"FINED FOR HUNTING BIRDS—Two residents of Montague charged with hunting migratory birds within half a mile of a baited area were found technically guilty, without intent, by Stipendiary Magistrate Joseph W. MacDonald at Montague yesterday, and were fined one dollar and costs.

IN MEMORIAM

JAMES W. PIGOTT

The death occurred at his home in Savage Harbor on January 23, of James Walter Pigott at the age of 72.

He was a son of the late Mr. and Mrs. Fred Pigott and had spent his entire life in Savage Harbor.

Besides his wife, the former Zila MacEwen, he leaves to mourn his passing one daughter, Helen (Mrs. Lewis Moore) at home and one sister, Elita (Mrs. W. L. MacEwen) at home.

The funeral, largely attended, was held from his late residence in Savage Harbor on January 25, the service was conducted by Rev. W. N. Byers who chose as his text John 14:2 "In My Father's House are Many Mansions" Hymns sung were all favorites of the deceased.

Interment took place in the People's Cemetery, Mt. Stewart. Pallbearers were Messrs John E. Pigott, William Pigott, James Morrison, Robert Pigott, Wilfred Coffin and Joseph McKay.

Card Of Thanks

We wish to extend sincere thanks to our many relatives, friends and neighbours for beautiful floral offerings, messages of sympathy and many kindnesses shown during our recent sad bereavement.

Mrs. Walter Pigott and Helen.

Montague Wins 7-4 Victory Over Georgetown

Montague Shmoawks lead the best of nine game hockey series for the Southern Kings Cup as a result of their 7 to 4 victory over the Georgetown Eagles at Georgetown rink last night. The game, with the exception of the last period, was not up to the standard of most of the games this season.

Power, starry Eagles' winger, was forced out of the game in the second period when cut on the face with a flying puck.

The visitors led 2 to 0 in the first period, added four more to the Eagles' one in the middle frame but were outscored 3 to 2 in the final period.

Linesup:—Montague: Goal, Stewart; defence, F. Sheppard, Nicholson, Clements, Watterworth; forwards, L. Sheppard, MacLean, Munn, Stewart, Hughes, Leonard.

Georgetown: Goal, Sullivan; defence, MacPhee, Johnson, Matheson, MacConnell; forwards, MacNeil, Power, Landry, Publicover, Stevens, David MacLeod, Murphy, Gallant, MacSwain.

Referees: B. Diney, R. H. Gauthier.

Summary: First Period 1—Montague, Leonard (Hughes, Stewart) 1:33 2—Montague, Hughes (F. Sheppard, Leonard) 14:23 Penalty: MacLean.

Second Period 3—Georgetown, MacConnell 3:37 4—Montague, F. Sheppard (L. Sheppard) 6:36 5—Montague, Hughes (L. Sheppard) 8:03 6—Montague, Leonard (L. Sheppard, Clements) 12:31 Penalties: Clements, Landry 2 MacLeod.

Third Period 7—Georgetown, MacNeil (MacLeod, Landry) 3:34 8—Montague, Leonard (Hughes, L. Sheppard) 5:26 9—Georgetown, Stevens (Publicover) 11:29 10—Georgetown, Murphy (Publicover, Stevens) 14:32 11—Montague, Hughes (F. Sheppard) 17:05 Penalties: None.

Mr. Edward Birt, visited Charlottetown, Feb. 3.

Messrs Ernest and Ralph Grant were visitors to Montague, Feb. 4.

Mr. and Mrs. Ward Crane, Riverton, were visitors to this vicinity, Feb. 3.

Mr. and Mrs. Daniel McInnis, Bangor Road, visited Peakes, Feb. 4.

Mrs. John Hughes visited Charlottetown, Feb. 2, where she was an overnight guest of friends and relatives.

Mr. Walter Rogerson, visited his son-in-law and daughter, Mr. and Mrs. Edward Culkin, Charlottetown on Feb. 4.

The sympathy of this vicinity is extended to Mrs. Frederick Duffy, Peakes Road, on the death of her father, the late Michael Collins, on Feb. 4.

Mr. Elwood Donnelly and Miss Lottie Kelly, Charlottetown, visited at the home of Mr. and Mrs. Alfred Handrahan on Feb. 4.

Mr. Stanley Manderson, who has been staying at the home of Mr. and Mrs. John Birt, St. Patrick's Rd., spent the week-end of Jan. 30, in Charlottetown.

Congratulations and best wishes were extended to Mr. and Mrs. Benny Lutz, on Feb. 3, when they returned to Peakes Road, following their recent marriage in Halifax.

Mr. Francis Campbell, returned to the residence of his parents, Mr. and Mrs. Jervis Campbell, on Feb. 1, from Fort Arthur, Ont., where he had been employed for the past number of months.

Friends of Mr. Earl MacDonald, regret to learn that he is suffering from blood poison in the arm. His many friends wish him a speedy recovery. B.U.

IN MEMORIAM

MRS. ADA ROSE

The passing of Mrs. Ada M. Rose, on January 5th, came as a sudden news to relatives and friends. She had been in the Souris Hospital about a week, and was recovering from virus pneumonia. She was expected to return to her home within a few days when she suffered a series of heart seizures which resulted in her death.

Mrs. Rose, the daughter of the late Stephen Ching and Louisa Ford Ching, was born at Red Point, P. E. I., January 24, 1880. In September, 1902, she was married to the late James Louis Rose; and they made their home at North Lake.

She is survived by one sister, Irene, Mrs. Joshua MacDonald of Kingsboro, P. E. I.; two daughters, Edith of Jamaica Plain, Mass., and Mabel, at home; and three sons, Lloyd, Cecil and Clarence.

The funeral services were held January 8. After a short service at the house, the remains were taken to the South Lake Church of Christ (Disciples) where a large number of friends gathered to pay their last tributes to a beloved neighbor and friend, and to express sympathy to the family. The services were conducted by Rev. Donald McClare. Hymns sung were: "What a Friend We Have in Jesus", "Nearer My God to Thee", and "Jesus Lover of My Soul." Interment was in the South Lake Cemetery.

Pallbearers were Messrs Russell Dingwell, Irving Baker, Francis Rose, Robert Rose, Largin MacInnis and Ernest Avery.

The floral tributes included—Spray of roses — Lakeview Women's Institute. Spray of roses — Mrs. Amanda Fraser and Family. Circle of chrysanthemums — Clarence and Pat. Pillow—The family.

Card Of Thanks

The family of the late Mrs. James L. Rose wish to extend sincere thanks to their kind friends and neighbors, who sent sympathy cards, letters and helped in other ways during their recent sad bereavement.

Sir John Gilbert, English artist who died in 1897, sketched and drew from earliest childhood.

Montague Town Council Meeting Held Last Night

"Regular routine business was transacted at the Montague Town Council meeting held last night, presided over by Mayor B. H. Yeo. Present were Councillors Reynolds, MacGowan, Hessian and Fraser. Following the reading of the minutes, the bills were presented and payment was authorized. Correspondence was read, after which reports from committees were received.

Considerable discussion ensued regarding the snow removal problem, and it was considered that the major task had been completed in good time and without too much delay in assisting the continuing of the usual day's business in the town.

The paving program for next year received its initial discussion, and it was tentatively decided that the former streets which have been paved may receive another coat of gravel, and that other streets in the town will be paved for the first time. The clerk was instructed to determine costs for this project during the next few months.

Don Newcombe Signs '54 Contract With Dodgers

BROOKLYN, (AP)—Don Newcombe, the Brooklyn Dodgers' "pennant insurance" for 1954, celebrated his release from the U.S. Army Monday by returning his signed contract to the Dodgers.

Disclosing that the giant Negro pitcher had telephoned him earlier with the glad tidings, Dodger vice-president E. J. (Buzze) Bavasi did not announce terms of the contract.

"Don got a well deserved raise," Bavasi said. "He's had the contract for some time now but couldn't sign it until he was discharged from service."

Newcombe won 20 games and lost only nine in 1951 when the Dodgers were nosed out of the National League pennant by New York Giants in a three-game playoff.

"I'm in good shape," he told Bavasi by telephone. "I weigh only 230 pounds. That's about 10 pounds less than when I finished the '51 season. I hope to shed about 10 more pounds before I report to training camp at Vero Beach, Fla. I'm looking forward to it."

"I can't win 20 games again this year."

He will report to the Dodgers camp Feb. 23.

"I'm rarin' to get started," the 27-year-old right-hander said. "I've been doing some throwing this winter and the arm is as strong as ever. I don't think I've lost any of my speed."

New International Maine - N. S. Ferry

AUGUSTA, Me., Feb. 8.—Kenneth Baird, Canadian National Railways attorney, today delivered a signed agreement to Leon M. Sarnoff, a member of the Maine Council representing Governor Burton M. Cross, paving the way for an immediate start on the construction of the Bar Harbor terminal for the new international ferry which will ply between Maine and Nova Scotia.

Under the agreement now signed by all interested parties, the Maine port authority will complete the construction of the terminal facilities at Bar Harbor by May 1, 1955.

The state has voted \$1 million to the port authority to cover the cost of the pier and necessary buildings. This capital expenditure will be refunded by the Canadian National Railways on the basis of annual rentals over a period of thirty years, and at the end of the lease the railway will take over ownership of the terminal. The C.N.R. will operate and maintain the terminal.

Provision is made in the agreement for the use of the terminal by ships of other lines "for the promotion of seagoing trade beneficial to Bar Harbor."

Yarmouth Terminal

Meanwhile, the Canadian Government and the Province of Nova Scotia are pushing ahead with plans and specifications for the terminal at Yarmouth, N.S. Engineering data will be exchanged between the Canadian and state authorities and work on the two terminals is expected to go on simultaneously.

Construction of a \$4 million ship for the new service is well underway at Davie shipbuilding yard in Lunenburg, Que. The Canadian Government and Nova Scotia will jointly share the cost of the new ferry which will have six decks and accommodation for 600 passengers and 150 motor vehicles. Propelled by six twin screw diesel engines, it will be capable of 18½ knots and make a round trip daily in daylight hours. The overall length will be 346 feet, and the displacement, loaded, approximately 4,370 tons.

Passenger space included day cabins, main, observation and dining saloons, children's playroom, lounge, children's playroom, dining saloon, lunch counter and news stand. A special feature will be stabilizers which will practically eliminate rolling of the ship.

Designed to encourage tourist traffic and commerce between Maine and Nova Scotia, the new ferry will be operated by the Canadian National Railways.

The new international link has been forged through the good will and co-operation of the governor and his council in Maine; the Maine Port Authority; the governments of Canada and Nova Scotia; Canadian National Railways, and the municipalities of Bar Harbor and Yarmouth.

Mr. Wendell MacDonald and Miss Sheila MacDonald, Howe Bay, spent the evening recently visiting at Red Point.

Sympathy of the surrounding districts is extended to Mr. Gordon Bevan, Charlottetown, on the recent death of his father, Mr. Harry Bevan.

Mrs. John McKie, Sr., has gone to Charlottetown, to spend some time with her daughter, Mrs. Gordon Bevan.

Mr. and Mrs. Gordon Bevan, City, were Sunday visitors to Howe Bay and vicinity.

The community Young People's meeting usually held every Wednesday night in the Annandale United Church was postponed last week because of the storm which also delayed the mail service. —G. U.

RICH SURPLUS

LAHORE, Pakistan, (CP)—Reporting a satisfactory rice crop with an estimated yield of 250,000 tons, the Punjab provincial government announced it will be in a position to export 100,000 tons from the new crop.

STILL ON JOB

REIGATE, England, (CP)—Herbert Farrington, 82, who began work 70 years ago in the sandpits at this Surrey town, still rises before 6 a.m. daily to work there as a laborer.

Bison Bombers Edge M.H.N. 4-3

The Montague Bison Bombers edged out the visiting Murray Harbour North squad 4-3 in a fast exhibition hockey game at Montague last night. The locals showed up slightly faster and more pressing on the attack which accounted for the winning edge. The visitors, however, remained in the game with several sustained attacks, and were a strong threat throughout the three periods.

Montague Midgets, Bantams Win At Murray Harbor

"The Montague Bantams and Midgets were the winners of a doubleheader played at Murray Harbour yesterday afternoon when they defeated the Murray Harbour teams 8-4 and 3-2. Both games were played on very fast ice, and the Montague teams took advantage of their heavier attacks to get in the scoring. The locals tried to stem the attack and were successful for a time, and even pressed their own attack to keep in the game and remain a threat to their opponents.

Little Sands And Vicinity

The severe snow storm which started on Wednesday evening and continued through all day Thursday and Friday, left a heavy blanket of snow with deep banks and blocked roads. The mail carrier, Mrs. Leon MacPhee of Hopefield, succeeded in bringing the mail around on Wednesday night by truck through the heavy road. It was good to get the mail that night, as the residents here didn't get mail again until after the storm had abated and the men broke the roads on Saturday morning, January 30. This was the first time this winter that the men here had occasion to get out with horses and shovels to break the roads. Thursday, January 28, was the first day here this winter that roads were blocked all day and there was no car traffic.

Maglie Hopes For Good Year

NEW YORK, (AP)—Pitcher Sal Maglie passed some good news to New York Giants Monday along with his signed contract.

The 36-year-old right-hander forwarded his contract from Niagara Falls, N.Y., with a note saying "I'm feeling better than I have in two years. I hope to have a good year."

Back trouble plagued Maglie last season when he fell to an 8-9 win-loss record. In the three years previous he posted marks of 18-4, 23-6 and 18-8.

The Giants didn't mention terms but said "Maglie was satisfied."

Annandale and Vicinity

"The people of the surrounding district were recently shocked by the sudden death of Mr. Albert Myers at his home in Annandale. Mr. Myers in the past was one of Annandale's prominent merchants.

The many acquaintances and friends in Little Sands and vicinity of Mr. William D. MacKenzie, Flat River, were sorry to hear of his sudden passing in Flat River. Sincere sympathy goes out to the family.

Mr. and Mrs. Alexander Blue and Lila were visiting on Sunday at the home of her sister, Mrs. Malcolm MacPherson, in Wood Islands, East.

There was no school in Little Sands, on Friday, last week. The teacher, Mrs. Adrien Blue of Hopefield, drove out in the bad storm, there were only two pupils there, so she did not conduct school. Thursday she held school with only four pupils who braved the storm. Mrs. Blue certainly did well to drive over two miles to the school those two very stormy days last week.

Mr. Jas MacBeth, of Iris, P. E. Island of Murray River School, has been confined to his home for several days due to illness. We all hope to see him back soon.

It is regretted that Mr. John A. MacDonald of Hopefield, has not been well of late. All hope he will soon be fully recovered.

Mrs. Mary Cooke, Hopefield, has entered the P. E. Island Hospital for treatment. Her many friends in Hopefield will be glad to see her recovered and home again.

Mr. Harry MacLeod, Hopefield, has arrived home (from the Prince Edward Island Hospital) from his recent operation, much improved in health. His many friends in Little Sands are wishing him good health in the future. C. O.

VERNON RIVER SCHOOL (Semi-annual report)

Grade X—1. Jean Richards. Grade IX—1. Doris Reid; 2. Joan MacNeill. Grade VIII—1. Carol Cummings; 2. Clarice Morrissey; 3. Mary Masters; 3. David MacNeill; 4. Harold Richards.

Grade V—1. Frankie Lea; 2. Lorna Lea; 3. Lawson Lea. Grade IV—1. Betty Enman; 2. Gary Cummings; 3. Nelson MacLeod; 4. Lorne MacLeod.

Grade III Sr.—1. Ken Lea; 2. Pauline Lea. Grade III Jr.—1. Gwen Lea; 2. Clinton Richards; 2. Jacqueline Cummings; 3. Margaret Enman; 4. Sterling MacLeod; 5. Emily Enman; 6. Charles MacNeill.

Grade I—1. Freddy Enman. Highest average in senior grades (6-10), Alfred Richards 88.5%. Highest average in junior grades (1-5), Betty Enman 93.5%. Perfect attendance—Lorna Lea, Clinton Richards. Teacher—Marie Quinn.

ATOMIC DEFENCE

CANBERRA, (CP)—Lt. Gen. Sir Sydney Rowell, chief of the Australian general staff, announced that plans are being made to include basic defence training against possible atomic attack as part of the routine training for Australian troops.

BASINGSTOKE, England, (CP)—The British Army plans to spend £2,000,000 on purchase of mechanical moving and lifting equipment. Gen. Sir Osmy Roberts said the machines are necessary to save manpower in army warehouses.

First Session Of Nurses' Course Held

The first session of the course on "The Role of the Nurse in Medical Rehabilitation" was held in the classroom of the Nurses' Residence, Prince Edward Island Hospital on Monday evening, with an approximate attendance of 65 nurses.

The institute is sponsored by the Charlottetown district of the Association of Nurses of Prince Edward Island under the chairmanship of Miss Ruth Ross. Subsequent sessions will be held in the same place on each Monday during the next five weeks.

Miss K. Jackson, M.B.E., M.C.S., P., who planned the course, in conjunction with the nursing committee, introduced the subject "Medical Rehabilitation." She defined the term as the readaptation of a patient with a physical or mental disability to normal activity.

The stages of medical rehabilitation are: 1. Adequate first aid; 2. Medical or surgical treatment; 3. Nursing care; 4. Specialized treatment, e.g. physiotherapy, occupational therapy; 5. Vocational guidance; 6. Retraining; 7. Resettlement of the patient for normal living.

Is medical rehabilitation a paying proposition? Miss Jackson stated that the investment is heavy but the dividends more than warrant the expenditure.

The essentials for a successful rehabilitation program are: 1. A complete and comprehensive scheme that can be carried through from beginning to end; 2. Competent and fully trained personnel who work closely together as team members with the doctor in charge; 3. Patient co-operation.

Miss Jackson explained that the patient's active movements in recent years and the emphasis now is on active movements by the patient rather than passive treatment as massage.

The film "Rehabilitation in Industry" illustrated clearly the basic principle of the program for the provision of medically supervised rehabilitation services on the job.

An interesting discussion followed in which the Minister of Health and Welfare, Hon. B. Earle MacDonald participated.

Discussing Potato Market Prospects

Mr. Donald A. MacDonald, chairman of the Prince Edward Island Potato Marketing Board and Selling Agency is at present in Ottawa discussing with Federal representatives matters relative to the potato market as it affects the Island grower.

Chief among Mr. MacDonald's talks with Ottawa officials will be the existing 75¢ tariff per 100 lbs. recently become effective after our quota of 1,500,000 bus has been shipped to that country and the subsequent blocking of further shipments into the States at a price below the present market level.

A Federation of Agriculture officials point out that the ratio of fruit and vegetable shipments to Canada and the United States is five to one in favor of the U. S. He states that "a year or two ago, when the American market was in a depressed condition, Maine growers dumped potatoes on the Montreal and Toronto market at a price far below the consumer level, with disastrous results to the Canadian grower. These are hazards of the business which the American grower should be big enough to take in his stride."

Mr. MacDonald expects to return to the Province on Thursday.

GREENVALE W. I.

The February meeting of the Greenvale Women's Institute met in the afternoon in the school, with an attendance of five members and one visitor.

Meeting opened by repeating the Creed in unison. Roll call was answered by naming a picture and the artist, which was very interesting.

It was reported the Sewing Club had been organized and the travelling apron started. School committee reported towels and soap had been purchased and that the children had been treated at Christmas.

Sick committee reported sending cards to shut-ins in district. New committees appointed are: School, Mrs. Wonnacott; sick, Mrs. MacRae; Mrs. Spence, and Mrs. Wonnacott.

Mrs. Spence read the paper from Mrs. MacDougall, the convener of health and social welfare. Secretary read the paper from Mrs. Doyle.

Mrs. MacRae kindly treated the members with candy, after which meeting closed by singing "God Save the Queen."

BLIND NURSES

GENEVA, (CP)—Seven Geneva residents, all of whom are blind, completed the first new-type Red Cross home nursing course to be given to blind persons in Europe. The Swiss Red Cross and the League of Red Cross Societies co-operated in the project.
