Semper Paratus!

(ALWAYS READY.)

Semper Fidelis!

(ALWAYS FAITHFUL.)

TWO GRAND INSCRIPTIONS.

Applicable Only to Paine's Celery Compound.

The Great Medicine That Makes People Well.

Always ready ! Always faithful ! What grand words to comfort and cheer to sad and despondent hearts.

We know that there are thousands who need the comforting and blessed assurance that there is a medicine ready for all troubles and emergencies, faithful in its workings, and honest in results.

Paine's Celery Compound is the only medicine in the world that can truely and honestly claim for its banners the mottoes, "Always ready !" "Always faithful !

Past records will substantiate all that is claimed for Paine's Celery Compound. It has saved and cured thousands who were near death's portals ; it proved to be the great healer and life-giver after men and women had vainly struggled with other medicines and prescriptions ; it restored after physicians uttered the terrible word "incurable.

To those who now groan under burdens of suffering and disease, we say, with all candor, give Paine's Celery Compound an immediate trial ; it has cured thousands afflicted just as you are, and it will surely reach your case and do the same good work.

Mr. A. R. McGruer, of Dixon's Corners, Ont., speaks of his wonderful cure by Paine's Celery Compound, as follows:—

"About six months ago my condition of health was alarming and I suffered very much. I was laid up three days out of every week ; and I often said to my friends that it would be better, if it was the Lord's will, that I should be called away. Three of the best doctors attended me, but could not relieve me in any way. It was then I was advised to use Paine's Celery Compound, which brought relief at once. After using this great remedy I find myself a new man, and feel just as bright as a boy of eighteen years. I think it is the greatest medicine in the world, and would strongly recommend it to all who suffer,"

A GIRL'S BEST MOTTO.

With the body uncared for it does not seem as if the mind could be in good order, writes Ruth Ashmore in an earnest discussion of "The Physical Life of a Girl," in the August Ladies' Home Journal. And surely when one has bad thoughts and bad manners the body will cease to be beautiful. The best motto for you to take in regard to your body is "Be clean." Many of us are unhappily handicapped from birth by ill-health. Then all that we can do is to try and keep as well as possible, and to determine that the weakness of the body shall not be reflected upon the mind. When "one's back is bad and one's legs are queer," then to make an effort to forget this and to fill the mind so full of cheerfulness that the looker-on will believe one beautiful is the greatest heroism. My dear girl, take care of yourself; try and keep well and cheerful. Few people die from overwork. Many lose their good looks from idleness and sulkiness.

THE LANGLEY CASE.

Lansing People Hear of His Illness and Subsequent Cure while in London, Ont.—Much Pleasure Manifested Over the News.

LANSING, Mich., July 2—A friend of William Langley formerly of this city, now of London Ont., received a letter a few months ago stating that Mr. Langley had Bright's disease. Of course no hope of his recovery could be held out. Within a month, the same friend has received a letter from Mr. Langley stating that he is completely cured of the supposed fatal disorder. Mr. Langley says no medicine did him any good until he began using Dodd's Kidney Pills. These helped him from the first and in the end restored him to perfect health. .....

The steerage travel from New York has grown to an enormous extent within the last few weeks, and has materially affected the policy pursued by the Dominion, the Beaver and the Allan Lines in regard to their steerage arrangements. The former rates of these three lines, $24, was reduced to $20, and recently to $15, where it now rests. The steerage accommodations of the New York Liners being taxed to their utmost capacity—some steamers holding as many as 1000 in their steerage; the people were packed closely together, the berths almost touching each other—in fact, the people were packed like sardines, or almost, as Mr. Hannah expressed it, "like dead men." The greatly decreased rates from New York would naturally induce intending immigrants to take advantage of the $10 rate and journey by rail to the American metropolis. Hence the $15 rate. At present the Dominion and Beaver Lines report only a small increase. The Allen Line, however, has had more traffic.

CAUSE OF BOWEL COMPLAINTS.

The direct cause of pain and looseness of the bowels, is an irritation of the mucous membrane of the same, sufficient to produce excessive peristaltic or worm-like motion in the interior of the bowels, thus the partly digested food matter is kept constantly passing along and evacuated freely. This is called a diarrhœa; where the irritation is enough to cause bleeding, we have dysentery. Indirect causes of diarrhœa, by which an irritation is started are intestinal dyspepsia, overeating unripe or over-ripe fruit, tainted meats, or oysters etc.; torpor of liver, by which not enough bile is secreted; excessive flow of bile, etc.; TREATMENT. Thoroughly evacuate the bowls with Parsons' Pills, they are among the best to get rid of all irritating matter. Then take Johnson's Anodyne Liniment in teaspoonful doses diluted with water, every four hours, and oftener if the case is severe. In case of Asiatic cholera, one teaspoonful should be given every half hour. Thousands of people remember the year 1849, when the worse known epidemic disease spread over this country. Johnson's Anodyne Liniment at that time was little knowu outside of the state of Maine. But for its use at that time by its friends, many would not now live to spread the joyful news that any case of diarrhœa, dysentery, cholera-morbus, or kindred diseases, can be cured by Johnson's Anodyne Liniment. It nevr yet failed. The proprietors, I. S. Johnson & Co., Boston, Mass., will send their new illustrated book, entitled "TREATMENT FOR DISEASE," free to any person for the asking. July 25
