To Kill Land Leaguers

WAS WHAT THE MYSTERIOUS 'HERDS' LEAGUE WAS FORMED FOR.

Mr. Davittt opened his own case before the Parnell Commission on Friday. The first witness he called was Mr. Loudon, ex-member of parliament, who testified that periodic famines occurred in County Mayo owing to rack rents. Witness assisted in founding the Mayo branch of the league. It never voted a farthing to foment crime. The murders of Lymen, Hood and Cavanagh were the work of the Herds league, a part of whose policy was to shoot land leaguers The Herds league was in the pay of the police. It was organized by Whelan, who lost his life in consequence. Presiding Justice Hannen questioned the witness, who persisted that the police incited the outrages perpetrated by the Herds league. Witness said he did not inform the authorities because he would not put himself on a level with an informer. He had frequently denounced the Herds league publicly.

In his own examination, Mr. Davitt said he did not know the whereabouts of the books of the Ladies' League. He was also ignorant as to the manner in which the £70,000 that had passed through the ladies' league had been expended. The fenians' blacklist, he said, was a list of persons who had been expelled from the organization either for stealing funds or for blackguardly conduct. He thought the best means of deterring men from crime was to discover the real criminal when the law had been violated. He considered that the Widow Walsh acted nobly in sacrificing her son rather than turn informer.

THE BRAIN (from a photograph.)
In Healthy Condition. *With Paresis Lesions.*

There are many well known men confined in our Asylums who but a short time ago were prominent among our business and social circles.

Why are they there?

Paresis!

Did it come on at once?

Not at all. It was a gradual but positive growth. They overtaxed nature. The drain on their vitality, their nerve powers, their brain tissue, was too great, and they gradually but surely sank under it. The things they did to bring this sad end about are precisely the same things that are being done by thousands of men and women to-day. It is not necessary to name them. They all end disastrously unless checked or regulated.

Prof. Phelps, of Dartmouth College, knew this fully when he began his experiments which resulted in the discovery of the wonderful Paine's Celery Compound. He realized that paresis (consumption of the brain) was our great National weakness. He knew that the brain and nervous system must be fortified to meet the great strains which modern life bring upon it. He saw that men were becoming debilitated and women weakened by the pressure and demands of life, and he sought and discovered the remedy Paine's Celery Compound, if rightly taken, will renew the brain and build up nerve tissues as fast as they become exhausted. It is not a narcotic. It contains no drugs, no nostrums. It is perfectly pure. It is absolutely harmless. The high character of its discoverer guarantees this, and the indorsement of the medical and chemical professions prove it.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**
