## WATCHES

THE watch trade has been rather fluctuating of late, first the price went up, after a long period of low prices, now the prices have dropped again, whether because of war or greater variety of production we cannot say, but the fact remains that you can buy from us a reliable timekeeper cheaper than ever before, in fact that there is no need to buy shoddy goods at all.

If you want a good and also the cheapest watch for the money, we recommend a good movement in a nickel case instead of a poor one in a fine looking colored case that will only wear a very short time.

Soliciting a share of your patronage, we remain,

Yours respectfully,

The Pony in Franz-Josef Land.

At an early stage in our journey our difficulties began. The pony broke loose the second night out, and, unfortunately, gorged herself with dried vegetables. These, together with dog biscuits and a few pounds of oats saved from the previous sledging, were her usual fodder, owing to the lack of legitimate horse food, which had quite run out more than 12 months before. As I expected, the surfeit of dried vegetables brought on a serious illness, to remedy which Armitage and I clubbed together the small supply of pills which we had with us. He produced, I think, two varieties of pills, and I had a number of podophyllin; so we made up a dose of 22 in all, which I administered to our invalid pony, mixed up in some frozen fat from our frying pan. This, I am glad to say, had the desired effect of at all events partly restoring her to health. —Geographical Journal.

The doctor may be a good old man, but even so, medical examinations and the "local-application" treatment are abhorrent to every modest woman. They are embarrassing—often useless. They should not be submitted to until everything else has been tried. In nine cases out of ten, the doctor in general practice isn't competent to treat female diseases. They make a branch of medicine by themselves. They are distinct from other ailments. They can be properly understood and treated only by one who has had years of actual practice and experience in this particular line. This is true of Dr. R. V. Pierce, chief consulting physician of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. Dr. Pierce's Favorite Prescription, a remedy for all derangements of the reproductive organs of women, has been in actual use for more than thirty years. It cures every form of "female weakness."

Mistook the Mule.

Deacon Jackson was a very pious but very determined old colored citizen of Owl Creek valley. He had a young mule which his boys were unable to ride, and their failure to break the animal so exasperated the old man that he determined to ride it himself. He was, however, no sooner located on its back than he was thrown into an adjoining lot, where he was picked up with both legs broken and his neck badly sprained. "What on earth did such an old man as you mean by trying to ride a wild young mule like that?" asked the doctor.

"Waal, suh," said Deacon Jackson, "I never does undertake to do nutthin widout fust consultin ov de Lawd an seein what he dun thunk erbout hit. I axed him ef I orter ride dat mule what my triffin no ercount boys couldn't ride, an de Lawd he sed, 'Yessah, jes' ez plain ez I am talkin to you.'"

"Well, but he seems to have given you bad advice."

"No, doctor, his judgment was all right, fer de Lawd knows dis ole nigger never seed de day when he was afeared to straddle anything from a circular saw up to er elephant, but dis time I think de Lawd was jes' mistaken in de mule." —Atlanta Journal.

Old Ab Drake.

Old Ab Drake was one of the "odd sticks" that flourished in a Vermont rural neighborhood a good many years ago. His wife was a meek, obedient, spiritless woman, over whom Ab tyrannized for 50 years, when she quietly slipped out of this world. Old Ab's panegyrics on his dead wife's virtues were loud and long. Before the funeral he said to one of his neighbors: "She was the best woman on the top of this earth. I jess thought the world and all of her—yes, I did! I always thought it, and hanged if there wan't times when I come mighty near telling her so—yes, sir! And I would 'a' told her so, only I've always held, and I still hold, that it ain't safe to praise anything that w'ars petticoats. 'Ceptin for that, I would 'a' told 'Lizy Ellen what I thought of her many a time—yes, I would!" —Boston Journal.

Famous Three R's.

The originator of the famous three "r's" alliteration "reading, 'riting and 'rithmetic" was Sir William Curtis, a lord mayor of London. In 1795 he proposed it as a toast before the board of education.

## CURSE OF CANADA,

And the Only Way in Which it Can Be Surely Removed.

Dyspepsia is the Curse—Dodd's Dyspepsia Tablets are the Only Cure—They are, Therefore, Canada's Greatest Blessing.

What is the greatest curse of our country? There can only be one answer to this question. There cannot be a moment's hesitation in answering it.

The answer is "Dyspepsia."

Nine-tenths of the people of Canada suffer from it.

The greatest blessing a country can have is something that will remove the greatest curse.

Therefore Dodd's Dyspepsia Tablets are Canada's greatest blessing, for they, and they only, can cure Dyspepsia. They, and they only, can remove Canada's greatest curse.

But the claim of Dodd's Dyspepsia Tablets to this title rests on still stronger ground. Besides being the only medicine known that can cure Dyspepsia, they positively cure its twin evil—Indigestion, also Biliousness, Catarrh of the Stomach, Sour Stomach, and all other diseases caused by imperfect digestion.

The action of Dodd's Dyspepsia Tablets is simplicity itself. They remove the cause of the trouble. Then the disease must vanish. They digest the food. They must do this. They cannot help doing so, any more than heat can help melting snow.

Dodd's Dyspepsia Tablets contain the same substances that a healthy stomach supplies to digest food. When you swallow a Tablet it melts, and reduces the food to a milky liquid. This passes to other organs, which separate the useless portions from the useless parts.

Dodd's Dyspepsia Tablets stimulate the bowels and enable them to carry off the useless, poisonous matter. Thus, the stomach and bowels working properly together digestion becomes perfect, and Dyspepsia cannot exist.

Dodd's Dyspepsia Tablets are sold by all druggists for fifty cents a box, six boxes, \$2.50, or sent, on receipt of price, by The Dodd's Medicine Co., Limited, Toronto.
