*Holloway's Pills*—Protectors of Health.—In the hand-to-hand struggle for existence in the present day good health is everything. Holloway's purifying, digestive and laxative Pills are admirably adapted for restoring soundness to invalids whose functions are so feebly performed that life itself seems precarious. The stomach may have its many maladies removed by a judicious use of these Pills, the torbid liver is roused to active secretion, and every other organ subserving digestion is placed at its natural standard and better fitted for its duties.
