AT LAST! A food prepared especially for cats and kittens!

Puss 'n Boots

The world's most famous **CAT FOOD**

Now in Canada—at your grocer's!

Cats love fish... cats need fish... it's their natural food. Puss 'n Boots is by far the best food for cats and kittens because it is specially made from fresh whole fish... combined with many other valuable health-building ingredients.

Puss 'n Boots supplies the proteins, minerals, vitamins and carbohydrates found in salmon, beef, liver, milk and food from the table... but in greater abundance and far better balance. Feed your cat Puss 'n Boots regularly for 2 weeks. If you don't notice added energy, silkier coat, brighter eyes and new alertness, your money will be cheerfully refunded.

Made from Fresh Whole Fish!

- For playful pep**—Your cat needs food energy. An 8 oz. can of Puss 'n Boots contains more food energy than one large filet of codfish steak.
- For a glossy coat**—Your cat needs the proteins and liver oils of fresh whole fish. Puss 'n Boots supplies these in abundance.
- For strong bones**—For health and development cats need protein. An 8 oz. can of Puss 'n Boots contains more protein than 3 slices of beef liver.
- For bright eyes**—Keen, clear sight comes from Vitamin A. Just one 8 oz. can of Puss 'n Boots contains more Vitamin A than 3 glasses of milk.
- For purr-fect disposition**—Puss 'n Boots specially balanced ration is easily digested—makes for contentment and good disposition.
