

THE WINNERS of the Summerside Legion sponsored crib tournament receive their handsome Capitol Theatre plaque from Legion members at a banquet held in the Legion Home Wednesday evening. (Left to right): Alyre Arsenault, retiring president of the tournament, Earle Arsenault, secretary-treasurer, Joe Clark, master of ceremonies at the banquet, and "The Collins Kids" as they were known throughout the tournament, Mrs. Oliver Sonier and Mrs. James Puddifant.

Burglars Hit 3 Spots In Borden Wednesday Night

The retail vendor shop, a service station, and a grocery store were targets in three breaks at Borden sometime Wednesday night, with theft committed at each place.

At the vendor store upwards of \$250 of liquor was stolen as thieves repeated the pattern of a break made there only a week ago by breaking into an unoccupied apartment adjoining the store, and smashing a hole through a wall that separated the vendor store from the apartment.

Ironically, the exact same route was followed in this latest break, even to smashing through the spot recently repaired following the previous break. The theft was discovered about 7 a.m. yesterday by Mr. George Ceretti when he called at the apartment on his way to work at the C. N. R. The R. C. M. P. at the Borden detachment are conducting an investigation into both these breaks.

At the Borden Service Station entry was made by smashing through a 30 x 22 window at the back of the building. Merchandise taken in this break included watch straps, cigarette lighters, about three dollars in nickels, and about a dozen cartons of cigarettes. Although the loss is estimated in excess of \$50. This break was discovered by the service station manager George Jay about 8 a.m. This has been the second or third break at this service station in the past six years.

At the grocery store of Mr. Norman Allen, across the main street from the service station, entry was also made by smashing through a rear window of this building.

Among the items taken were a wrist watch valued at \$50, groceries worth about \$10, and various items taken included two flashlights, cakes, pastries, tobacco, candy, soft drinks, and drug sundries.

The break was discovered by Mr. Allen when he opened the store shortly after 8 a.m.

This has been about the third break here in seven years.

A box containing merchandise taken in the latest break at this store was discovered hidden under a barn in Borden.

Although an R. C. M. P. detachment is located in the town of Borden police duties within the town are said to be not the responsibility of the R. C. M. P., with the exception of matters in respect of provincial and federal properties within the town limits.

Leather suit case containing men's shirts, socks, pants, and top coat; and another item stolen was Westclox cream-colored alarm clock.

Entry was made to the house by smashing through a basement window leading into a storeroom and then forcing a door opening into the basement from which stairs led to the main floor of the home.

The house had been vacant during the afternoon, and the break was discovered by Alan when he returned home in the evening.

"Abegweit" Off Run For Overhaul

MONCTON, — The car ferry MV "Abegweit", operating between Borden, P. E. I., and Cape Tormentine, N.B., has been taken out of service for annual dry-docking, and will be off the run for the next few weeks, the Canadian National Railways announced today.

In the meantime the service will be carried on by the SS "Prince Edward Island", supplemented by the SS "Scotia II" as and when required.

Many S'Side Y's Men Going To Convention

A large attendance of Summerside Y's Men at the regional convention in Charlottetown, May 24th, is indicated by plans made last night at the Summerside Y Centre on Green Street during the club's regular supper meeting with Dave Morrison presiding.

In preparation for their entry in the choral singing competition in the P.E.I. Music Festival, the club participated in a rehearsal of the song "D'Ye Kin John Peel".

Attendance of Y's Men and their families at the Polo Clinic in the auditorium this week was urged by Charles Linkletter.

Only 59 Attend Polio Clinic In Summerside

With preparations made to provide several hundred anti-polio inoculations in Summerside yesterday afternoon and evening, only 59 persons reported at the clinic held in the basement meeting room of the Civic Auditorium.

Officials of the clinic expressed their disappointment at the small turnout, and warned that the final 1st inoculation clinic being held in Summerside today from 2.00 to 5.30 and from 6.30 to 8.30 p.m. will definitely be the last opportunity for citizens to receive their first or three anti-polio inoculations in this area.

The second inoculations will be done in about a month, and the interval to the third and final inoculation will be at least seven months.

WE GOT A REAL TRUCK!

W. R. DWYER
Manager
Canadian Wiper Corporation

"Wouldn't use any other make!"

W. R. Dwyer

"The first truck we bought when we went into business 10 years ago was a GMC one ton panel job. Of the 25 trucks purchased since then, 23 have been from General Motors. We need reliability—our trucks have to stay on the road, seven hours a day, six days a week. GMC trucks give us that reliability. When things do go wrong, we need fast service and we get it from our GMC dealer. *Wouldn't use any other make!?!?*"

S. V. MARTIN
President
Strathdee Transport Ltd.

"GMC provides the greatest selection of all!"

S. V. Martin

"These new 9600 Series stake body models are already giving good service—on every kind of road—with all manner of loads. About GMC in general, we know that for G.V.W.'s, models, engines, axles and transmissions — every possible specification — GMC provides the *greatest selection of all!?!?*"

W. H. MALE
Vice President and General Manager
Direct Winters Transport

"Our drivers really like GMC's!"

W. H. Male

"We have relied on the efficient performance of GMC trucks for many years and have always found them completely satisfactory. Maintenance costs have been low and our drivers really like GMC's! Now, with our new '58 models, we are anticipating even greater success and satisfaction for the future."
