FAWCETT TORRID - OIL CUSTOM DELUXE RANGE

More and more people have come to think of the TORRID-OIL range as THE oil burning range. That is, the range with the most outstanding every-day usable features, such as 3 position locking oven door, non-fog oven window and illuminated oven, temperature controlled oven, electric clock and 4 hour timer, optional hot water coil, and the exclusive air-oil control valve with Synco-Matic draft that saves up to 26% on oil consumption.

Reg. \$359.95 LESS \$65.00 TRADE-IN For Resalable Range

MULTI - FUEL RANGE

If you have an abundance of wood to burn, but wish to have the convenience & comfort of oil, this multi-purpose range is the answer to your problem. Burns wood, coal, trash, but is also equipped with a retort burner mounted on the back of the range. Copper hot water coil or cast-iron water front may be used to supply your hot water needs.

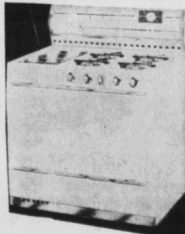

Available with deluxe backguard, high closet or high shelf.

Reg. \$289.95 LESS \$55.00 TRADE-IN For Resalable Range

COMBINATION RANGE

In this FAWCETT DELUXE COMBINATION GAS & OIL range you get the quickest heating top burners, the oven heats automatically at the turn of a button and is equipped with 100% safety shutoff, a re-designed oil burner body produces more kitchen heat, and with the installation of a coil (optional) your hot water problems are solved.

All four top burners as well as the oven burner have automatic pilots. Oil burner is equipped with mechanical blower.

30 INCH ELECTRIC

Real quality features are found in the FAWCETT CUSTOM DELUXE electric range. Not just the sparkle of the trimmings, but real practical, long lasting, dependable features such as the Hi-speed top elements with Infinite-Heat switches for an infinite range of heat settings—automatic Thermal-Eye top element prevents boil-over and burning—Infinite broil control, gives infinite choice of broiling temperatures—and of course the oven is clock controlled, and a timed appliance outlet is standard equipment.
