Farmers' Conventions.

MUCH that is of interest and use to the farmers will be found in the report of the Western Farmer's Convention held at Middleton. By the way, is it not strange that his Association still stands alone? The wonder is that farmers the Province over are not organized for mutual improvement and co-operation. That there is much to be learned by the best of our farmers will be freely admitted. One of the most pleasing, as well as one of the most effective, means of obtaining the information which is required is afforded at these conventions. The agricultural Professor at Prince of Wales College, and some of his pupils, are usually present. Addresses are delivered or papers read in respect to the more important matters connected with the farm; and every subject is thoroughly discussed. In this way, every point of every subject — particularly every questionable point—is made clear and impressed upon the mind. As a practical mutual educator of farmers by farmers, the farmers' convention has no superior. The pity is that, instead of one, there are not many of such organizations in this agricultural Province.

The subjects discussed at the recent meeting included "Farm Yard Manure," "The Adaptation of Manure to Crops," "The Culture of Clover," and the particularly interesting one of "Co-operative Dairying." A very good idea of each will be obtained by reading THE EXAMINER'S report. We hope to be able next week to give Mr. Colin Townsend's excellent paper a full report.

The New Perth Dairy Station.

PRESIDENT SHAW'S first annual report will be read with interest by farmers in every part of the province. The disputed fact that the Province is indebted only to the Government, and particularly to the Hon. John Carling, for the establishment of the cheese factory at New Perth, is made clear in this report. There is in it, also, a good deal of information which will be particularly useful to those who are engaged in the establishment of cheese factories in other parts of the Province. Mr. Shaw has presented his "points" in a forcible and business like way, and he has not forgotten to add a touch of his picturesque eloquence. He is right in his assumption that the New Perth Dairy Station is looked upon as a good example, worthy the imitation of other factories throughout the Province.

—The following quotations from the leading railroad stocks of America at the opening and closing of 1892, show that those of Canada hold a comparatively high position, and that their prices are as well maintained as those of the United States:

—The census of textile industries for 1892, just completed by the Textile World, shows that textile manufacturing was developed in the United States last year in a ratio hitherto unknown. Two hundred and seventy-two new mills, employing 31,500 hands, were built. In cotton manufacturing, the increase in number of spindles was equal to that of the two preceding years. The knitting industry shows an increase of ninety-three mills, distributed over twenty-five states. The woolen, silk and minor industries show gratifying increases. Yet a majority of the people of the States are tired of protection.

ST. JOHN, Jan. 24.—It is announced that Welsh, Hunter & Hamilton, dry goods, of this city, are in financial trouble.

TO DISPEL COLDS, headaches and fevers, to cleanse the system effectually, yet gently when costive or bilious, or when the blood is impure and sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, use Syrup of Figs.

HAWKER'S LIVER PILLS cure all stomach ills. They assist digestion, regulate the bowels and liver, tone the stomach and purify the blood.

Crapaud District Meeting.

Owing to the storm on the tenth, the above meeting was held at Derry Orange Hall, Long Creek, on Tuesday the 17th inst., which was well represented by members from Tryon, Crapaud, DeSable, Appin Road and Long Creek. The meeting opened at 12 o'clock and remained in session until 7 o'clock p. m., with an intermission of half an hour for lunch, which was supplied by the members of Derry Lodge. After the general routine of business, the committee appointed to get up the tea at Crapaud last July, brought in their report, showing a handsome sum in favor of the district, which goes towards starting a benefit fund in this district.

A vote of thanks was tendered to the committee for the great pains they took in getting up the tea, which was replied to by H. W. Robertson, Esq., chairman of the committee. A committee was also appointed to get up a tea next summer, at or near Crapaud, for the purpose of adding to said fund. A nice sum was voted to assist a poor brother, who is rendered helpless through sickness, to supply him with the necessaries of life. The following officers were elected for the ensuing year:

District Master—Bro Wm H Collett.
District Deputy—Bro Paul McPhee.
District Chaplain—Bro Samuel Sherren.
District Recording Secretary—Bro Jas W Villet.
District Financial Secretary—Bro Crisp Moore.
District Treasurer—Bro John McKinnon.
District D of C—Bro Duncan Campbell.
Lecturer—Bro Jas Gamble.

After the officers were duly installed, the Lodge closed in due form by singing God Save the Queen. At the close of the Lodge, Murdock McLeod, Esq., Past District Master, invited all the brethren to his house. After a merry drive through Long Creek, we reached the beautiful settlement of New Argyle, where we were cordially welcomed by Mr. and Mrs. McLeod. In fact, no one could but feel at home with Mr. McLeod and his fair partner, who are ever ready to make any sacrifice for the entertainment of their guests. After supplying the inner man with the good things supplied by our host and hostess free of charge and listening to singing and music rendered by Miss Darrach, of Clyde River, and Paul McPhee, Esq., of Long Creek. We do not wish to particularize, but must say that Miss Darrach's playing and singing was quite a treat to all present, as it is rare to find such an accomplished player and as fine a singer. The following toasts were proposed and duly responded to:

The Queen—Proposed by Bro Murdock McLeod. Responded to by Bro James Gamble.
Prince of Orange—Proposed by Bro James Waddell. Responded to by Bro Paul McPhee.
Provincial Grand Master—Proposed by Bro Neil Shaw. Responded to by Bro Wm H Collett.
Singing—He is a Jolly Good Fellow.
Grand Master J H Bell, Esq—Proposed by Bro James W Villet. Responded to by Bro Wm D Sherren.
Crapaud District—Proposed by Bro John McKinnon. Responded to by Bro John Gillespie.
The Ladies—Proposed by Bro Crisp Moore. Responded to by Bro H W Robertson.
Sister Societies—Proposed by Bro Robert McVitty. Responded to by Bro H W Robertson.

In rising, H W Robertson, Esq, said he intended to propose a toast to our host and hostess, but would move a vote of thanks for their kindness, which was seconded by James Gamble, Esq, and tendered to Mr and Mrs McLeod by the chairman. Mr McLeod replied in a neat little speech on behalf of himself and Mrs McLeod.

After singing Auld Lang Syne we wended our way homeward, all feeling that we had spent a pleasant time, arriving home at the rising of the morning star.

JAMES W. VILLET,
District Secretary.

Hampton, Jan. 23, 1893.

Lecture at Kelly's Cross, Lot 29.

The Hall at Kelly's Cross, Lot 29, was crowded on the evening of the 30th ult., the attraction being the lecture of Mr. McIsaac, of Charlottetown, on "Sir Thomas More." For about an hour the undivided attention of the vast audience was held by the learned lecturer, as in beautiful English he sketched the honorable career of this famous personage of the Tudor period, from the time when, as a beardless boy, he possessed the manliness to demur at the avarice of Henry the Seventh, till, stripped of all the honor which his superiority of head and heart won for him during the first years of the reign of that Sovereign's son and successor, his head was laid on the block.

The order was excellent, each one—learned and illiterate—following the lecturer throughout the entire lecture, proving his magnetic powers as a platform speaker.

To give variety to the enjoyment of the evening, a short musical and literary programme was rendered at the close of the lecture. This, I may say, is almost wholly due to the efforts of our esteemed pastor, Rev. P. A. McElmeel, who takes a great interest in the intellectual advancement of his flock. The following was the programme:

Song and Chorus—"Comrades"..........
.......Master D McQuaid and School Boys
Reading..............Master C McCarthy
Vocal Solo—"Drunkard's Lone Child".....
..........................Miss H M Flood
Recitation............Miss Lizzie McGuigan
Vocal Solo—"Kathleen"...Miss M A Trainor
Song and Chorus—"Excelsior"........
..Little Miss Regina Flood and School Girls
Recitation..............Miss Isabella Askin
"Auld Lang Syne"..........School Children

It would, perhaps, be pertinent to particularize, when all who took part in the programme did so well. Miss M. A. Kelly skilfully presided at the organ, which blended harmoniously with the various vocal selections.

A vote of thanks was moved in friendly terms by Rev. Father McElmeel, and tendered the lecturer by Mr. Bradly, President of the St. Joseph's Literary Society, under whose auspices the entertainment was given. Mr. McIsaac responded in graceful and grateful terms, and complimented the school children and those who took part in the programme on the success of their efforts. After the singing of the National Anthem, the audience dispersed, well pleased with the evening's enjoyment.

A similar entertainment is in store for those who assemble in the same place on Wednesday evening, Feb. 1st, when a lecture will be delivered by Mr. Reddin, of Charlottetown.

SECRETARY.

Blooming Point Debating and Literary Institute.

A large number of the inhabitants of Blooming Point and vicinity assembled in their schoolroom on Monday, the 9th inst., for the purpose of organizing a debating society. After some remarks from those present on the advantages to be derived from such a movement, the following officers were appointed:

President—J A McDonald.
Vice-President—J N McDonald.
Secretary-Treasurer—A Bradley.
Managing Committee—J J McGilvrey, Jos McKinnon, and James C McDonald.

The officers being appointed a subject was chosen for discussion, viz: "Which Causes the greater Misery in the World, War or Intemperance." Mr. Allan J. McDonald was the first speaker, and defined the boundaries of the question, choosing the side of war. Mr. James C. McDonald spoke next, taking the side of Intemperance. The discussion was participated in by Roderick McDonald, A. Bradley, C. McDonald, J. J. McGilvery and several others. At the conclusion a decision was given on the side of war. After tendering a vote of thanks to the chairman, Mr. John C. McDonald, and singing "God Save the Queen," the meeting dispersed.

CICERO.

THIS WONDERFUL STORY
Was Told Mr. Frank H. Colley,
Local Editor of Age, Belfast, Me.

"For 15 years I have been a sufferer from Salt Rheum of head, with its attendant itching and burning. Crusts 1-8 inch thick would form over my whole scalp, crack and bleed. I also had a general Salt Rheum on my body from which I suffered torture. My food distressed me badly and a severe palpitation of the heart added to my suffering, and unfitted me for labor.

LUCIUS H. DUNCAN,
Chairman of the Board of Selectmen of the town of Northport, Me.; member of Maine Legislature for 1885-86.

Physicians said I had CHRONIC ECZEMA, a BAD HEART TROUBLE, and DYSPEPSIA in a severe form. I used many remedies, but received no permanent relief. After taking 6 bottles of SKODA'S DISCOVERY, with LITTLE TABLETS, and using SKODA'S SOAP and OINTMENT, I find myself perfectly cured. Skilled physicians have examined my heart and pronounce it normal in all its functions."
