full time and part time representatives for the folowing areas:—Cape Breton, New Glasgow, Charlottetown, P.E.I., Yarmouth, Digby, Truro, Halifax and Dartmouth or for that matter, anywhere in Nova Scotia.

Savings & Investment Corporation, Savings & Investment Mutual Fund and Savings & Investment Trust Company wishes you to represent them in your area. They offer all the services of the financial field to the public. You can be our representative, either part time or full time. Above average earnings are possible in this field with drawing accounts, etc., being arranged, if necessary.

I would like to have a chat with you briefly regarding what we have to offer the public. You would be amazed how easy and how lucrative this product is to sell. We want you to show people how to save as little as $5.00 per month or invest as much as one million dollars in our Trust Company or Mutual Funds. Sales experience isn't necessary but, of course, would be of considerable assistance.

We need men or women, not under 25 years of age who are interested in supplementing their income on a part time basis with our company or starting full time in the investment field. It would be to your advantage to drop me a line and arrange an interview in the very near future.

We have well equipped offices in the Maritimes and a thorough training course will be given free money to have a chat with me about the investment business in general. Write, giving as much detail as possible about your background and present position to:—
