New Zealand Lady Sees Her First Snow

EDMONTON (CP)—Mrs. Anne Massicks recently saw snow for the first time in 30 years. "Now I've seen all I want to," she said in an interview. Mrs. Massicks, 68, from Auckland, N. Z., is visiting her brothers, John and Tom Campbell, both of Edmonton. All three are busy these days talking over old times when the Campbell family, six boys and three girls, lived in Greenock, Scotland.

She hadn't seen John since he left Greenock 32 years ago, but Tom visited her in New Zealand in 1950.

Hampton

Weather conditions can change here without much warning, both on land and sea. Overnight the Strait filled with heavy drift-ice and sufficient snow fell on land to produce (with snow-plow assistance) good roads for cars and sleighs. An opportunity is offered farmers to haul out another season's wood supply, with horses and sleighs.

District hockey fans joined the crowds attending the games played at Crapaud Rink during the week. Teams from Long Creek and Hampshire tied with the score of 2-2, and on February 5, Hampton defeated Westmoreland, 3-0, these teams receiving cheering support of their followers.

At the annual meeting of Hampton Hall Trustees, Committee was named to proceed with improvements and repairs to Hall and Horse Shed. Those elected to replace last year's slate of officers, include: President, Edwin Ferguson; Secretary-Treasurer, C. R. Dunsford; with most of former directors re-elected. Committee meetings will be held to consider ways and means pertaining to said improvements.

Relatives and friends in large numbers were present to convey final tributes of respect at the funeral services, at Churchill, conducted by Rev. Mr. Nicholson for the late Mrs. Neil Lamont, whose sudden death occurred at her home at Churchill. The late Mrs. Lamont leaves, to mourn her death, in addition to her son, Gordon, on the homestead, a wide circle of relatives, whose presence signified the depth of affection constituting the golden chain of friendship which bound the deceased with a wide circle of friends.

Relatives and friends of Mrs. Peter Ferguson, are pleased to learn of considerable improvement in health, following her recent illness.

Mr. John A. MacKinnon, Churchill, was a recent visitor at Hampton, guest of Mr. and Mrs. Robert, and Mrs. Annie Ferguson.

Mrs. Bill Allen, and little daughters Judy, Leigh, have returned to their home at Melanson, N. S., following an enjoyable visit at the home of Mrs. Allen's parents, Mr. and Mrs. Boyd MacQuarrie.

Every person is interested in the report of the New Ferry being built at Ferguson Shipyards, Pictou, for service on the Wood Islands-Caribou route, which states that trucks and automobiles will back on to this 60-vehicle boat, when loading, and drive directly off at destination. We all like to travel by this route, but can you imagine 60 vehicles going on this boat backwards every time they desire to cross either way on this boat?

Hampton W. A. met at the Manse, February 4, for their regular birthday meeting. Arrangements were completed for a sup-

per in the hall, also for a pantry sale, particulars to be announced in the press. Several new members were warmly welcomed. Work previously given out was completed, handed in, and new work distributed. Following routine business, and social period, meeting adjourned.

Mr. and Mrs. Murchison MacEachern, and family are occupying the vacant home of Mr. and Mrs. Donald Cameron.

Ideal roads had weather greeted and accentuated the attendance at the Services of Public Worship at the Churches in this Parish on February 6. The message on Salvation received close attention, all uniting, with the Choir, in singing those Hymns which never grow old.

Mrs. Baxter was hostess to the W. M. S. at the Manse, for their February meeting. The President conducted the service of Worship, assisted by several mem-
