UNUSED TO THE CLIMATE

A Frenchman Finds Canadian Weather Had a Bad Effect on His Health

St. EUSTACHE, Que., Feb. 12.—Auguste Dubois landed here from France, a perfect stranger to the weather conditions prevailing in this country. The food also differed from that to which he had been accustomed, and his heart being weak, the change had a serious effect upon it. He went to a medical man who did him no good. He went to others with a similar result in each case.

"I had to go to Montreal," he says, "to work for the Grand Trunk in that city and met a man who was suffering the same as myself, but had started to take Dodd's Kidney Pills. He told me they were doing him good. He was kind enough to give me a few of them. I took them. I felt much better. I procured a box, and in fifteen days felt like a different man."

The sprinkling of railway lines with oil is valuable in that rain does not penetrate the oiled outer crust, and that vegetation along the lines of the rails is destroyed.

A nice healthy plant, kept in the room with the piano, will provide just sufficient moisture for the instrument.

Are You Bilious?

A sluggish liver fails to filter the bile from the blood, and when the poisonous matter goes through the body in the circulation, the whole system is tainted and deranged. This is called biliousness and can be completely cured by Dr. A. W. Chase's Kidney-Liver Pills, which act directly on the liver, making it healthy and active. One pill a dose, 25 cents a box. The cheapest medicine in the world.

Don't Tear Down—Build Up.

The old-fashioned theory of tearing down disease was entirely changed by the advent of Dr. A. W. Chase's Nerve Food, which cures by creating new rich blood and nerve tissue. Through the medium of the circulation and the nervous system they strengthen and invigorate every organ in the human body.

The great objection to hypocrisy is that it is not necessary. No man ever practiced it successfully.

An Interesting Case.

Mr. W. G. Phyll, proprietor Bodega Hotel, 36 Wellington Street East, Toronto, says:—"While living in Chicago I was in a terrible state with itching and bleeding piles, I tried several of the usual physicians and was burnt and tortured in various ways by their treatment to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment, I used but one box and have not been troubled with piles in any shape or form since."
