MILK BISCUITS at BEER & GOFF'S. [16 31]
The eruption of Mount Vesuvius is increasing.

THE National Division S. of T. opens to-day at Washington, D. C. Prince Edward Island will be represented.

CABBAGE PLANTS,—of the best quality can be had from John McKory, at Dorchester st., east, or at the market.

DON'T FORGET the Fairbairn Family's musical entertainment in the Market Hall to-morrow night. A rare treat may be expected.

THOSE who have heard the Fairbairn's in other places, pronounce them to be the finest Scottish vocalists at present on the stage.

In addition to the many other attractions at the St. Patrick's Picnic to-morrow, there will be a match played between a Base Ball Club from this city and the Fort Augustus Base Ball Club. A liberal prize will be offered.

YESTERDAY a house—containing six rooms and a lot—170 by 52 feet—situated on the Malpeque Road, was sold by Mr. W. D. Stewart for \$650.

MEMBERS of the Charlottetown Philharmonic Society will please take notice that the meeting of the society—next Thursday evening—will be held in the Hall of the Y. M. C. A. building. A full attendance is requested.—WM. H. BEER, Sec'y. [17—tu&w]

MR. STRONACH desires us to state that Kennedy of whom complaint was made yesterday, was not dismissed from the Railway employ. He left of his own accord because he did not care to perform certain work clearly within the line of his duty.

THE first picnic of the season comes off at Haggerty's Wharf to-morrow, under the auspices of the St. Patrick's T. A. Society. The steamer Southport will leave the Ferry Wharf at 8 and 11 o'clock, sharp. This will afford our citizens a pleasant excursion on the Hillsborough, besides a day of healthful recreation.

SIR LEONARD TILLEY arrived at St. Andrews, N. B., on the evening of the 14th inst. A large delegation of the Liberal Conservative Party were at the depot to welcome and congratulate him. As he drove off he was cheered and a salute fired. Lady Tilley met him at the depot. Mrs. DeWinton and party have also arrived at St. Andrews.

CAUSED BY THE N. P.—At Paris station, on June 5th, a very large consignment of knitted goods were shipped to various points in Canada. The goods were valued at \$50,000, and, it is said, represent the largest shipment of the kind ever made in this country. This little argument in favor of the N. P. has much more weight than columns of Free Trade vituperation can overbalance.—London (Ont.) Free Press.

MR. WILLIAM DODD will sell at auction to-morrow, Wednesday, the 18th inst., the very extensive stock-in-trade of the late Robert Orr, consisting of full lines of all goods on the shelves of a first class dry goods store. As the Estate must be closed, there will be no reserve, and everything will be sold no matter how great the sacrifice. Sale will commence at 11 o'clock to-morrow at the store, Queen Street, next to Owen Connolly & Co's., and will be continued from day to day until all is disposed of.

A CHILD BORN WITH A BEAR'S HEAD.—Some time ago a woman in an up-river village—a short distance from Fredericton—gave birth to a child which had a bear's head, although the other portions of the system are the same as those of an ordinary infant. The woman was in Fredericton, during the visit of Barnum's exhibition, and the great showman endeavored to procure the child from her to exhibit, but she would not part with it. The child, of course, is unable to talk, but makes a noise similar to a bear's cub.—St. John Tel.

A VERY good attendance at the market to-day. Vegetables, etc., were in abundance. Sales were slow at the following prices:—Beef, (small) per lb., from 6 to 12 cents; do., per qr., from 5 to 8 cents; mutton, from 6 to 10 cents; lamb, per qr., from 50 cents to \$1.00; turkeys, from \$1.00 to \$1.20; chickens, from 40 to 50 cents; butter, from 14 to 18 cents; potatoes, from 35 to 40 cents; oats, from 34 to 36 cents; eggs, from 34 to 10 cents per doz.; hay, from 35 to 40 cents.

An accident, which miraculously did not prove fatal, occurred about eleven o'clock this forenoon. A team, which was unguardedly driven along Richmond Street by two young ladies, ran against a little fellow named Tobin, and knocked him down. The wheel of the wagon struck violently against his head, and inflicted a very nasty gash on his right cheek, causing blood to flow profusely. The little fellow displayed true grit—for, although he was badly shaken, he rose up manfully and wended his way homewards. It is time that careless and reckless driving through the street of the city was discontinued.

THE race between Happney, of this city, and Seymour, of St. John, did not take place in St. John on Friday last. The stakes were drawn on Saturday evening. Seymour refused to accept the offer of Happney—to take 300 yards start. The stakeholder, Mr. James Williams, of Portland, was informed by the friends of Seymour that unless he handed over the \$30 deposited by them they would immediately take legal steps to recover the amount. Happney, therefore, considered "discretion the better part of valor," and accordingly agreed to have Seymour's part of the stakes returned. Happney further asserts that on no consideration will he again propose or accept a contest with Seymour.

THE QUICKEST PASSAGE ON RECORD.—The Allan steamship Sardinian passed St. Felix at half past eight on Friday morning—being due at Quebec at midnight, and landed her mails at Rimouski at noon. This is a wonderfully swift passage, being in fact the quickest trip on record. On the 31st of August, 1879, the steamship Sarmatian arrived at Rimouski at 6.05 p. m., making the fastest trip on record up to that time. In November of the same year the Sardinian beat this record by one hour and five minutes, having made the trip in six days twenty-two and a half hours. If the Sardinian succeeds in reaching Quebec at the hour expected, of which there is little doubt, she will have beaten her own best time by four hours.—Montreal Paper.
