

Islanders And Hawks Clash At Forum Tonight

Tonight's Big Four Hockey League fixture, scheduled for the Forum at 8:30 between the league leading Islanders and Moncton Hawks, promises plenty in the way of action for ardent hockey fans.

Despite consistent losses, the Hawks are proving themselves daily to be a hockey club that is as hard to beat as any team in the circuit, and proved that conclusively as recent as last night, when they played Saint John Beavers to a 5-3 deadlock after 10 minutes of overtime play. The fact that they are still the

cellar team in the league doesn't mean a thing. They have been losing some really close decisions in their last few games and have made them torrid battles all the way. In their last two meetings with Islanders they have only lost by one and two goals respectively.

But there is no doubt about it that they will have a tough nut to crack when they meet the Islanders. Coach Lamoureux has been keeping his charges rolling in high gear and there should be plenty of fire-works when the two squads come to grips tonight.

Islanders Hockey Club Executive Holds Meeting

M.S.H.L. President Issues Statement

HALIFAX, Nov. 27 (AP)—Judge J. Elliott Hudson, president of the Maritime Senior Hockey League, said in a statement issued tonight he would call a League meeting to discuss an interlocking schedule with the Cape Breton Senior Hockey League if two or more Big Four clubs request it in writing.

The M. S. H. L. president said he informed Roy Macdonald, president of the Cape Breton League, that should such a meeting be called C. B. S. H. L. officers and clubs would be invited to attend. He would not, however, call such a meeting unless the Big Four clubs asked for it. He had informed Mr. Macdonald he could contact Maritime Senior Hockey clubs for their views on the matter.

The statement recalled a meeting in September, 1948, at which the same subject was discussed. Although the Big Four had gone so far as to draw up an interlocking schedule, it was turned down by the C. B. S. H. L.

"At that time it would have been considerably easier to adopt than at the present time," said the President's statement. "Then each Big Four club played three home games every two weeks. Now they play two home games each week."

If the Cape Breton League could draft a schedule that was practical it could do so and submit it to the Big Four clubs.

While he'd be glad to call a meeting, Judge Hudson said if the Big Four clubs feel an interlocking schedule "is financially impractical," or that "the amount of travelling would be too hard on the clubs," then no meeting would take place.

M.S.H.L. President Issues Statement

At a special meeting of the Provisional Executive of the P. E. Islanders Hockey Club last evening, presided over by Club President, Major T. B. Rogers, official approval was given to the plan to hold the home game for Islanders against Moncton Hawks on Monday, December 11th, at Amherst, N. S.

The purpose of the plan is to make way for the exhibition game between Sydney Millionaires and Islanders here on Wednesday, Dec. 12th, and at the same time, keep to the regular schedule of two home games here a week. Saint John Beavers will be the visiting team here on Tuesday of that week instead of Wednesday.

In connection with recent talks concerning a proposed interlocking schedule between the Maritime Senior and Cape Breton Senior Hockey Leagues, the meeting was not in favor of the proposed plan.

The financial position of the Club was given at last night's meeting and proved satisfactory. In the giving of this report it was stated that two new sets of uniforms for the team plus sweat-shirts have been ordered and should be here within a couple of weeks.

It was also made known at the meeting that Coach Leo Lamoureux may play with the team in a defensive position in future games. Lamoureux has been working out regularly with the team and is in excellent playing condition and is expected to add considerable strength to the already powerful Islanders Club.

A special meeting will be held on December 4th, to elect an executive under the terms of the act of incorporation of the Club. This meeting will be open to all holding seat holders, who as shareholders of the Club will vote on the elections of the new executive on that date.

Graziano Wins By Knockout

PHILADELPHIA, Nov. 27 (AP)—Rocky Graziano of Brooklyn, former middleweight champion, tonight knocked out Honeychile Johnson of Philadelphia in 44 seconds of the fourth round to record his eighth straight victory of 1950. Graziano weighed 158 and Johnson 153 for the scheduled 10-rounder.

California vs. Michigan In Rose Bowl

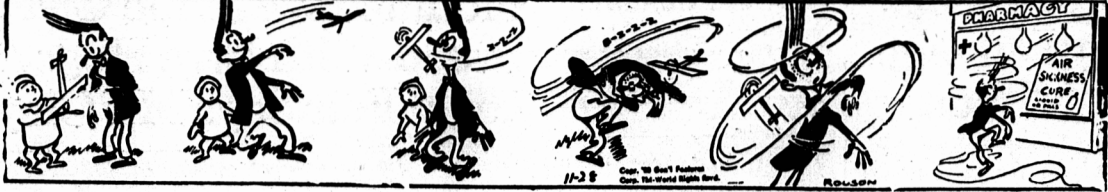

PASADENA, Calif., Nov. 27 (AP)—It will be California vs. Michigan in the Rose Bowl Jan. 1. The Pacific Coast and Western Conferences made it official today by naming the winners of their respective conferences — unbeaten, one-tied California; thrice-beaten, one-tied Michigan which lost only one in big ten play.

Moncton Hawks Gain 5-All Overtime Tie With Saint John Beavers

MONCTON, N. B., Nov. 27 (CP)—Moncton Hawks came from behind tonight to hold high flying Saint John Beavers to a 5-5 tie in a Maritime major league hockey game. The deadlock ended a Saint John winning streak which saw them defeat league leading Charlottetown Islanders and second place Halifax St. Mary's in two previous starts.

Beavers were never headed in the oft times ragged contest, although Hawks battled from behind on two occasions to end up with an even break.

Beavers shot three goals in the first period while Hawks were getting a single tally. Moncton scored the visitors 3-2 in the second frame to draw within one goal of a tie, and fired the game-knocking tally in the third.

Ten minutes of overtime failed to break the deadlock.

Beavers finished the game with only 11 players. Defenceman Larry Blackburn suffered a shoulder injury in the first period when he missed an opponent with a lusty body check and crashed into the boards. Many McIntyre did double duty, filling in on defence for the injured Blackburn and taking his regular turn on the forward line.

The smallest crowd of the season saw Beavers hammer 25 shots at Les Colvin in the Moncton cage, while Denny Brodour was turning aside 24 shots on the Saint John net.

Nicoll started the scoring for Beavers and other Saint John marksmen were Jodoin, Platz, Brennan and Mudie.

Brennan also was credited with three assists to lead the point getters. Moncton goal getters were Milani, Denny, Mousseau, Delmonte and Morrow.

Hawks played with only three defencemen. Charlie Phillips has

Sport Echoes From Prince County

The idea of an interlocking schedule between the "Big Four" and Cape Breton Leagues is rather interesting. Although we don't know the financial set-up as well as they do, we agree with Messrs. Rogers and Brown that the Islanders' participation in a league with North Sydney, Sydney and Glace Bay included would not be advantageous as far as Charlottetown is concerned. Considering the capacity of the Forum, the receipts could not be increased to any marked degree, and the travelling expenses would be considerably more. But an interlocking schedule is different. As we understand it, the two leagues would keep their standings separate and run individual play-offs. But occasionally, say once every two weeks, or less, the two schedules would interlock. Sydney might play Charlottetown, Glace Bay might play Moncton, etc. They would not be exhibition games and the wins and losses would count in the standings of each league. The league heads could make this interlocking process as extensive as they thought feasible. The Islanders might play Sydney five, ten, or fifteen or any number of games.

This system would certainly provide a greater variety for both leagues and would undoubtedly step-up attendance in every rink. It would mean that instead of playing Moncton thirteen games in Charlottetown, for example, the Islanders might play only seven games with Moncton, and two each with the Cape Breton teams might replace the other games. Its adoption on a small scale for the first year might prove successful, and it would certainly be appreciated by the fans.

The organization meeting of the Prince Edward Island basketball league has been held, and it won't be long now before the boys are darting hither and yon on the court floors. Basketball is gaining momentum in an interesting way every year and this year should see added interest. The R.C.A.F. and Schurmans have once again entered teams. Schurmans could be stronger than ever this year. Most of their old players are around and the high school boys who were members of the team are improving rapidly. Charlie Deighan would prove a valuable addition to their squad, if Charlie stays around Summerside this winter. Charlie played basketball in Ganders with the airforce teams.

No very definite plans can be laid as regards hockey in Summerside this year until it is known for sure whether the Crystal Rink will operate. There is reason to hope that the old structure will be whipped into shape again. We hope so, because, displaced as it is, it is far and away the best winter recreational centre the town can boast of at present. "Boast" is hardly the word here, is it?

If the Crystal Rink does operate, advantage could be taken of a new hockey arena that was beginning to develop at the end of last season. Outlying districts, such as Wellington, Lot 16, etc., were beginning to show an increased interest in hockey. A league could be organized for these teams this year. Such a league operates in the Kensington Rink area and it has proved very successful over a long stretch of years.

Charles-Barone Fight Postponed

CINCINNATI, Nov. 27 (AP)—Snow-covered streets and traffic hazards forced a one-week postponement of tomorrow's scheduled heavyweight title fight between Charles-Barone and Nick Barone. The new date is Dec. 5.

The City Boxing Commission readily approved the delay requested by promoter Sam Ecker. City officials let it be known early in the day that they recommended a postponement "because the traffic problem would be insurmountable."

Sugar Ray Wins In Paris Bout

PARIS, Nov. 27 (AP)—Well-known champion Sugar Ray Robinson tonight stopped France's Jean Stock in 1:33 of the second round of a non-title 10-rounder.

Stock, a middleweight, was downed three times in the second round. The Frenchman was on his feet at the first but the referee stepped between them and halted the uneven match.

Robinson, who did most of his "training" in night clubs and at receptions, weighed 156 1-2 pounds about five over his best fighting weight. Stock scaled 161.

Robinson and Pheasants Unlimited during the past number of years, referring particularly to the releasing of Huns, Pheasants, Chukker Partridge, and Prairie Chickens.

He had been advised lately that pheasants might reduce the Hun population, and hoped that further information might be obtained regarding this.

Several matters of general interest were then discussed. The first was the formation of a Northumberland Straits organization which might be able to deal with several questions of interest.

Mr. Harry Webster, Truro, Dominion Wild Life Service, said that such an organization would have considerable influence in determining open and closed seasons, bag limits, and other decisions appertaining to wild life since only through such a recognized body could recommendations be brought to those interested.

Other speakers supporting the idea were Messrs. Ott Hicks, Moncton, Reg Rogers, Dick McCully, W. W. Somers, W. A. Fox.

Louis and Brion Ready For Fight on Wednesday

By CHARLES DUNKLEY
CHICAGO, Nov. 27 (AP)—Joe Louis, ex-heavyweight boxing champion of the world, and Caesar Brion, Argentine contender, today finished heavy training for their 10-round battle in Chicago Stadium Wednesday night.

"I'm better this time," said Louis after stepping five rounds against two sparring mates, Mike Buba, St. Louis and Dutch Culbertson, New York.

Louis, still attempting a comeback after losing to Ezzard Charles in New York last September, said he expected to weigh in at 216 pounds, two pounds lighter than when he faced Charles last year.

"I feel that I have accomplished more in training this time," he explained.

Louis refused to make any predictions, saying: "If I win, I'll win as fast as I can." Apparently he realized his mistake of predicting an early knockout victory over Charles.

The 23-year-old Brion polished off his training with five rounds of boxing. He expects to weigh in at 194 pounds.

The South American, who has won 31 of 34 battles, plans to wear down the 36-year-old Louis with body smashes and win by a knockout in the late rounds.

Truman Gibson, representing the Chicago division of the sponsoring International Boxing Club, said the advance sale indicated a crowd of 12,000 despite television and radio, with a gross gate of \$60,000.

Queen Square Hockey League

In Queen Square School Hockey League competition played at the Forum yesterday afternoon, the Hawks and Leafs battled it out to a 2-2 deadlock in one of the closest and best games of the league to date.

The tie puts the Hawks on a leadership tie basis with the Royals in the four-team loop standing. Leafs are riding in second position one point behind the lead while Bruins remain in the cellar by three points.

Hawks took the lead at the half-way mark of the opening period when Lund scored on a pass from Kane, and went out two in front early in the middle session on a tally by Mullins from Weatherbie. Driving back hard in the final period, Pineau garnered the Leafs first tally at 13:05, on a smart three-man attack with Fardy and MacNeill.

Continuing to keep up the pressure in the closing period MacNeill garnered the equalizer for Leafs at 13:55. Fardy setting him up with the pay-off pass. Both teams went wide open on the play for the rest of the session, but neither could come up with the deadlock breaking goal, despite some close scoring chances.

Glac Bay In 4-1 Win Over North Sydney

NORTH SYDNEY, N.S., Nov. 27 (CP)—Four goals scored in the second period here tonight gave Glac Bay Miners a 4-1 win over the Cape Breton Senior Hockey League cellar dwellers North Sydney Victorias.

Vics lone counter came in the first period, when Lou Medynski scored and Bob Verrier and Kent Storey collected assists on the play. Slightly more than 1,000 fans saw Miners clinch the game in the middle frame when Bob Gray, Ted Watson, Kenny Biggs and Ray Marshall picked up a goal apiece. Miners defenceman Phil Dalgleish picked up two assists during the game.

Special Fish And Game Meeting Held Yesterday On Car Ferry Abegweit

More than 110 delegates from Prince Edward Island, Nova Scotia and New Brunswick Fish and Game Associations attended a precedent-setting meeting last night on the car ferry Abegweit. The session was held while the ferry was crossing the Strait on a return trip. Chief decision taken was the appointment of a committee to investigate the formation of a Northumberland Straits Association, which it is hoped will coordinate the efforts of fish and game organizations in the three sea-side provinces.

The Island members sponsored the Northumberland Strait meeting which proved to be most successful, not only in cementing good Maritime relations, but also in bringing to each Province the problems respecting fish and game in each respective province.

The Island members boarded the ferry at Borden at 4:30 and were joined by the mainland members at Tormentine.

Following dinner, the meeting was called in the main lounge room on the upper deck.

Several films pertaining to Canadian and Island scenery were shown by Mr. Stan MacInnis, P. E. I., National Film Board.

Mr. Stewart Jones, president of the P. E. I. Fish and Game Protection Association greeted the guests.

Mr. Frank Doyle, president of the Moncton Fish and Game Association opened the program by expressing his appreciation of having N. B. invited to the meeting. He introduced several N. B. members; and also Judge R. D. Kierstead, guest speaker for N. B.

Outlines Brief

Judge Kierstead gave brief summary of a brief presented to N. B. Government.

The main point embodied in the brief was to have determined the present supply of wild life, how it can be enlarged, and how extensive the bag limit might be so that future generations might enjoy the sporting opportunities which present hunters enjoy. The brief emphasized finding the exact reasons for the depletion of wild life. This must be determined by scientific research and study with exact knowledge so as to determine present supply of game, extent of bag limits and duration of season.

Col. C. A. Williams, chief game warden, Wild Life Branch of the Department of Lands and Mines, said that apart from the recommendations, highly efficient technical staff to help in the preservation of wild life.

Nova Scotia

Walter Prichard, president of the Amherst Fish and Game Association introduced several N. S. members. He called on W. A. Fox, who gave a summary of N. S. fish and game organization.

In the past, he said, the organization was made up of 20 branches, each autonomous. At a general meeting of two days, it was difficult to carry through all resolutions from the branches and many difficulties were encountered.

Under the present set-up, a director is elected from each county, who represents the district.

Each district has three delegates to the convention. Resolutions are divided into three groups, and dealt with by special bodies.

Agreed-on resolutions are then presented to the meeting for approval. This they found speeds up matters considerably.

Hon. Mr. Cullen

Mr. Stewart Jones introduced Hon. Eugene Cullen. He hoped this meeting might lead to a Maritime Federation of Fish and Game Associations. He said the P. E. I. Government's policy was to spend license money for benefit of Island fish and game.

This year a census had been carried on which had been successful, and helps to determine season and bag limits.

Mr. J. A. Rodd had been appointed as fishery director and has laid the foundation for future development of fish. The department is planning to do considerable experimental work in increasing food in Island ponds.

He said that Const. Spurgeon Jenkins, game warden, was retiring at the end of November.

Mr. Frank Acorn gave a brief summary of the activities of the P. E. I. Fish and Game Association.

Charles-Barone Fight Postponed

CINCINNATI, Nov. 27 (AP)—Snow-covered streets and traffic hazards forced a one-week postponement of tomorrow's scheduled heavyweight title fight between Charles-Barone and Nick Barone. The new date is Dec. 5.

The City Boxing Commission readily approved the delay requested by promoter Sam Ecker. City officials let it be known early in the day that they recommended a postponement "because the traffic problem would be insurmountable."

Sugar Ray Wins In Paris Bout

PARIS, Nov. 27 (AP)—Well-known champion Sugar Ray Robinson tonight stopped France's Jean Stock in 1:33 of the second round of a non-title 10-rounder.

Stock, a middleweight, was downed three times in the second round. The Frenchman was on his feet at the first but the referee stepped between them and halted the uneven match.
