Expect Several Classrooms To Be Ready By January 1

Twenty one classrooms of the new Charlottetown High School to be known as Birchwood High School are expected to be ready for occupancy by early January according to County Construction Company who have the contract for erecting the building.

Efforts are being concentrated on the three storey section which is the foot of the L structure facing on Longworth Avenue. Temporary heat was introduced to this area of the building yesterday and workmen are engaged in placing the terrazzo floors. All Rusco metal windows have been installed and the glass will be installed as quickly as possible.

The plastic masonry work is pretty well completed and it is expected that this phase of the work will be finished within ten lays. Lathing is well underway and plastering will follow in quick succession.

There will be six classrooms on each of the first two floors of the L section and nine classrooms on the third floor. The section of the building facing Birchwood street will contain the supplementary classrooms such as the music and home economics room, the recreation and carpentery room etc.

Only One Of Seven Survives Head-On Crash

MASSEY, Ont. (CP) — Ivan Obernick, 38, of Spanish, sole survivor of the two-car, head-on collision Sunday which claimed six lives on Highway 17 near this Northern Ontario Community, remained in critical condition in an Espanola hospital Monday.

He is the only witness to the traffic accident which killed his wife. two of their children and three miners.

Dead are: Mrs. Ivan Obernick, 31; two of her children, Debbie, 19 months, and Rocky, 9 months; and the occupants of the other car, Bernard Harquail, 35, John P Thompson, 28, both of Campbellton, N.B., and Jack Riching, 31, of Gore Bay, Ont.

All three men killed were uranium miners Mr Obernick is an oil tanker driver for Noranda Uranium Mines Limited

Constable Philip McEwan, investigating Ontario Provincial Police officer, said details of the accident are unavailable because Obernick is in critical condition.

He said both cars were badly smashed and would not venture an opinion on the cause of the accident. It was reported the road was straight and clear and bare of snow at the site.

Presentation To R.C.M.P. Recruit

On Monday evening, Oct. 14th, a social evening was held in Winsloe Station hall in honor of Wayne Gillespie, who has left for Regina, Saskatchewan where he will begin his traniing with the R.C.M.P. as constable.

After a few opening remarks by Ernest Diamond, who explained the purpose of the gathering. The guest of honor was escorted to a seat. An address was read by Preston Jenkins and Blythe Rodd and Roger MacDonald presented Wayne with a Gladstone travelling bag, electric razor and a sum of money.

Wayne in his usual sunny manner expressed his thanks to one and all who had been so kind and considerate toward him and wished each one the best of health and happiness for the years to come, hoping that it would not be too long before he would see his Winsloe friends again.

A most pleasant evening was spent in dancing, singing and social converse, after a dainty lunch was served by the ladies of the community. All dispersed wishing Wayne the best of luck in his chosen careeer.

ADDRESS

Following is the address.

It is with pride and happiness mingled with a little sorrow that we have assembled here this evening. Proud because one of our boys has chosen a career in scarlet with the R.C.M.P. and is going out to serve his country. Happy because you have passed all your tests and are now ready to leave for Regina to begin nine months of rugged training thus fulfilling your childhood dreams. Sorrowful because you are leaving our midst.

As the older folk look back over the years, they remember you, Wayne, as a small boy starting school, later on, a grown boy off to College. Your younger friends will remember the good times you had together. With your jovial manner and pleasant disposition you have endeared yourself to all.

You have always played a major role in sports, both at home and at Horton Academy where last year you helped your team to win the N.S. football championships. The first time in its history. You also won the boy's atheltic award for the best all around athelete of the year. As for your hockey ability we always knew "When sorrel thatched Wayne, got hold of the puck, the opposing players were just out of luck."

It was not unusual while visiting the home to be greeted with a thud and a bang accompanied by the odd groan, and you would know that the Gillespie brothers had donned the gloves and were once more encountered in a friendly round of boxing.

No doubt you will encounter many obstacles as well as pleasures down through the years, but we know that you will meet them all with great courage. We ask you to accept these gifts with our best wishes for success as a "redcoat," and at any time if any of us should be guilty of breaking the speed limit in your presence we hope that you will look the other way.

Signed on behalf of your friends and neighbours of Winsloe and vicinity.

EXPORTS WILL FALL

WASHINGTON (AP)—The foreign agricultural service said Monday world exports of wheat and flour in the 1957-58 season probably will fall short of the record total of last season. Increases in production expected in many importing countries will result, the agency said, in a substantial reduction in import requirements in these countries.

Community Planning Ass'n Holds Meeting

A report on a recent community planning conference held in Vancouver was given last night by Keith Pickard, chairman of the P.E.I. division of the Community Planning Association. He spoke at a regular meeting held in the office of Claude Smith, director of town planning. Mr. Pickard was chairman.

Considerable discussion took place on several items in Mr. Pickard's report, including what can we do about urban sprawl, the uncontrolled growth in areas adjacent to cities and towns, and are municipal boundaries obsolete?

Projects for the coming year were discussed with tree planting, roadside tables, mailbox repair and painting coming first.

The Association expressed appreciation to the Provincial Government for a marked improvement in the excavated areas adjacent to the Trans Canada Highway. It was hoped that the policy would be continued and extended to other roads under construction, making every effort to have contractors obtain fill from areas away from the roadside.

The next meeting of the association will be in Summerside on Nov. 6.

Prominent Scout Official Gives Talk To Rotary Club

"The leaders in Communist countries are at fault because they will not subscribe to the first requirements of Boy Scouts —the acknowledgment of Duty to God," Eli Boyaner, director of the International Bureau of World Scouting and chairman of the Training Committee for Canada said in addressing the members of the Rotary club at their weekly luncheon meeting held yesterday at the Charlottetown Hotel. He was regretting the absence of Boy Scouts from the Communist countries at the World Scouts Jamboree last summer in England, in view of the international goodwill which was a dominant factor among the boys who attended.

Mr. Boyaner, who is a resident of Saint John, N.B. and an active Rotarian and an executive Officer of the Red Cross Society in New Brunswick, was leader for all Canadian Scouts to the World Jamboree.

Having attended the American Jamboree at Valley Forge just prior to the World assembly in England, Mr. Boyaner touched on the highlights of that experience which was opened by Vice-President Nixon. "You can be very proud of the boys from Canada who were there," Mr. Boyaner said.

In a comprehensive run-down of the Jamboree as seen through the eyes of an adult, Mr. Boyaner told of the biggest air-lift ever achieved in peace time when 1,500 Canadian boys were ferried to England, including two plane loads from Alberta and British Columbia flown over the North Pole —"An unforgettable experience for upwards of two hundred boys."

The highlight of enthusiasm was reached when Her Majesty, Queen Elizabeth visited the camp, accompanied by Prince Philip. Religious observances were strictly adhered to on Sunday when quiet enshrouded the camp and Mohammedans, Roman Catholics, Hebrews and all Protestants, attended their respective services.

Past president George Fisher and Frank Storey were co-chairmen, the former introducing the speaker and the latter tendering the thanks of the Club.

A highly pleasing feature of the meeting was the presentation of medals made by Fred J. Finley, Chief Executive Commissioner for Canada to Rotarians Bob Parent and George Fisher for "Long and efficient service in the Boy Scout movement." The medal to Dr. Fisher carried the citation for ten years activity and the medal with bar to Mr. Parent was for thirty years service.

Head table seating consisted of: Bill Reid, Provincial President, Boy Scout Association, Fred Finley, Chief Executive Commissioner for Canada, Lloyd Murray former Council President, Bob Parent, Provincial Commissioner, George Fisher, Charlottetown District Commissioner, Gordon Kerr, Provincial Executive Commissioner, John MacGregor, Executive Commissioner Training Canada, Walter LePage, Assistant Provincial Commissioner Training, Roy MacGillivary, Executive member, Allister MacLeod former Secretary Provincial Council.

Tom DeBlois, in the absence of Andy Likely called the Rotary Auction committee together for initial instructions. Dr. Frank MacKinnon spoke briefly on behalf of the membership drive of APEC. Brian Cudmore was in charge of Polio Post sales.
