Faculty Endorses Board Resolution

The faculty association of Prince of Wales College, along with the alumni association, fully endorse a recent resolution of the board of governors of P.W.C., the text of which follows: "that we proceed with the establishment of Prince of Wales College on its present site as a degree granting university, with the facilities necessary for such purposes, but that during the interim period, this should not preclude discussion or negotiations for co-operation among P.W.C., Saint Dunstan's and other universities."
