Charlie Hodge Becomes Canadiens' First Casualty

MONTREAL (CP) — Goalie Charlie Hodge became the first casualty of Montreal Canadiens' training camp Tuesday when a bullet shot fired by Bernie (Boom Boom) Geoffrion inflicted a six-stitch scalp cut.

Hodge, No. 2 goalie behind Jacques Plante, was wearing a plastic mask to protect his face. The shot caught him on the head just above the mask and his forehead. He came back for practice at a second session later in the day.

Winger Marcel Bonin was excused from the second workout because of a slight stomach ailment.

It was the second day for the 56 players in camp and coach Toe Blake had his four squads scrimmaging for the first time. There were two workouts of an hour each.

Blake used his regular lines of last season except for the left-wing spot vacated by Bert Olinstead, who has gone to Toronto Maple Leafs. It may be significant that Alvin (Ab) McDonald had the a s s i g n m e n t Tuesday, working with Jean Beliveau and

Geoffrion. **LIKELY PROSPECT** McDonald has generally been considered the most likely to land the berth. He spent the last two seasons with Rochester of the American Hockey League but was called up by the National Hockey League Canadiens for the playoffs.

McDonald was offered a contract and told by managing director Frank Selke to consider the terms for a day or so before making a decision.

Defenceman Bob Turner also conferred with Selke and signed his new contract. He is the eighth regular to sign.

Billy Carter, with the Hull-Ottawa Canadiens juniors last season, helped himself to three goals Tuesday. So did Stan Smrke, who has played most of his hockey in the minors. Among the regulars, Beliveau and Claude Provost potted two goals each.

Many of the regulars appeared to be almost at normal playing weight although veteran Maurice (Rocket) Richard is several pounds over.

The first exhibition game has been set for next Saturday. Rocket Richard and Tom Johnson are co-selectors of one team; Doug Harvey and Geoffrion of the other.

The Canadiens management is dangling a cash prize of \$500 to be shared by the winners. The losers get nothing.

Fontinato Still Roughing It Up

NIAGARA FALLS, Ont. (CP) — The signing of high-scoring left winger Camille Henry to a substantial increase and special bonus clause was announced Tuesday by general manager Muzz Patrick as his National Hockey League New York Rangers moved into their fifth day of workouts here.

Out on the ice, meanwhile, tempers of the Rangers in training under coach Phil Watson exploded for the first time as defenceman Lou Fontinato and rookie Jack (Red) Bownass exchanged a flurry of punches. Bownass wrestled Lou to the ice before Watson and teammates broke it up.

Designer Says Sceptre Is Mystery Even To British

NEWPORT, R.I. (AP) — Sceptre, the question-mark challenger for the America's Cup, is a mystery yacht even to the British, her Scottish designer disclosed Tuesday.

"None of us really knows how good Sceptre is," said David Boyd, a gaunt man of 56. "She has not been blooded. She never, you might say, has raced in anger."

"We will not know until Saturday when she goes against Columbia for the first time whether she is a champion or a dud."

The historic, 107-year-old series for the unimpressive, bottomless silver trophy will be renewed Saturday.

Columbia, a gleaming \$300,000 racer built specifically to meet

the first British challenge in 21 years, will attempt to continue an unbroken line of American successes.

BEAT OUT RIVALS The white-hulled U.S. defender, designed by Olin Stephens and financed by a syndicate headed by New York financier Henry Sears, beat three other American yachts — Vim, Weatherly and Easterner — to qualify for the best-of-seven race competition.

Sceptre, built behind locked doors on the banks of the Clyde, has had no more than a series of practice sails. She is like a

fighter who never has been out of the gym.

"This is a tremendous advantage for the American boat and crew," said Boyd. "They have been tested under fire. They are hardened by competition."

SPORT ECHOES

BY NORMAN MACDONALD

Cape Traverse softballers with their backs against the wall began to show signs of their mid-season form at Queen Elizabeth park on Monday evening. The Legion's Bill Stull had been the main stumbling block of the other teams all year, but the Cape boys started to get help to his magic in the month of July and drubbed him a few times before the end of the regular schedule. After an enforced layoff, while Tyne Valley and Legion were playing in the semi finals, the Cape batters seemed to lose their edge, and for the first two games of the finals Stull was as big a puzzle as he had been at the start of the season. In the third game the Cape bats started to explode again. If this stick savvy continues, it might yet be a pretty exciting series before the Prince County champions are declared.

We saw Peakes Bombers for the first time last Sunday and we were impressed particularly with the work of their infield which seemed much better than what you generally see in the intermed-

Both teams fielded superbly and the Legion's work in the field has

been handling practically all the free-for-allers he came up against this year, had to take a second and a fourth in a two-dash Free race for at Fredericton last Friday night. It was Flagman, driven by Roy Barnett, that lowered the colors of the Moncton champion in both dashes. Time 2:09 and 2:11 2-5 (the track was very, very heavy, many seconds slow).

Flagman will be remembered as the winner of the free-for-all at Chatham last July 1st. Dominion Day, time 2:06 4-5 and 2:06 1-5 the latter being a new track pacing record. In the same race on Dominion Day, Dominion's Pride (Killam) was 2:7 and Walter Rosecroft (Creamer) 4-2.

A feature of the free-for-all was the performance of the four-year-old Hal's Man, by N.D. Hal dam Ola Budlong, that driver Killyam finished with a 2-4 summary. Ola Budlong was by Calumet Budlong and was bred by Rannie MacDonald; she has turned out to be a wonderful brood mare.

Dow Clowater, our correspondent from Fredericton, states that Flagman has headed the redoubtable Walter Rosecroft to the wire six times this season, and that Walter Rosecroft is the winner of 18 heats this season — certainly a wonderful performance.

Another of the winners of the first two games of the finals was Lola Hal, a three-year-old filly, headed a field of good pacers in the third race in 2:13 2-5. Among them was Dominion's Pride 2:07 3-5, Mailman 2:05 3-5, Chico Vivien 2:10 1-5 and others.

VENI VIDI VICI
When I was a boy in the drug business, Latin was a must, and I took night lessons from Mr. Roach, and one phrase remembered distinctly is Caesar's brief message to Rome after his conquest of Britain: "I came, I saw, I conquered."

We think that 25-year-old Junior Chappell could very aptly have used the same words last Saturday night after his winning races 2 and 6 with Royal Train, and race 5 with Janet M. at Sackville Downs, to owner Dr. Preston MacIntyre of Montague. Here is a brief summary of the races:

Race 1 - Becky's Prince (D. Ratchford) 1, St. Regis (E. Langille) 2, Frankie Budlong (C. Smith), five other starters, time 2:15 4-5; winner owned by R. L. Riley, Halifax.

Races 2 and 6 - Royal Train (J. Chappell) 1-1, Scotland's Ace (J. MacGregor) 2-5, Abhassong (D. Walsh) 7-2, Bold Dean (L. Walker) 4-3, Feather Duster (A. Burbine) 3-6, three other starters time 2:14 1-5 and 2:13 4-5; winner owned by Dr. P. MacIntyre, Montague.

Races 3 and 7 - Jet Master (L. Walker) 2-1, Jolley Lad (E. Smith) 1-4, Congressional Boy (A. Langille) 2-2, three other starters, times 2:08 4-5 and 2:10; Jolley Lad owned by Mrs. Keith Thomas, Halifax, and Jet Master by the L. and G. Stable, Halifax.

Race 4 - Kattie Direct (G. Gaudet) 1, Fresh Girl (D. Walsh) 2, Peter Lee Brewer (F. Dnieles) 3, five other starters, time 2:16 1-5.

Race 5 - winning owner Clovis Belliveau, Dieppe, N.B. Race 5 - M. (J. Chappell) 1, Prosser Brand (G. Willis) 2, Tennis (G. Gaudet) 3, five other starters, time 2:17; winner owned by Dr. Preston MacIntyre, Montague.

Race 6 - Judy Clegg (E. Butler) 1, South Dakota (Campbell) 2, Chevie G. (E. Moreside) 3, five other starters, time 2:16; winner owned by George Gilbert, Halifax.

At Truro last Saturday night races 1 and 4, Mr. Price (B. McLean) was 1-6, David Caudle

DOWN THE BACK STRETCH

Despite the rather cool night a good crowd of faithful fans were present to see the racing at the Charlottetown track Saturday night. The track was a couple of seconds slow due to the cold and because of recent rain; otherwise it was in A-1 condition. We were greatly intrigued by the performance of Dunlop B., driven by E. Bernard, in the dash of the "A" Pace which he won in 2:12 1-5 - a new record. The six-year-old Sister owned by Playdate 2:04 1/2 dam Potomkin, was the good horse from the same field for driver Joey Arsenault in 2:17 2-5, with Peter Federal (S. Stead)

Old timers will remember Duke Potomkin and her famous racing career in the Maritimes. She is also the dam of Feather Duster 2:10 that is still going strong on the trot at 14 years of age. Dunlop B. is a five-year-old by Hamet Budlong, and last year took a record of 2:15 2-5 and 2:15 3-5, one second and one

in the 'C' Pace. First Again (C. Smith) won the first dash in 2:13 3-5 from a good field, with the locally-bred Bob Clegg 2:14 1-5 (Len Neill) second. In the dash of the event, Bob Clegg, driven a good drive by Lem, was first to the wire in 2:15 1-5 with First Again placing second.

In another 'C' Pace, Bobby Brook 2:11 2-5, owned by Stanley Mayhew and driven by Clark Smith, was the winner, with the four-year-old Callie Hal by the Woodstock, N.B., sire N.D. Hal in close second, time 2:18 2-5.

COMING ALONG
How we come to a class of winners, which brought out eight weekly-matched starters and resulted in a victory for Queen Beek, driven by George Calbeck, was a four-year-old by Rodney 2:17 2-5, who is also the sire of Ted Genesee 2:06 3-5. We noted her some time ago and predicted that she will be equally famous in a couple of years as her half-brother, Ted. Dexter 2:11 2-5 (C. Smith) was second, with the mile in 2:17 2-5. Queen Rodney is owned by Wilford MacDonald Summehside.

The final event on the card was another 'C' Pace, split between the eight-year old Cooly 2:12 1-5, by Abner T. Clegg driven by E. Bernard, and the fourteen year old A. G. 2:09 1-5, driven by owner Peter Thorne. A.G. Scott was one of the top pacers in the Maritimes 11 times being 12 times first and 11 times second and taking a record at Charlottetown of 2:09 2-5 last season he won \$1,817 and was then owned by Lorne Letourneau, Springhill, N.S. In one of the races Argot Pointer headed the trot to the wire in 2:09 2-5. This is his last season, as harness races over 14 years of age are forbidden to compete. Cooly is owned by R.D. MacFadden, Hunter River, P.E.I.

Race 4 - Kattie Direct (G. Gaudet) 1, Fresh Girl (D. Walsh) 2, Peter Lee Brewer (F. Dnieles) 3, five other starters, time 2:16 1-5.

Race 5 - winning owner Clovis Belliveau, Dieppe, N.B. Race 5 - M. (J. Chappell) 1, Prosser Brand (G. Willis) 2, Tennis (G. Gaudet) 3, five other starters, time 2:17; winner owned by Dr. Preston MacIntyre, Montague.
