening in the interests of the institution he represents. He will be accompanied by Mr. Chisholm and several of his pupils. A programme of remarkable interest and rare attractiveness will be rendered. Do not forget to give yourself pleasure and a deserving cause help.

THE TEA AT RUSTICO.—The tea in aid of the Church of England at Rustico, yesterday, was a decided success. No pains were spared by those in charge to make everything and everybody comfortable. Those from town who attended it expressed themselves as highly pleased with the manner in which everything was managed. St. Peter's Boys Band went by train to Milton, and were driven thence by truck wagons to the grounds. They discoursed excellent music to the picnickers throughout the day, leaving the grounds for the city about 6.30 p. m.

POISONED.—A New York despatch of the 2nd reports that some 50 or 100 persons were recently poisoned by ice cream purchased at Brinkman's candy store. Several are dangerously ill. The cream was made in an unclean freezer of which the lining had worked off, causing metallic poisoning.

A Dublin despatch of the same date says: The wife and four young children of James O'Connor, a member of the editorial staff of United Ireland, were fatally poisoned by eating mussels at Sea Point. Another child of O'Connor, and a servant, who also ate of mussels, were prostrated, but are now out of danger.

ACKNOWLEDGMENT.—A copy of the Minneapolis, St. Paul and Sault Ste. Marie Railway, and a circular in reference to same, has been forwarded THE EXAMINER by Mr. J. A. Cameron, of Duquoin. Mr. Cameron is agent for the line here, and will at all times be pleased to furnish every information to intending travellers.

Mr. R. M. Crockett, formerly of this city, has the thanks of THE EXAMINER for copies of late Spokane Falls, Wash., papers. Mr. Crockett, who was for many years in the employ of Mr. E. W. Taylor, is now with E. J. Hyde & Co., jewelers, Spokane Falls, and, it is pleasing to learn, is doing well.

MARRIAGE BELLS.—On Wednesday last a very interesting event took place at Stanhope, viz: the marriage of Miss Florence N. Leitch, daughter of the late John O. Leitch, Esq., to Rev. W. Leslie Clay, B. A., of Summerside. The officiating clergyman was Rev. James Allan. The bride was assisted by Misses Ellie McMillan and Florie Welsh, while Mr. J. A. Nicholson performed the duties of groomsmen. The many rare and costly presents with which the bride was presented bore testimony to the high esteem in which she was held by the community. In a few days the newly wedded pair leave for the Western States, whence they will proceed to Southern Manitoba, their future home. We join with their numerous friends in extending our congratulations and in wishing them every happiness in their chosen sphere of labor.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER. British Politics.

LONDON, July 3. Smith, Government leader, intimated in the House of Commons to-day that the Government meant to pass the Tithes Bill this session.

Sir James Ferguson declined to answer any questions with reference to British Naval officers in Newfoundland interfering with lobster fisheries, seeing that legal proceedings had been taken against them. He said the officers had general instructions to prevent British fishermen from interfering in any manner with the French fishermen's free enjoyment of their rights, and also had orders to warn British fishermen that lobster traps must be removed when French fishermen actually desired to fish in the waters occupied by the traps. After the French left the traps could be reset.

Mr. Blake Heard From.

TORONTO, July 3. Hon. Edward Blake writes to the Globe from Point au Picq as follows: "Attention having been called to the fact that your recent article has given circulation among the Liberals to the Conservative allegations that I desire to resume the leadership of the Liberal Party, I beg space to say there is not a grain of truth in these allegations, and that I am no more desirous to resume than I was to assume or to retain that post. My only wish is that the confidence and affection of the Liberals of all shades may induce Mr. Laurier to hold the place which he so admirably fills."
