President

Derek Key

Derek Key is a Sophomore Political Science student. Derek feels a President should be a good administrator; an overseer of the functions of the Student Union who delegates his authority to others.

He feels apathy is the major problem on campus and claims he has several ideas to combat it. When queried on these ideas, he declined to elaborate as he did not wish to reveal them until

tonight. Derek did say he feels he can do a good job and will take the problems as they come.

In summary, he wishes to be responsive to the student needs yet responsible in the office of President.

problems are and what he she wants done.

As President though, would not have her finger every pie but rather would attempt to delegate authority to others and act as

Vice-President

Allison MacSwain

Allison Ann MacSwain is a junior majoring in English and Math who wants to give the Presidency a personal touch. If elected she would make sure that both she and her Executive got out to see what the average student's

Paul Currie

Paul Currie is a Sophomore arts student who feels that through hard work he can do a lot. Being on several committees and the President of Memorial Hall, he feels he has the experience to do the job.

Communications Officer

Elisabeth Burke

Elisabeth Burke is a first year History and Economics major who is running because she wants to do a

good job. Her main concern is to fight apathy and to improve relations between the Student Union and the students.

Her biggest assets are her experience in working in a communications office in

the 'real world' and her ability to work with people.

She wants to create a community out of U.P.E.I. by improving communications among people, by supervising the operations of CIMN and the Cadre and by implementing an Anti-Calendar and a Student Directory. Also, she would act as a 'Press Agent' for the Student Union.

Cheryl Cannon

Cheryl Cannon is a second year English major who wants to act as a liason between the media (CIMN and the Cadre) and the students as a whole. In order to do so she would work with the two on such things as budgets.

However she would spend
