FRAGUE (Reuters) — The City of Prague plans to play Cupid to the lonely hearts of Czechoslovakia, where the 14,000 population has 283,000 more spinsters than bachelors.

A civic marriage bureau opening here today will arrange introductions for lonely Czechs seeking husbands or wives, at home or abroad. Ceteke news agency said Tuesday.

Despite the preponderance of women in the population, Ceteke said, the most popular are the ones most anxious for spouses.

A Prague newspaper says one 21-year-old farm girl received 194 replies when she advertised for a husband. Male advertisers average between 10 and 25 replies.

Texas Town Has Cigarette Ban

EASTLAND, Tex. (AP) — An ordinance prohibiting the sale or smoking of cigarettes within the city limits has been passed by the Eastland city council.

Mayor Don Pierson says he expects the ordinance to become effective Feb. 20.

The city fathers, in a meeting Monday, provided a penalty for violation of the no-cigarette ordinance of a fine up to \$1,000 and imprisonment for one year.

The action came in the wake of a federal grand jury indictment which constitutes a health hazard.

Eastland, located in central West Texas, has a population of 3,342.

Liz Demands Divorce Action

PUERTO VALLARTA, Mexico (AP) — Movie actress Elizabeth Taylor has presented a demand for a divorce from singer Eddie Fisher.

Fisher, who is in Las Vegas, Nev., has 10 days to reply. He need not appear here.

A divorce would clear the way for Miss Taylor to marry Richard Burton, who is here with her.

Details on her allegations, filed with a local judge, were not immediately available.

OBITUARY

(Inserted by friends and relatives as a tribute to the deceased.)

MRS. KATHERINE MCKINNON

Blessed are the dead who die in the Lord. These words seem to speak truth to the death of the late Mrs. Katherine McKinnon, for she died as she had lived in the joyous faith and trust in the living Lord.

The late Mrs. McKinnon had not been in the best of health for the past two years, but it everyone had hopes she would rally until about a month before she entered into eternal rest, her people knew the end was drawing near and all that medical aid could do seemed to no avail and her spirit went to the great beyond on October 23, 1963 at St. Peters Bay. The late Mrs. McKinnon had reached the age of 73 years.

Mrs. McKinnon was always concerned about the sick and the needy. All the members of her large family too can look with pride of having a kind and loving mother who always tried them to do well when they went out into the world. Her keen mind and appreciation of learning were evident in her support of education and every cause for the betterment of the community. She was a devout member of St. Peter's United Church and it was always one of her joys to attend the Sunday service.

They are left to cherish her memory three sisters, Mrs. John Hunter, Strathcona, P.E.I.; Mrs. Ralph Gordon, Roseville; Mrs. Jack Gaudet, Charlottetown; also four daughters: Mary (Mrs. Milton Poole), Roseville; Dorothy (Mrs. Russell Dockendorff) St. Peter's; Henrietta (Mrs. Angus Morrison), St. Peter's; Cora (Mrs. Murdoch Blackland), St. Peter's; also six sons, John, Glenn and Eric of St. Peter's Bay; Lloyd and William killed in action in World War II and Ralph drowned in Wilkoff's Pond. Her beloved husband predeceased her in April, 1954.

The funeral services were held Monday afternoon from her late residence to St. Peter's United Church where the funeral services were conducted by Rev. Donald McLennan. The hymns sung were "The Lord's My Shepherd" and "Face to Face with Christ My Saviour". The organist was Mrs. Kenneth MacCallum, St. Peter's Bay. Interment was in a Midgill cemetery.

The pallbearers were: Eldon McKinnon, Boyd McKinnon, Charlie McDonald, D.P. McDonald, Henry McDougald and Louis Wilson.

CARD OF THANKS

The family of the late Mrs. Katherine McKinnon wish to express their thanks to Dr. John Bonnell, Dr. Lorne Bonnell, Dr. Lee, Morrell; also to Rev. Donald McLennan for their many acts of kindness shown them in their recent illness and death of their beloved mother; also to the many friends who have expressed their sympathy by flowers, wreaths, telegrams and letters and cards of sympathy.

TRADE GROWS

Volume of trade exchange between Romania and Austria in 1963 was estimated four times as large as in 1962.
