## PLUS a new 2 year/24,000 mile Total Car Warranty.

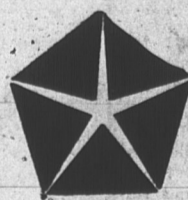

Chrysler started it all by pioneering the first 5 year/50,000 mile power train warranty four years ago.

And Chrysler continues to lead in 1967 — by pioneering the expanded coverage in the new Customer Care Warranty as shown above.

You get it on '67 Chrysler, Imperial, Plymouth, and Dodge passenger cars, including Valiant and Dart.

It covers both parts and labour. And, it can be transferred to a new owner when you trade or sell.

All this is part of a continuing program of automotive leadership. It shows Chrysler's determination to give you the very best in products, features, and warranty protection, this year and in years to come.

**CHRYSLER  
CANADA LTD.**

Here's how Chrysler's new Customer Care Warranty protects you: Chrysler Canada Ltd. dealers warrant against defects in materials and workmanship and will repair or replace without charge for parts or labour at their place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (except manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, suspension system (except shock absorbers), steering gear and linkage system, wheels and wheel bearings of its 1967 Chrysler-built automobiles for 5 years or 50,000 miles and all other parts for 24 months or 24,000 miles, whichever occurs first, excluding only tires, normal maintenance replacement of spark plugs, condensers, ignition points, filters, brake and clutch lining, etc., and normal deterioration of hoses, belts, upholstery, soft trim and appearance items. Maintenance services required under the warranty are: change engine oil every 3 months or 4,000 miles, whichever occurs first, and replace oil filter every second oil change, clean carburetor air filter every 6 months and replace every 2 years, lubricate front suspension ball joints and tie rod ends at 3 years or 36,000 miles, whichever occurs first; and every 6 months have a Plymouth or Dodge dealer certify (i) receipt of evidence of performance of the required services and (ii) the car's then current mileage.
