## More than Double

The last season's sales of ready-to-wear clothing of our own manufacture. More than double that of any previous year. This is gratifying to us and encouraged us to make greater efforts to meet the demand for clothing of better make than can be had in imported clothing.

We are adding every few days to our stock—Ulsters, Overcoats, Reefers, Suits, etc., made on the premises, of solid workmanship, that cannot fail to give satisfaction, and as cheap as imported clothing of similar quality. Don't fail to see us when you want anything in clothing.
