LEAD SERIES 3-0

Summerside Edges B.Y.C.

Summerside Awarded Game At 17 Minutes Of 3rd Period

Lorne Hennessey's astonishing Summerside Aces made it three in a row over the Basilica Youth Club at the Sports Arena last night when referees Jack Kane and Don Whelan handed them an awarded game as a result of one of the wildest riots ever seen at that Charlottetown ice palace.

Aces were leading 3-1 with 2 minutes and 45 seconds remaining in the rugged game when B.Y.C. players became more than somewhat upset at the heckling being dished up by a large group of Western fans. Just after Vance Harris slipped a backhand shot behind Thane Doyle for the third Summerside goal B.Y.C., players tangled with fans near the youth club bench. Order was just being restored when another rukus broke out at the north end of the rink where Thane Doyle became involved with the spectators.

PEACEMAKER

Coach Ready hopped over the boards in the roll of a peacemaker but couldn't do much to stop the riot which was only really getting underway.

The youth club goaltender climbed right over the top of the screen at the north end of the rink to mix it with a heckler and the fans swarmed all over the ice. When their plea to clear the ice fell on deaf ears, the hard-pressed referees awarded the tussle to the Aces, who had no part in the goings on.

Tempers flared anew after the decision to award the game was announced with youth club players going after more hecklers near the penalty box. After the players finally left the ice fans continued to battle among themselves despite the efforts of police officers to quel the riot.

Up to that point the game was quite an exciting affair. Both teams were checking closely but in spite of this there was plenty of wide-open and fast play.

GAME SATURDAY

With their third straight victory under their belts, the Aces renew hostilities with the B.Y.C. in the best-of-seven series for the Island Hockey League championship and the Sports Arena trophy at Civic Stadium Saturday night.

Harris, Gord Cutcliffe and Coke Grady fired the three Aces goals. Merrill Pineau got the lone B.Y.C. marker.

Thirteen penalties were called during the fray. Aces were tagged with eight of them and all were minors.

The first 20 minutes ended without a score and Thane Mann was hot in the Summerside nets turning aside 10 shots while Doyle was tested on six drives, a couple of which were labeled. Cutcliffe tipped in Coke Grady's passout from the corner for the first goal of the game at 1.00 of the second period.

The Aces hung onto their slim margin with the tenacity of wolves and checked the B.Y.C. so closely that scoring chances were few and far between.

Cutcliffe and Grady combined again at 12.52 of the third period. Cutcliffe slipped a face-off pass to Grady parked in front of the B.Y.C. cage and the stocky Aces forward caught a corner with a low backhand.

B.Y.C. SCORES

The youth club finally managed to break the great big goose-egg being racked up by Mann when Whitlock battled furiously for a puck behind the Aces cage. His pass came rolling close to the open corner of the net and Merrill Pineau made a lunge for it and tapped it in with his stick.

A little more than a minute later B.Y.C. were pressing hard when Whitlock's passout went astray and landed on Vance Harris's stick. Harris broke down the ice with Art Perry covering him, but the Summerside centerman's backhand from a difficult angle about 10 feet out caught the far corner.

The game didn't get any farther than that as the players and fans staged their big battle.

B.Y.C. came out in the first period as if they meant business and in the first 10 minutes fired 9 drives at Mann. Spy Ready had the best scoring chances of the period but Mann covered the short side on his first try and his second drive caromed off the post.

In that period Doyle came through with a great save of Harris and Shepherd had a good chance from in close but hit the side of the net.

MISSES NET

Near the 9-minute mark of the second Whitlock had a golden opportunity to knot the count but his roller from about 5 feet out missed the corner by plenty.

Wally Shepherd had a goal on his stick after Doyle made two brilliant stops of MacArthur and Gallant in the third but Art Perry blocked his drive at the gaping net.

Eustace Reeves went off at 9.09 for tripping Ready and the Youth Club turned on the furnaces. During this 2-minute manpower shortage Mann came through with one of the key saves of the game when he turned aside Ready's smoker with a skate.

CHATTER....Youth club players reported last night that fans were pelting them with small bits of rice and some not so fond language.....Mann came mighty close to the first shutout at the Arena this year but it seemed to be only a matter of time before the youth club would score....Merrill Pineau played a fine game for B.Y.C. as did Lloyd Shepherd.....The Summerside defence of MacArthur, Steele, Reeves and Grant Grady stole the show for the Aces...They gave Mann some terrific protection.....Should be a bumper house at Summerside Saturday .....nearly 1800 fans saw the tussle.

Minor Hockey Finals At The Sports Arena Saturday Night

Saturday nite at Sports Arena another busy and successful hockey season for Minor hockeyists will be brought to a close with the Annual Minor Hockey Night. This big night for the young fry consists of four playoff hockey games and a skate for all.

In the hockey games City Titlists will be decided in Paperweight (under 10 yrs Aug. 1st, 1956) Pee Wee (under 12 yrs 1 Aug 56), Bantam (under 14 yrs 1 Aug 56) and Midget (under 16 yrs 1 Aug 56) brackets.

Since November 1st under the sponsorship of the Abegweit Club and Ch'town Playground Commission and with all kinds of co-operation from the Arena management young folk from the following schools in and around Charlottetown have all been offered a chance for either hockey or skating weekly:- Winsloe, the Royalties, Parkdale, Spring Park, Southport, Queen Charlotte High, Prince Street, Queen Square, West Kent, Model, Notre Dame, Rochford Square.

All schools but Notre Dame and Rochford Square were limited to hockey. Notre Dame and Rochford Square had a skating period each, weekly. In all, 34 age group teams, from Paperweight to Junior class, were organized and practiced and played during the season.

Efforts were made to get school and open girls teams out as well but there was no interest in organized hockey displayed by the girls so the time stated for them was used for other activities.

Also included in the programme were City Interscholastic and Provincial Playdowns and by way of innovation, an Island Pee Wee Tourney and Playdown Tourneys in each age group to select team to represent the City in Island Playdowns. Of the six Minor Island Titles City teams took 5 this year.

Junior and Juvenile Crowns were taken without competition and Midget Bantam and Paperw't titles were taken in finals with Summerside. The sixth ch'ship, that in the Pee Wee class was won by the smart little Crapaud sextette which eliminated Prince Street schools City Champs.

Charlottetown's Minor Hockey effort is second to none for a City its size. With very little encouragement from parents a few interested citizens have kept it going. These same few have been on hand regularly all winter to do their best to help the young people — coach them a bit try to see that they all get a turn on the ice, look out for them should they be injured, keep records, etc.

The whole project is a voluntary effort and more workers are always welcome. It has usually been found, too, that once men get interested in the project that they derive such fun and satisfaction out of seeing the young people improve, etc., that they really become more enthusiastic than the young people themselves, if that is possible.

During the season to be completed Saturday evening, from 700 to 1,000 young people of the City and surrounding areas have taken advantage of this program. There has been no fee charged at any time to the participants. However, this Saturday night - Minor Hockey Night it is hoped that every boy and girl who enjoyed the program and every parent of participants will buy a ticket to help boost the much - needed funds which must be raised to pay off the season's ice rental.

Buying a ticket and being on hand Saturday evening will encourage those who keep hockey alive in our City for the young folks and will help ensure that the programme will be continued another year.

Saturday nights program will get under way at 7.00 p.m. sharp when Model - Southport Paperweights Cubs play the second of their home-and-home games for the City Paperweight Crown.

The second game of the evening will be a tussle for the Pee Wee Title and will bring together QSS Rangers and Model - Pkdle Rockets.

The third playoff of the nite will be the Bantam bracket. In this class two evenly matched squads Royals - Arrows and Whirlwinds after a 2-all tie will decide a city winner as they meet in their second of home-and-home games. Both these teams come from Queen Charlotte High School.

Final game of the evening brings together Midget Abbies aand Royals also in the second of home-and-home games for the City Championships.

Rounding off the evening will be a skate for all. All that is needed now to make it all a big success is the necessary large number of paying customers. It is a big night for the youngsters. Let's show them we're interested in them.

Montreal Defeats Boston Take 3-0 Lead In Series

By W. R. WHEATLEY
Canadian Press Staff Writer

BOSTON (CP)—Montreal Canadiens struck for three big goals in the first period tonight, two by Bernie (Boom - Boom) Geoffrion, to roll over Boston Bruins 4-2 and take a 3-0 lead in the Stanley Cup final.

Canadiens broke in front with an attack that briefly disorganized the Bruins. The Bostonians struck back for the only goal of the second period — their best of the game—and shared goals with the high-riding Canadiens in the third.

Floyd Curry and Phil Goyette added to Geoffrion's two goals and Don McKenney and Fleming MacKell scored for the Bruins.

The Canadiens had too much fire power for the Bruins although the Montrealers were outshot 25-21. The Boston attack most of the time lacked cohesion. The Bruins were subjected to stiff checking and found goalie Jacques Plante of Montreal in top form.

UNEXPECTED SUDDENNESS

Canadiens hit with an unexpected suddenness in the first period and the Bruins were fighting from behind from there on. They started out playing much the same kind of game as they did in Montreal Tuesday, when they were blanked 1-0, and were paying particular attention to checking.

Once Canadiens moved int othe lead the Bruins were forced to gamble on a more open offensive, playing all men up during most of the second period and the latter part of the third.

Canadiens now become almost prohibitive favorites to retain the championship they won last year. The fourth game of the best-of-seven series will be played here Sunday.

Geoffrion's two goals sent his total to 10 for the playoff series, in five games against New York Rangers in th e semi-final and three against Boston. He is only two short of the playoff record of 12 held by teammates Maurice (Rocket) Richard nad Jean Beliveau.

NEW FORWARD LINE

Coach Toe Blake of Canadiens came up with a brand new forward line that proved one of the best on the ice. Andre Pronovost was benched and Blake made up a line of Phil Goyette at centre, Don Marshall—normally a defensive forward, on right wing.

The line accounted for two goals. It played against the Boston line of Cal Gardner at centre and Vic Stasiuk and Johnny Peirson on the wings. The Bosto nline, about the best trio in the last game in Montreal, failed to figure in the scoring.

Montreal's second big scoring line of the Richard brothers and Dickie Moore seemed unable to get going all night. They tied up by Fleming MacKell, Jerry Toppazzini and Larry Regan.

The Boston threat of bumping Canadiens into submission at the start of the game failed to materialize against the quick scoring thrusts the Montrealers unleashed.

Geoffrion startled the capacity Boston crowd of 13,909 before the game was two minutes old with a whistling shot to give Montreal the lead.

He took Bert Olmstead's pass, swung around defenceman Doug Mohns and blasted a 30-footer past goalie Don Simmons who was a split second slow moving to block it. The goal came at 1:30.

Geoffrion got his second of the night at 19:54 on a power play while Boston was shorthanded.

Boston came roaring back in the second period, as Montreal tried to play kitty-bar-the-door hockey. The pressure pald off with Bostons' first goal on a shot by Don McKenney at 6:16.

Boston couldn't dent the Montreal defence, backed by sterling play by goalie Jacques Plante.

Boston continued the pressure in the third, but superb play by Plante kept them off the score sheet.

Montreal took advantage of Boston's defensive slackness at 7:31, when Paul Goyette scored to make it 4-1.

Flem MacKell finally broke the Montreal defence at 19:15, with Bostons' final goal, but it was too late to stop Montreal taking a stranglehold on the Stanley Cup.

Ch'town Abbies Defeat Sydney

SYDNEY (CP)— Pint-sized pivotman Billy Mulligan and rangy netminder John Blatch combined their talents here last night to pace Charlottetown Abbies to a 6-5 verdict over Sydney Academy in the opening game of their two-game series for the Maritime Juvenile Hockey Crown.

Mulligan rapped in four goals in the third period as Abbies erased a 4-2 lead taken by Sydney in the second stanza, including the winner with three seconds of play time remaining. While Mulligan was starring up front, Goalie Blatch was breaking the hearts of the hard-driving Sydney boys with his uncanny puck-stopping. He was credited with 46 saves for the game.

Mulligan's one-man scoring display featured the wide-open contest. He also earned himself an assist on Abbies second goal of the game by Lantz. MacWilliams shot the other Charlottetown goal.

Two youngsters still of midget age did the mail-carrying for Sydney. Husky Wayne Synishin and Ernie Boutilier each sniping a pair. The singleton went to Jackie MacKeigan.

It was 1-1 at the end of the first. Abbies took a 2-1 lead early in the second but late in the period Academy broke loose for three goals within the space of 27 seconds and appeared headed for an easy win.

But their moment of glory was brief. Mulligan and his mates took charge in the third, never stopped trying and were rewarded with a one-goal series lead when they clash in the final contest at Charlottetown tonight.

Abbies drew seven penalties, Sydney six. Included were majors to Irving Campbell of Sydney and Abbies' Stewart for a scuffle in the third. Charlottetown Captain George Trainor drew a 10-minute misconduct for abusing the referees in the second, seconds before Academy's three-goal splurge.

Albany St. Pats Ch'ship Winners

Albany St. Pats spotted Freetown Royals a goal early in the first period but rolled back to down the Royals 4-3 and win the South Shore Hockey League championship before a bumper crowd of 800 at Bedeque Rink last night.

Willis Mills gave the Royals their short-lived lead at 2.45 of the opening stanza but Delbert Dawson scored twice before the period ended and Ron Cameron made it 3-1 with a goal in the second. Pat Noonan sandwiched the winning goal between markers by George Reeves and Walter Campbell in the third.

It was a hard-fought game and a crowd-pleaser with only 3 penalties being called.

Ron Cameron set up three goals and fired another for a big 4-point performance.

The victory marked the third hockey title for St. Pats during the winter's activities. Earlier they captured the Pre - Christmas League title and the Island Intermediate "B" A.A.U. of C. title. They will now play the winner of the North Shore League in the best-of-three series.

Following the game trophies were presented:

Everett Francis presented the Simmons and MacFarlane trophy to captain Ron Cameron of Albany as emblematic of the league championship.

League President James Clark presented the Hon. Horace Wright trophy to Captain Clayton Mills of Freetown as top team during the league.

Albany received the J. Frank Arnett Trophy for finishing in second place during the schedule from league vice-president Ira Crozier.

The league's top scorer Delbert Dawson received the Bedeque rink trophy from G.J. Inman and Cameron was presented with the South Shore League trophy by Arnold Henderson as the player receivijg most "star" selections during the year.

Reeves Bros. trophy for the top goaltender went to Allison Reeves of Freetown and Lorne Wright trophy went to Don MacKendrick as the top rookie.

Walter Lawlor presented captain Cameron with the Physical Fitness Trophy for winning the Island "B" title.

Pan-American May Come To Chicago

CHICAGO (AP) — Mayor Richard J. Daley said Thursday Latin American consuls stationed in Chicago have voiced support of his move to have the Pan-American Games of 1959 in Chicago.

A spokesman for the mayor said the Latin American representatives had advised him they had relayed to their governments and to members of their games committees their support of Daley's invitation.

Cleveland has the 1959 games, but may relinquish them because of financial difficulties.
