# Will Head Campaign For Red Cross In King's County

During the week Mr. Walter R. Shaw, provincial Red Cross campaign chairman, visited Montague and Souris and was successful in securing Judge J. S. DesRoches again as chairman for King's County. The Ladies Auxillary of the Canadian Legion, under the presidency of Mrs. B. N. Hooley, who canvassed the town of Montague so effectively for the 1954 Campaign, will again undertake this project. In Souris, Mr. Melvin McQuaid, Q.C., will head a special names canvass while the Junior Ladies Aid of Souris Hospital, of which Mrs. George Roach is the president, will conduct the house to house collection using the same type of organization as they had for the successful canvass for blood donors which they have admirably carried on in the past.

# Quality Breeding From P. E. I. Stock Noted In Alberta

In a recent issue of the Country Guide, published in Winnipeg, reference is made to the fact that hog breeders are willing and ready to pay premium prices at auction sales this year for pigs with Advanced Registry breeding behind them.

The article goes on to say that Yorkshire boars out of sows qualified for Advanced Registry were placed in the Lacombe district of Alberta and that pigs sired by these boars when auctioned at local sales, brought two to three dollars more per head than other pigs of similar size.

Commenting on the above article, Mr. H. W. Clay, senior livestock fieldman, states that last spring eight bred sows of P. E. I. Yorkshire stock and a boar were shipped to the Lacombe area and at the present time he has orders for boars from the Province of Alberta. Mr. Clay calls attention to the fact that at the Island A. R. test station last year 83% of the hogs tested graded "A" while in Ontario the Advanced Registry carried out on the same feed as in P. E. I. had a precentage of 43 grade A's. "It can be seen from this", said Mr. Clay, "that the difference in percentage does not occur in the feeding but in the breeding."

Boars in Prince Edward Island are not bonused by the provincial department of Agriculture unless they are out of sows scoring 85 points or more out of a possible 100. A point worthy of note in hog grading throughout Canada is the fact that the further away from this Province, the lower the percentage of grade A hogs. Nova Scotia and New Brunswick are fast improving the quality of their hogs by the extensive importation of Island breeding stock.

# Prince Street Home, School Ass'n. Meets

The regular monthly meeting of the Prince Street Home and School Association was held last evening in the assembly hall with the president, Rev. Marvel Dunbar presiding.

Following the business session, Mr. Dunbar introduced Dr. B. J. O'Meara, director of Dental Division, Public Health, who spoke on the subject of fluoridation of the water supply.

A resolution, to be presented to the City Council, recommending the fluoridation of the City water supply, was unanimously approved.

The principal, Miss Mabel Matheson, spoke briefly to the parents asking their co-operation in the coming ice sports.

Mr. Dunbar then introduced Corporal Raymond Stunden and Constable Griffith of the R. C. M. P. Corporal Stunden gave a very informative talk on the training and duties of the R. C. M. P. and urged parents and teachers to stress on the young the importance of traffic safety and to make 1955 a record year of fewer fatalities in this province. This was followed by a beautiful colored film entitled "The Scarlet and the Gold," shown by Constable Griffith.

Miss Barbara Pound moved a vote of thanks to Corporal Stunden and Constable Griffith for their very fine entertainment.

After the singing of The Queen the meeting adjourned to the teachers' room where delicious refreshments were served by the catering committee.

# Weekly Meeting Of Y's Men's Club

Ches Cooper of radio station CFCY was the guest speaker at the weekly supper meeting of the Alpha Y's Men's Club held in the Y.M.C.A. last night. Taking as his subject "What Goes On In A Radio Station" Mr. Cooper gave an interesting talk which was much appreciated by the large turn out of Y's Men and their guests.

Y's George Andrew, chairman of the meeting, in introducing the speaker told of two awards in the field of broadcasting won by Mr. Cooper during the past year.

The meeting opened with the singing of the Y's Men's Ode led by Y's Ralph Rupert, followed by grace by the chairman. The singsong was conducted by Ralph Rupert with O. K. Presby at the piano. Y's Jack Lawson was congratulated and wished a happy birthday by his fellow members of the club.

Guests introduced were Russel Finlay, Earl Taylor, Ralph Beairsto, and Gilbert Clements of Montague. The Y's Men also had for their special guests nine young boys from the Mt. Herbert Protestant Orphanage, who had attended the Y. M. C. A. Holland Cove Camp during the past summer. As a special attraction to entertain the visiting boys as well as the other guests and club members, co-chairman Paul Jenkins introduced Duke Neilson who performed various feats of magic to the delight of young and old. Ches Cooper also favored the gathering with two songs.

The thanks of the club were extended to Mr. Neilson and Mr. Cooper by the co-chairmen, George Andrew and Paul Jenkins.

A group of five girls who were being initiated into their Hi-Y groups were introduced and put on an impromptu song and dance number in their initiation regalia to the great amusement of all present. The girls were Mary Milligan, Marion Clark, Connie Davies, Norma MacFadyen and Alberta Todd.

Frank VanIderstine was voted in as a new member of the club, and president W. R. Carson announced that ten new members who have recently joined the club will be inducted in the near future.

After the meeting the visiting boys were the guests of the Y's Men on the bowling alleys.

# Plan Plowing Match Expansion

..*A formal application will be made to the Provincial and Federal Governments by the Dundas Plowing Match Association to have considered as a class "B" fair the annual plowing match and exhibition staged each fall at Dundas. This was made known at the annual meeting held at Bridgetown hall yesterday which was presided over by the president, Mr. L. S. Hunter.

From a small beginning, the annual Dundas fair has gradually grown larger each year through the untiring efforts of the members, until today it has become one of the major events of the year in the province. Where formerly it attracted only entries from a small radius, today its entries extend almost over the province, and the provincial plowing competition attracts not only Island spectators but mainlanders as well. Besides the avid interest in plowing, there has also grown a great interest in the livestock show which includes every breed of dairy and beef cattle, horses, swine, sheep and poultry, together with a first class display in the handicraft building of cooking, flowers, agricultural products and handicraft.

### HOPE FOR EXPANSION

The members of the association have spared no effort to make the show ever bigger and better, but finances have proved to be a deterrent to their plans. It is their expectation that the fair will now meet the requirements of a class "B" fair. In this event fifty per cent of the cost of building and maintenance will be granted together with $500.00 for junior activities and $200.00 for judges. This will be of inestimable benefit to the progress and growth of the Dundas exhibition, and permit the members to set up ample facilities for a complete livestock showing which is fast becoming one of the major attractions of the two-day fair.

The business of the meeting included the minutes and financial statement presented by the secretary, Mr. Albert Acorn, who has capably filled this office for several years. The financial statement showed receipts of $5,762.49, and disbursements amounting to $6,612.78.

To increase the already great interest in plowing, it was decided to inaugurate a Maritime championship class, and the 1954 champions of Nova Scotia and New Brunswick will be invited to compete against the 1954 Island champion at Dundas this fall.

The following directors were appointed:

St. Georges, Louis Fitzpatrick and Louis Campbell. Primrose, Clement MacDonald and Albert Acorn. Strathcona, Will Hunter, John MacLeod, Ray Burke. Albion Cross, Neil Nicholson, Doug Matheson. Cumberland Hill, Joseph Campbell, Wilbur Wood. Bridgetown, L. S. Hunter, Frank Clay, Robin Clay, Wallace MacKenzie. Upton, John Judson. Cardigan, John A. MacDonald. New Perth, Alex Hamilton. Lower Montague, Jack Annear. Highfield, Bentley Creed. Also a representative of the Queen's County Plowing Match Association.

Several other minor matters were briefly discussed after which the meeting adjourned.

### MT. HERBERT W. I.

The monthly meeting of the Mount Herbert Women's Institute was held on January 18th at the home of Mrs. Russel Farquharson. The president called the meeting to order. Nine members attended and three guests were welcomed. The meeting opened with the singing of "The Ode". The minutes of the last meeting were read, adopted and signed. Roll call was answered by repeating a verse of poetry from an old school reader. Two dollars were voted to the Polio Post March of Dimes.

Bills were presented, followed by a discussion on securing music for the school. A report was given about the leadership course held in Parkdale Hall. This was attended by the president and secretary.

The sick committee is to remember the shut-ins by sending a suitable gift.

The school committee appointed is Mrs. Russel Driscoll, Mrs. Ivan Jorgenson and Mrs. Kenneth Jenkins. One membership fee was paid. Plans were made for a social evening to be held at Mrs. David Mutch's on January 28th.

The next meeting will be held at the home of Mrs. Ralph Raynor on February the 15th, roll call to be answered with an exchange of valentines and for every member to repeat the Creed individually.

The hostess served a lovely lunch and the meeting was adjourned, followed by singing the National Anthem.
