Football Fans Return Home Following Two Wild Nights

VANCOUVER (CP)—The celebrating parties moved Eastward Sunday and Vancouver returned to normal following two wild nights of Grey Cup high-jinks.

Several hundred Prairie visitors swelled the street crowds until about 10:30 p.m. Saturday, but when their special trains were ready to load they filed quietly aboard.

when Edmonton Eskimos took over an entire hotel floor.

SPORTS FRONT

By PIUS CALLAGHAN

BUD GRANT'S WINNIPEG BOMBERS did the unexpected Saturday when they came off the floor after a very shaky start to win the coveted Grey Cup from the heavily-favoured Hamilton Tiger-Cats.

The Winnipeg triumph was a decidedly popular one and although we didn't stand up and cheer when the final gun fired, we had to admit that what had happened was probably the best for football in Canada.

FOR A SHORT TIME in Saturday's affair, it appeared as though the Tiger-Cats were on their way to a victory even more convincing than their 32-7 win in 1957.

Well, the W.F.U. winners were game to give it a try. They know it wasn't only stopping the Tiger-Cats that was on the agenda. They must do something on their own if they were to get back into the ball game.

BEFORE THE TEAMS went off for the mid-way rest session, the Blue Bombers had taken the lead. It was 20-14 as the teams took the gridiron for the final thirty minutes.

BOTH FALONEY AND VAN PELT turned in terrific jobs. The Winnipeg quarterback set a record for the classic, garnering 22 points. He scored two majors, kicked two field goals in addition to four converts.

IT WAS TOP notch entertainment, the kind that had you in doubt till the gun sounded. There was little to choose between the Clubs, each collecting four touchdowns. The two field goals and the single made the margin of difference.

IF YOU TAKE away the All-Star tussle at Hamilton next Saturday, you have little left to talk or write about as far as football is concerned, hockey, curling, basketball, bowling will now come into their own until spring training gets underway for the major league baseball teams.

DETROIT TIGERS and Cleveland Indians started the baseball talk by getting themselves involved in a deal in which Ray Rife and Don Mossi went to the Bengals and Billy Martin found himself in the Cleveland wigwag.

There'll be a whole lot of snow fall and many cold, wintry days ahead before that spring training commences but we don't think it's ever too early to talk a little baseball to baseball fans.

Beaten Fair And Square; Maintain Tiger-Cats

By DON PEACOCK Canadian Press Staff Writer VANCOUVER (CP)—They beat us fair and square but there's always another time.

This was the way big Mill Campbell described Saturday's Winnipeg Blue Bomber 35-28 Grey Cup victory over the Tiger-Cats as he and other Tiger-Cats players quickly showered and dressed after the game.

"They out-tackled, out-blocked and out-played us," said fullback Gerry McDougall, a leading ground-gainer for the Tiger-Cats in their losing effort.

Quarterback Bernie Faloney expressed a similar opinion as he went about cleaning off the mud, and dressing for the street.

When asked by a reporter what happened out on the field that the powerhouse Eastern team should have been beaten, he replied: "Didn't you see the game?"

"We played a real good football game," he added. "They were stunting our line at times and making holes so one man could get through."

Coach Jim Trimble declined to say anything, except that it was a "wonderful game," until he is able to talk to football commissioner Syd Halter of Winnipeg about Ralph Goldston's banishment from the game for slugging during the first half.

"Boy, that was terrible," he said in commenting on the action

of judge-of-play Paul Dojack of Regina. "If they're trying to ruin the game, they're doing a good job."

There wasn't any undue dejection apparent among the Hamilton players, as though they all realized that despite their loss they had taken part in one of the most exciting football games in Grey Cup history.

"I thought they played a very good ball game," said Campbell. "Any time you lose, it's disappointing—let's face it."

But then he grinned a little wistfully and added: "But that's one good thing about sports—there's always another time."

A reporter asked McDougall how he manages to make some

of those terrific runs in droves of opposition players. "Ask the linemen," he said with modesty. "They're somewhere."

Ron Howell, voted the best Canadian player in the Grey Cup, gave a lot of credit for the two touchdowns passed to him.

BOSTON (AP)—Toronto ended Boston's National Hockey League winning streak at four Sunday night, the Leafs defeating the Bruins 2-1 on first period goals by Barry Cullen and Frank Mahovlich.

Boston's only goal was fired by Vic Stasiuk late in the second period, his fourth in five games and eighth of the season.

Boston thrilled the crowd over the last minute and 25 seconds. With that much time left, Bruins goalie Harry Lumley was yanked for a sixth attacker.

But Bruins couldn't fashion the goal they needed for a tie. The closest they could come was a Je. flected shot fired out of a scramble by Jerry Toppazzini. It slid within six inches of the goal line before Leafs netminder Johnny Bower could hunt it aside.

First period: 1. Toronto, Barry Cullen (Brian Cullen, Purford) 14:28; 2. Toronto, Mahovlich (Olmstead, Stewart) 17:00. Pen-

Was Ejected In Accordance To The Rules

VANCOUVER (CP) Football Commissioner Syd Halter said Sunday he had inquired about the ejection of Ralph Goldston from Saturday's Grey Cup game and that "it was a case of a man being ejected for slugging—an action by an official in accordance with the rules."

Coldston, Hamilton halfback, was ordered from the game in the second quarter by Umpire Taylor Paterson of Regina. Paterson said Goldston slugged half-back Leo Lewis of Winnipeg.

Halter said coach Jim Trimble of Hamilton spoke to the official concerned.

Goldston, from Youngstown, Ohio, is a former Philadelphia Eagles player.

One other player has been tossed out of Grey Cup finals in the 49-year history of the classic.

Jake Dunlap of Ottawa Rough Riders was thumped off in 1951 for roughing the kicker in the Ottawa-Saskatchewan Roughriders game at Toronto.

Back in 1931, Red Teller of Montreal Wings Wheelers was banished from football for life for socking Regina Rough Rider George Gilhooly after the game at Montreal.

Big Ovation Given Bombers On Arrival Home

WINNIPEG (CP)—Winnipeg Blue Bombers, 1958 Grey Cup champions, came home to a roaring welcome Sunday after upsetting Hamilton Tiger-Cats in Saturday's Canadian football final at Vancouver.

The Bombers' plane landed at 4:50 p.m. CST and the players were bundled into some 40 cars for a motorcade to the Winnipeg Arena, where 10,000 screaming fans waited to express their jubilation at the 35-28 victory which brought Winnipeg its first Grey Cup since 1941.

The team received a standing ovation that lasted for several minutes after they walked onto the arena ice. The cheers were echoed for each player as they were individually introduced to the crowd.

Dputy Premier Erick Willis of Manitoba and Winnipeg's Mayor Stephen Juba brought official congratulations to the Bombers.

When the change in coaches was announced, Imlach and Olmstead both said that the team would improve 25 per cent over its poor start this season when the club lost 12 of its first 20 games and tied three.

Bruins, Canadiens Win; Black Hawks Nip Leafs

NEW YORK (AP)—Boston's defensive-minded Bruins chalked up their fourth straight National Hockey League victory Saturday afternoon as they defeated New York Rangers 3-1 in a nationally televised game at Madison Square Gardens.

There was little to choose in the goal tending of Gump Worsley of the Rangers and Harry Lumley of the Bruins. But Boston's restyled defence tossed back every New York foray except one.

Lumley was called up from Providence of the American Hockey League to replace the injured Don Simmons.
