Local Rink Cops

Jim Burden and his curling rink returned to the Island recently from the annual 'Monctonian' curling bonspiel and the Charlottetown foursome turned in a very creditable performance at the Moncton spiel. The 'Monctonian' is an annual event and it is played over a three day span in three different rinks and on fifteen different ice lanes. The three clubs that share part of the spiel are: the MCA, the Beaver Club and the Beausejour club.

This year's tournament was held during Thursday, Friday and Saturday of last week with 72 teams competing for top honors. The Burden rink is composed of: Jim Burden, skip; Jack MacKinnon, lead: Bill Burden, second (Jim's brother) and Dr. Giddings, mate.

Amongst the 72 entries in the Spiel there were teams from all over the Maritimes plus entries from Quebec, Maine and Massachusetts: so the Burden rink was among some pretty fair curling company. We had a chat with Jim yesterday and he seemed to beam a bit when we asked him how his team fared in the tournament.

The Burden rink with Jim calling the signals recorded four wins and two losses for the three day Bonspiel. The local team placed third in the overall standings and were awarded the Levesque and Beaubien trophy emblematic of their achievement.

Jim was told us that when he was being awarded the trophy the officials in charge of the Spiel informed him that this trophy had been awarded to the Ernie Richardson rink from Saskatchewan at a previous 'Monctonian' Spiel; this must have made Jim's chest swell a little. The Dr. Wen MacDonald rink from Charlottetown also captured the same trophy previous to this year's campaign.

We watched the Richardson rink curling at the MacDonald Tankard Brier which was held here last season and we thought they were fascinating. To hold a trophy that this renowned rink has held, at one time, is quite an honor for any curling foursome.

This columnist wishes to extend his congratulations to Jim Burden and his teammates for their performance at the 'Monctonian'.

Tid Bits From Here And There

We have heard through the dependable 'Bush Telegraph' that Thane Doyle is thinking of coming out of retirement and will go between the pipes for one of the Charlottetown Intermediate teams this season. Thane has a lot of ability and would be a big help to the club that obtains his services.

Junior Varsity Outscores PWC

In the first game of the season in the Charlottetown and District Junior Hockey League, the St. Dunstan's Junior Varsity whipped the Prince of Wales Welshmen 7-4 at the Charlottetown Forum, last night.

The scoring star of the game was Glen Bevin of the St. Dunstan's squad who fired the hat trick, two of his markers being unassisted.

In the first period, the Saints jumped into a three to nothing lead as the first three shots on the PWC cage got by the Welshmen's goaltender.

The PWC boys battled back and finally did connect at 5:31 when Donnie Schurman slapped the puck into the Saints cage.

Before the period was over the Saints had added two more goals while holding the Welshmen to two, to make the score read five to three for the Red and White squad.

In the second period the teams fought it out on even terms and when the period was over the St. Dunstan's crew skated away with a seven to three lead.

In the final period the only scoring play took place being a goal by Ron Boyles. This proved too little too late as the Saints checked hard and kept the Welshmen off the scoreboard for the rest of the game.

Northern Dancer Captures Title

NEW YORK (AP)—Northern Dancer made his bid early and then made it stand up as he won the three-year-old title in the vote of the Thoroughbred Racing Associations' board of selection.

In the opinion of the 31 racing secretaries, announced Tuesday, the Dancer's early season triumphs earned him the decision over such rivals as Quadrangle and Roman Brother.

The little son of Nearctic out of Native Dancer's daughter, Natalma, was sidelined with a bowed tendon in July and will go to stud at E. P. Taylor's Windfields Farm near Toronto in 1965.

The three-year-old title is the first TRA award to go out of the United States. Northern Dancer, along with other TRA winners, will be honored at the organization's annual dinner here Dec. 3.

BUMPED IN RACE

Northern Dancer was bumped and finished third in a six-furlong allowance race which opened the campaign in Florida in February. From there on he proved unbeatable until he wound up third back of Quadrangle and Roman Brother in trying to win the Belmont Stakes and wrap up the triple crown.

The Dancer returned home to Woodbine in Canada for the Queen's Plate, which proved to be his final start. After an easy victory in the Canadian classic for three-year-olds he returned to Belmont Park to prepare for his Saratoga campaign.

He pulled up lame after a workout and, while he responded to treatment, Taylor announced the colt was through with racing.

Before losing in the Belmont, Northern Dancer put together victories in the Flamingo, Florida Derby, Keeneland's Blue Grash, Kentucky Derby and Preakness. He wound up with earnings of $490,171 for the year after banking only $90,635 as a two-year-old.

Souris Curling; Ladies Division

SOURIS — The ladies division of the Souris Curling Club takes to the ice for the first time Monday night.

Prior to the practice session, a meeting will be held in the clubrooms to select committees.

The club, with Mrs. Joseph Gallant of Souris as president, has 34 members, only four with any experience.

Curlin is just being introduced into this town, with the completion of an artificial ice plant.

The men's division of the club is headed by Camille Gallant, Souris.

Ice making is underway and is expected to be ready for the first workout tonight.

Stottlemyre E.R.A. Winner

ROCHESTER, N.Y. (AP) — Mel Stottlemyre, previously named the International League's most valuable pitcher, won the circuit's earned run championship last season, the final official averages disclosed Tuesday.

The 23-year-old righthander posted a 1.42 ERA for Richmond Virginians before New York Yankees recalled him in August. He finished well ahead of Syracuse's Bruce Brubaker, the runner-up at 2:63.

Stottlemyre also had the most shutouts, six, while Brubaker won the most games, 15. Stottlemyre had a 13-3 mark for the Virginians.

Ron Piche of the Toronto Maple Leafs posted the highest winning percentage, .824 on a record of 14 victories and three defeats. The Canadian righthander from Lachine, Que., recently was purchased by Los Angeles Angels.

Jim Merritt, Atlanta lefthander, was the strikeout leader with 174. He also led in complete games with 12 and innings pitched, 300.

Team Effort Helped Boyer

ST. LOUIS (AP)—Third baseman Ken Boyer of the champion St. Louis Cardinals savored with pride and humility Tuesday the National League's most valuable player award.

But, he said, it also belonged to his teammates.

"This is an honor every baseball player dreams of winning," said the big quiet slugger. "To get it, you have to get a lot of breaks and have a fairly consistent year. But most important, you have to have teammates like I had — and they should feel they share it."

Boyer was named first on 14 of the 20 ballots cast by the selection committee of the Baseball Writers Association of America. He drew a total of 243 points, with ballots counted on the basis of 14 points for first place, nine for second, eight for third, etc.

Johnny Callison, the Philadelphia Phillies' outfielder star, was second with 18 points and Boyer's teammate, first baseman Bill White, third with 106½.

Boyer, 33, hit 24 home runs for the fourth straight year. His batting average was .295, just below his lifetime mark of .296. He drove in 119 runs.

His RBI total led the major leagues, he scored 100 runs. He was among the leaders in triples with 10 and his fielding often was spectacular.

Practice Called

A practice has been called for Rogers Rangers for tonight from 9.20 till 10.20 at the Charlottetown Forum.

All players wishing to try out for the week-end games are requested to be at the Forum on time.

Ex-Calgary Coach Dobbs Dislikes New Manager

CALGARY (CP)—Rogers Lehew, appointed general manager of Calgary Stampeders of the Western Football Conference moments before former head coach Bobby Dobbs announced his resignation Monday night, said Tuesday the Stampeders haven't had time to think about a replacement for Dobbs.

Lehew, who worked under Dobbs as offensive assistant, said in an interview he was "very sorry the situation (Dobbs's resignation) happened as it did."

"I would have liked him to stay and would have liked to work with him but it was his decision. I'm very disappointed."

Lehew, who is to attend the Canadian Football League's general managers meeting in Toronto, said selection of a replacement for defensive assistant Jess Thompson, who also announced his resignation, would be made by the Stampeders' new head coach.

Thompson, who worked under Dobbs at Tulsa University and joined Calgary in 1961, was not available for comment on the surprise resignations and appointment and his immediate future plans were not known.

Thompson said he resigned for health reasons but Dobbs who didn't conceal his disappointment at Lehew's appointment, said the defensive assistant resigned because Calgary fans "didn't appreciate the work we put in to give them a 12-4 record" for the 1964 season.

Dobbs announced his resignation at a club party on Monday night moments after club president George McMahon announced Lehew's appointment as general manager.

The club's board of directors actually appointed Lehew Monday afternoon and informed Dobbs of their decision then. Dobbs arrived at the Stampeder wind-up party late and talked with McMahon for some time before making his announcement.

Only remaining member of the Stampeder coaching staff is backfield coach Jerry Williams, a former National Football League player and coach with Los Angeles Rams and Philadelphia Eagles.

Dobbs, a methodical, hard-working man who became Calgary's head coach in 1961 after holding posts at Tulsa and West Point, said he was "bitter" about the appointment of Lehew.

He had led the Stampeders to playoff finishes in all his four seasons with Calgary, winning 44 games, more than any other team in Canada. But the Stampeders, who lost the WFC championship to British Columbia Lions Saturday, are the only WFC team that has failed to reach the Grey Cup, Canada's national football title, since 1950.

Richard Cleared

MONTREAL (CP)—Montreal Canadiens said Tuesday centre Henri Richard has been given "full clearance by the club doctor" to return to action.

Richard, who has played in only one of the team's 13 games this season, suffered a groin injury in an exhibition game before the start of the National Hockey League schedule.

Richard played against Toronto Maple Leafs here two weeks ago but a recurrence of the injury forced him out of action again.

There will be a practice for the Norman Larter coached Rogers Hardware Rangers at the Charlottetown Forum tonight. Anyone interested in trying out for the team should contact Norman Larter. Outlook Cloudy For Grey Cup

TORONTO (CP) — Weather statistics of the last 20 years indicate that chances of heavy fog, a significant snowfall or a heavy downpour are unlikely for Saturday's Grey Cup football spectacle at Canadian National Exhibition Stadium here.

The statistics suggest a cloudy day for Nov. 28 with temperatures near 40 degrees and a westerly wind of 10 to 15 miles an hour. Chances of rain are about one in five, of a heavy snowfall one in 20 and of some snow one in four.

However, Gordon Gee, meteorologist supervisor for the department of transport, said it is not impossible that there could be a repetition of the fog that enshrouded the CNE Stadium on the lakefront in 1962 nor the famous 1950 mudbowl match at Varsity Stadium.

"Any forecast now in terms of specifics for the Grey Cup game is almost impossible," Gee said. A look at the record book shows that in the 20-year period from 1944 to the present, only two days were sunny, the temperature has ranged from 30 to 50 degrees, rain has fallen on four of the days and although light flurries of snow have been observed several times, only one significant snowfall occurred—Nov. 28, 1958, when 7.5 inches fell.

Sinkiang, the westernmost Chinese province which means "New Frontier," was the site of China's first atomic explosion.
