New York Stocks

NEW YORK (AP)— The stock market turned around Thursday after two losing sessions and scored a substantial advance.

Plus sign were generous. Many went to between 1 and 2 points while some kept right on going to around 6 points. Losses were mostly fractional.

Leadership on the rise was firmly founded in the railroads, steels, aircrafts, and oils, and higher as well were the mail order houses, distillers, radio-televisions, chemicals, coppers, and utilities.

Tobaccos, under severe selling pressures for some time because of discussions on the connection between lung cancer and cigaret smoking, late Thursday assumed a new buying popularity and stepped ahead.

The Associated Press average of 60 stocks, which lost $1.80 in the last two days, gained $1.30 Thursday to close at $147.60.

The industrial component of the average was up 90 cents, railroads gained $1.80, and utilities were ahead 70 cents.

Canadian issues closed mixed. Canadian Pacific gained ½; Dome Mines and Distillers Seagram each added ¼. International Nickel slipped ⅜.

Royalite Oil was ahead ½ on the American stock exchange.
