Boxlor, in the midst of reflecting upon the serenity proffered by nature's bounty, finds himself preoccupied by thirst and decides that he must procure himself a beverage.

Off to the mall...

Boxlor, steady as always is unfazed by the prying eyes of the city's resident layman.

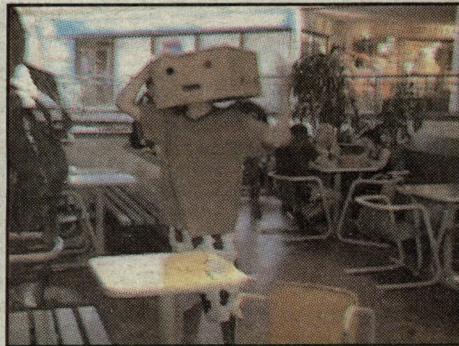

Success!!!

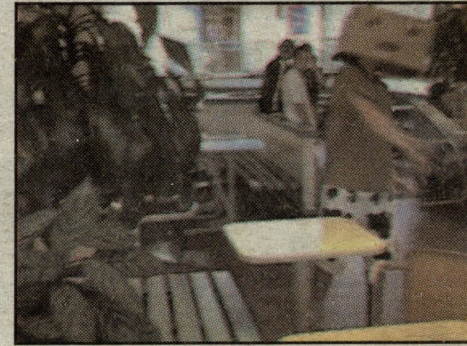

Elated by yet another victory in the name of Boxlor, he settles down to enjoy the beverage du jour.

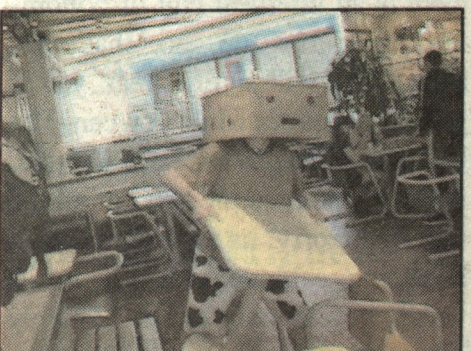

Nothing like a beverage to cleanse the palate, eh Boxlor?

Boxlor loses it, suddenly overcome by his frustration with Saddam Hussein's attempt to overtake Kuwait circa 1991.

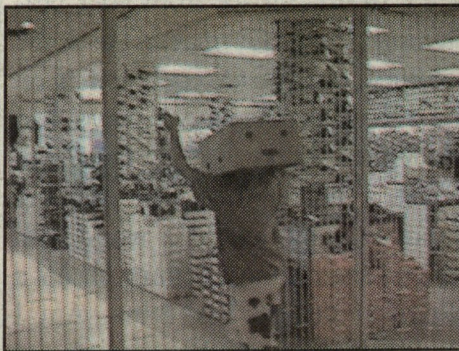

Now now Boxlor, what's done is done.

In a frantic attempt to regain his cool, Boxlor overturns the table. But to no avail.

*F**king kid, thinks he's so big, he's not big, Boxlor is big.*

*Still furious, and itching for a scrap, Boxlor finds a gate and f**ks its s**t up.*

*F**king mall, Boxlor hates the f**king mall.*
