

Beavers Dump Capitals; Moncton Drops Ramblers

SAINT JOHN, N. B. (CP)—The Palladino-Rubie-Jones line combined for four goals Wednesday night in sparking Saint John Beavers to a 4-1 triumph over third place Fredericton Capitals in an Atlantic Coast Senior Hockey League fixture. Beavers took the league leadership one point ahead of Amherst Ramblers.

Vip Palladino scored three times, Ron Rubie, Gerry Smith and Wally Kullman had singles. Fredericton scorers were Buck Whitlock, Doug McPhee, Ralph Miles and Bob Leger. After a 3-0 first period, only another Beaver tally kept Fredericton from knotting the count in the second. Leger made a 4-4

seconds after the third opened and 15 minutes passed before Kullman shot the winner. Rubie followed with less than two minutes to go. Caps dressed only 10 players and were limited to two forward lines against a total of 13 Beavers.

MONCTON, (CP)—Paced by the Billy Sinnett-Ray Lacroix-Ivan Houle trio, Moncton Hawks dropped Amherst Ramblers 5-2 Wednesday night in an Atlantic Coast Senior Hockey League game. The win hoisted Moncton, league cellar-dwellers, to within three points of third place Fredericton Capitals. Ramblers dropped back into second, leaving Saint John Beavers in sole possession of first place.

Island League May Make Fans Forget Islanders

If Tuesday's opening game of the P.E.I. Senior "B" League is any indication of the type of hockey we are going to see around these parts during the winter not many fans will be sorry that the big-time hockey has left Charlottetown. The Saints - Aces game had just about everything that goes to make a game exciting and enjoyable and we would venture a bet that not one of the 500 fans went away from the Sports Arena dissatisfied.

Apparently, after five years of watching major hockey, there are a lot of fans that can't get used to anything that goes to make a game exciting and enjoyable and we would venture a bet that not one of the 500 fans went away from the Sports Arena dissatisfied.

Virgil Trucks Traded To Detroit Tigers

COLUMBUS, Ohio (AP) — Detroit Tigers re-acquired pitcher Virgil Trucks from Chicago White Sox Wednesday for outfielder John (Bubba) Phillips in a straight player deal.

Trucks, 36, had a 13-8 won-and-lost record with the White Sox last season. He appeared in 32 games and pitched seven complete games, finishing with an earned run average of 3.96. He walked 60 and struck out 91 in 175 innings.

The veteran six-footer is a right-handed pitcher. Phillips, 25, batted .234 for the Tigers in 95 games and drove in 23 runs.

The deal was concluded at the minor league meeting by President Spike Brigs, General Manager Bucky Ruel and manager Bucky Harris of the Tigers, and Vice President Chuck Comiskey and manager Marty Marion of the White Sox.

The eastern squad under coach Doug (Peahead) Walker of Montreal Alouettes has been drilling twice daily since Tuesday on the back campus of the University of Toronto.

PLANS LIMITED Walker and his assistant, Jimmy Dunn of the Alouettes, have been working hard in whipping the eastern team into shape. Walker said his two quarterbacks, Tom Dubinski of Argonauts and Sam Echeverry of the Alouettes, will have about 10 plays to use. He said that under ordinary conditions a team of his would have about 20 plays.

"We can't make things too complicated with so little time to practice," he said. "We have two good passers in Echeverry and Dubinski, so we'll throw a lot. There's not enough time to develop a strong ground attack, but we've got enough good runners to make it interesting."

There has been no indication from Walker he plans to try to stop the West's expected ground offensive. His Alouettes couldn't hold the Eskos along the ground in the Grey Cup game, but in the all-star clash his defensive forces are much stronger, including such former National Football League standouts as Billy Shipps and Bill Albright of Argonauts.

The Iron Curtain invaders also seemed to discipline themselves against a too drastic retaliatory checks. It looked as though they wanted to learn the rugged style but also how to extricate themselves when necessary.

JAR EUROPEANS The Soviet skaters, comparative newcomers to international hockey, are gradually building up resistance to hard-hitting style of play that unnerved them in the world championships last February. Canada's 5-0 victory then was partly credited to robust body checking. "They're gradually catching on," says hockey-wise Richard Red Stapleton of Stratford, Ont., an Ontario government official in London who has scouts keeping tabs on the Russians.

ON BRITISH TOUR The Russians are here on a three-game exhibition tour against teams — predominantly Canadian — of the English National League. They faced Haringey 1-1 last Saturday and just scraped out a 5-4 triumph over the same team Monday night. They meet Wembley Lions Thursday and then leave for Stockholm on another stage of their preparation for the next world championships, scheduled for Cortina d'Ampezzo Italy Jan. 26-Feb. 5 next year.

The second game against Haringey showed that the Russians, supremely fit thanks to frequent weight-lifting sessions, are frequenting to playing for keeps. British crowds, brought up on a blend of Canadian toughness and continental agility, were surprised to see the old Haringey player spilled in a collision with a Russian.

All-Star Teams Step Up Training For Big Game

TORONTO, (CP) — The eastern and western all-star teams will meet in Canada's first all-star football game here Saturday stepped up their training programs Wednesday as the weather turned warmer following two days of bitter cold.

This was the first near-ideal day for the workouts since the all-stars began assembling.

The western team, whose training headquarters are at Hamilton, held its first workout in which all 27 players took part. Coach Frank (Pop) Ivy of Edmonton Eskimos and the 14 Eskimo players named to the team arrived in Hamilton only Wednesday.

Montague Primroses Play Parkdale Flyers Tonight

The Montague Primroses and the Parkdale Flyers will be making their first starts of the season in the Island Senior "B" Hockey League this evening at the Sports Arena.

The league got underway to a crashing success Tuesday night when the S.D.U. shaded the Summerside Aces 4-3 in a bitterly fought, surprisingly fast game.

The Primroses and the Flyers have been working out for the past few weeks at the Arena and when they take to the ice tonight will be in fine early season shape.

Both teams have a high-scoring roster of forwards and both have a world of blue-line strength and experienced goaltenders.

The Flyers are well set with two top-flight netminders to choose from Sheldon Jordan and Frank Roper are two puckstoppers with many years experience in Island hockey and Roper has seen service with the Charlottetown Islanders when they were performing in the Maritime Major League.

Five big rugged defencemen will be making life tough for incoming forwards on the Flyers' blue-line. Junior MacLeod, Ralph Josey, Cuddy Gregory, Pete Hill and playing-manager Barry Moore represent about a half-ton of beef and know-how and all five are experienced men.

Allie Carver and brother Skip are two thirds of the first string forward wall and along with Kip Ready could be one of the highest scoring lines in the league before March rolls around. Bob Hurry, Jim MacLeod and rugged Willie Dunn will form another line. Johnny Squarebriggs and Dave Jardine are the other Flyer forwards.

The Montague Primroses have a team that is going to be pretty tough to beat out for the league title.

The Primroses went all the way to the Island finals in the Intermediate playoffs last year and only lost out to the Summerside Aces after the bitterest of battles in a home and home series, and observes believe them to be a much improved squad for the 1955-56 campaign.

In nets they have Gene Ward and agile goaltender with lots of experience and ability.

On the blue-line they have Harry MacLeod, who last season played with the Milton Hornets, playing-coach Warren MacLack, Ken Clements, Mac MacDonald of the R.C.M.P., and Bob McKarris, and Gordon MacDonald who played a stellar game against the Montreal Canadiens when they performed here.

Dick Carroll, Apps Arsenault and high-scoring Billy
