

**Flying Curlers
Arrive In London**

LONDON (CP) — Sixty-four Canadian curlers, who are making a three-week European tour, arrived here Tuesday for two days of sightseeing and exhibition games.

"We are having a most enjoyable trip," said Dr. E. S. Giddings of Charlottetown, one of the leaders of the party made up of curlers from Nova Scotia, New Brunswick and Prince Edward Island. The group arrived in Scotland from Canada by air Friday.

"This is strictly a pleasure trip," said Giddings. "None of the games we are playing against European clubs are competitive, they are just friendly games."

The Canadians are scheduled to play a number of games against the Richmond Curling Club during their stay in London.

The party will proceed to Paris Thursday and then go to St. Moritz, Switzerland, Sunday. They return to Canada Feb. 10.

"Some of us plan to visit Canadian Army bases in Germany and we hope to play a few games against army teams," said Giddings.

**Sandy Saddler
Is Retired By
Manager Johnston**

NEW YORK (AP)—Sandy Saddler, world featherweight boxing champion, was retired Friday by manager Charlie Johnston as the result of a physical examination by Dr. Thomas W. Matthew, who reported the boxer has been "going progressively blind" since he was injured in an auto accident July, 1956.

Saddler, a 30-year-old New Yorker, was in hospital for three weeks last year after a cab in which he was riding was in collision with a car.

"I've recommended to both the boxer and his manager that he do no more boxing," said Dr. Matthew. "He does have some sight at the present time and if he does not fight, he may be able to retain that sight. If he continues to fight, there is a grave chance of total blindness."

WON TITLE IN 1948
Johnston said he has notified the New York state athletic commission of his decision to retire Saddler, who won the 126-pound title from Willie Pep, Oct. 29, 1948.

Saddler lost the championship to Pep Feb. 11, 1949, but won it again from the same man, Sept. 8, 1950.

The National Boxing Association stripped Saddler of his title Jan. 16 for failing to sign for a defence.

Saddler, present in Johnston's office when Dr. Matthew announced his findings, said "Up to now I thought I could continue to box. I still didn't believe any featherweight could whip me."

**Claim Record For
Five-Pin Bowling**

TORONTO (CP) — A five-pin bowling team in the city major league this weekend claimed a world record with a three-game score of 4,763. Capt. Eddy Hawkes' Peoples five-man team put together games of 1,549, 1,567 and 1,647.

The team was playing a Riverdale team which set the previous record of 4,602 last October.

**Pancho Gonzales
Now Leading 5-1**

BRISBANE, Australia (AP) — Pancho Gonzales defeated Ken Rosewall of Australia again Tuesday night 6-4, 9-7, 6-2 in their professional tennis series.

The Australian now is trailing Gonzales 1-5 in their scheduled 100-match series.

**Dunlops Purchase
Former Bruin**

WHITBY, Ont. (CP) — Whitby Dunlops, leaders of the eastern division of the Ontario Hockey Association senior A group, announced Tuesday purchase of goalkeeper John Henderson from Boston Bruins of the National Hockey League.

Henderson played for Boston in the 1954-55 season.

**Detroit Coach
Is Not Counting
On Dublinski**

DETROIT (AP)—Coach Buddy Parker of Detroit Lions said Tuesday he has eliminated quarterback Tom Dublinski from 1957 plans because Dublinski still is under option to the Toronto Argonauts of the Big Four.

Dublinski, second string to the Lions Bobby Layne, jumped to Toronto from Detroit in 1955 for a two-year contract reported to be for \$17,500. Detroit had an option clause in Dublinski's contract.

The Supreme Court of Ontario last week upheld Detroit's claim and ordered Dublinski to pay the Lions \$6,950.

Parker reached Dublinski in Toronto Sunday and was reported to have offered him \$11,000 for next season, provided Toronto held no option. Then Parker learned of the option which binds Dublinski unless he can get a release.
