

# In Search of the Green

## Financial Aid by Inge Dorsey

As I look in my crystal ball (which is green, of course) I can see many students sweating because they didn't get enough money from their Student Loan. Well, have no fear because you can always appeal!

The Student Loan appeal procedure is very simple. Many times, it is just providing the Student Aid office with either more or current information. Hence, they end up shuffling some papers and you get more money. It is as simple as that ... almost. You must properly complete the pink Appeal form and the yellow Earning Verification form and send them in (only government could be so complicated).

The Student Aid office doesn't usually start processing appeals until October, so

the earlier you send yours in, the sooner you will hear from them.

If this article has totally confused you, not to worry, you still have one course of action, visit your friendly neighbourhood financial aid advisor and you can find her in the Department of Student Services, first floor Main Building, at the following times:

Monday 10:30 a.m. — 1 p.m. and 2-3 p.m.;

Tuesday 9-11 a.m. and 2:30 — 4 p.m.;

Thursday 9-11 a.m. and Friday 10:30 — 11 a.m. or other times by appointment.

Have a good week!

# Baha'i Studies

The Association for Baha'i Studies (ABS) at U.P.E.I. wishes to extend the warmest welcome to those students who have this year enrolled at U.P.E.I. in their pursuit of higher education and understanding of the world's sciences and arts. Most of you will not have heard of this Association until ten seconds ago, so here is a very brief description: The ABS at U.P.E.I. was estab-

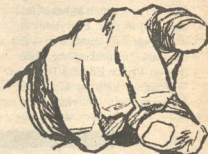

lished in 1984 as a sub-organization of the Student Union, with a written constitution. The purpose of the ABS is to study the principles and the teachings of the Baha'i Faith and see how they apply to our everyday life. Examples of studies done last year are: oneness of mankind, unity of religions, equality of men and women, the role of youth in society, etc.

We also organise mini-conferences, get-togethers and parties to which everyone is welcome. There have been regular articles in "THE GEM!" since last year, dealing with many topics, among them the problem of drug and alcohol addiction, Universal Peace etc. and we are going to keep that up because we received a lot of positive response and encouragement.

Membership to the ABS is open to all students at U.P.E.I. and there are NO DUES to be paid. For more information about the ABS and our plans for this year, feel free to call me at my home number 892-1880, or leave a message at the Barn. I will be glad to get back to you.

Again, good luck.
