Poteen
This wild west of Ireland is the natural home of "poteen," or illicit whisky. This is because the loneliness and remoteness of the spots chosen for making it, almost inaccessible through the mountains and bogs save to those who know something about the country, are all in favor of the smugglers escaping detection, while its network of mountain lakes and small running streams affords the necessary cold water for condensing the distilled fumes into spirit during the cooling process.

Dear beyond any "parliament whisky"—by which expression he denotes that sort which has paid the tax imposed by the brutal Saxon government—is this fiery fluid to the heart of every true peasant son of Connaught, and daughter, too, for that matter, for the fair sex, especially if at all up in years, takes its fair share. And, in the interest of truth, it must be added that those who inhabit the coast counties from Kerry to Donegal, inclusive, are also fully alive to its seductive merits. Indeed, many doctors—local, of course—will tell you that well made poteen is better in sickness than the adulterated whisky usually met with in the small public houses in this region of poverty, for in the Connemara country at any rate the illicit whisky is made of pure malt, though rumor has it that the less particular palate of Donegal, for instance, is satisfied with a fire water mainly made from molasses, potatoes—aye, sometimes from almost any other rubbish you please.—Chambers' Journal.

ITCHING PILES. . .

Positively and permanently cured by Dr. A. W. Chase's Ointment.

Dr. A. W. Chase's Ointment is an absolute cure for piles, and has never been known to fail to cure the worst forms of this disease which has baffled medical skill for ages.

This statement may sound rather strong to persons who do not know the superior merits of Dr. A. W. Chase's Ointment, but it is perfectly true, and heartily endorsed by the grateful testimony of thousands of men and women who have been cured by it after years of suffering, and after trying many preparations and consulting the best doctors.

Mr. H. Bull, Belleville, Ont., says: "I take pleasure in stating that after thirty years of suffering with Itching Piles, Dr. Chase's Ointment has completely cured me. I tried every remedy that was advertised, with little or no benefit, but as I have told different persons affected as I was, Dr. Chase's Ointment made a perfect cure."

Dr. Chase's Ointment has a record of cures unparalleled in the history of medicine. It is guaranteed to cure any case of piles. For sale by all dealers, or Edmansons, Bates & Co. Toronto.

Patrols on Russian Railroads.

The Transsiberian railroad is very closely guarded, the management feeling personally responsible for the people they carry on their trains. The road is divided into sections of one verst, or five-eighths of a mile. In a neat little log house, usually in a garden, live the guard and his people. The average family is a wife and five tow-headed children. The houses were built by the company and evidently with a view to meeting the demands of increasing families. The guard or a member of his family must patrol his section night and day. He steps to the side of the track as the train approaches and after it has passed steps back into the middle of the track, holds a small green flag in the air, at night a lantern, and stands like a statue until the train has entered the next section. Several guards do duty in the heavy curves, and frequently they are only a few hundred feet apart.

Much of the track patrolling is done by women, who have proved fully as reliable as the men. The women are nearly always barefooted, and as they stand on the track holding the flag aloft, a Siberian breeze toying with their short skirts, they are fine subjects for a sculptor after a unique model.—Siberian Letter in Chicago Record.

Seeing and Knowing.

An eminent lord chief justice who was trying a right of way case had before him a witness, an old farmer, who was proceeding to tell the jury that he had "known the path for 60 year, and my feyther towld I as he heard my grandfeyther say"—

"Stop!" cried the judge. "We can't have any hearsay evidence here."
"No!" exclaimed Farmer Giles. "Then how dost know who thy feyther was, 'cept by hearsay?"

After the laughter had subsided the judge said, "In courts of law we can only be guided by what you have seen with your eyes and nothing more nor less."

"Oh, that be blowed for a tale!" replied the farmer. "I ha' got a bile on the back of my neck, and I never seed 'un, but I be prepared to swear he's there, dang 'un!"

This second triumph on the part of the witness set in a torrent of hearsay evidence about the footpath, which obtained weight with the jury, albeit the judge told them it was not testimony of any value, and the farmer's party won.

Grandfather's Hymns.

The Contributors' Club in The Atlantic gives some information concerning "grandfather's" hymns: "Imagine them and their good wives gathered in the New England meeting house, trolling forth such 'spiritual songs' as the book preserves for us:

"Then, blooming friends, a long farewell;
We're bound to heaven, but you to hell.
Still God may hear us while we pray
And change you ere the burning day.

"And, be it observed, this 'burning day' to them was something as definite as washing day. This was none of your vague purgatorial way stations, but as fiery a pit of torment as the imagination can well conceive. Here is a glimpse of it:

"Hark, the shrill outcries of the guilty wretches!
Lively bright horror and amazing anguish
Stare through their eyelids, while the living worm lies
Gnawing within them."

A WARNING TO ALL

Mrs Elizabeth Berry Stopped Taking Dodd's Kidney Pills after Trying only One Box.

Not Being Cured Instantly, Was Disappointed—Three Years After Tried Dodd's Kidney Pills Again.
Twelve Boxes Completely Cured Her.

BEAR RIVER, N. S., April 23.—A great number of worthy people, both in Nova Scotia and the other maritime provinces have in time past fallen into the error of thinking that Dodd's Kidney Pills will cure their diseases—often of long years standing—almost instantly. They follow the directions and take Dodd's Kidney Pills regularly for the first few days, and are then disappointed if their health is not restored.

Dodd's Kidney Pills are the promptest and most speedy remedy for kidney diseases ever known on this earth and they have almost performed miracles in snatching people out of the very jaws of death, but they will not do impossibilities. No medicine ever invented will cure kidney disease like Dodd's Kidney Pills. But they want a fair chance. A doctor doesn't cure a patient of fever in two or three visits. It takes time. So with Dodd's Kidney Pills.

The case of Mrs. Elizabeth Berry, of Bear River, published recently, is typical of hundreds of others throughout the country. Impatience to be cured, lack of perseverance in taking the medicine, foolish belief that it will cure chronic diseases in a few days, these causes are responsible for the only disappointment ever occasioned by Dodd's Kidney Pills. If they are given a fair, honest chance, Dodd's Kidney Pills will cure Kidney Disease every time. There is no question about it. They have done it a hundred thousand times before.
