Dugas - Creed Wedding

A very lovely wedding was solemnized yesterday morning at St. Paul's Church, Sturgeon, when Rev. F. Mullaley united in marriage Irene Cecilia, daughter of Mr. and Mrs. Phillip Creed, Sturgeon, and Ernest Michael son of Mr. and Mrs. Bernard Dugas, Souris.

The bride looked lovely in a grey tailored suit with blue accessories. She wore a corsage of white orchids, and a pearl necklace, the gift of the groom.

The bridesmaid, Miss Mary Creed, sister of the bride, also wore a grey tailored suit with mauve accessories, and wore a corsage of mauve orchids. The groom was ably supported by Mr. William Pierce of Souris.

Following the ceremony a reception for the immediate relatives and friends was held at the home of the bride's parents. The bride's table was beautifully decorated, and in the center was a lovely two-tier wedding cake, which was cut in the traditional manner by the bride and groom. The toast to the bride was responded to by the groom.

The happy young couple will tour the Maritimes on their honeymoon, after which they will reside in Souris.

WEST DRAYTON, Middlesex, England, Sept. 18—(AP)—A R. A. F. aircraft man was sentenced today to two years in prison by a court martial which convicted him of violating the Official Secrets Act. AC. Gerald Rodney Stuffs, 19, formerly was a typist in the office of Air Marshal Sir Basil Embry, chief of Fighter Command.

Mr. St. Clair Coyne left yesterday to continue his studies at St. Dunstan's University, Charlottetown.

New School To Be Built At Murray River

Plans have been finalized for the construction of a new 3-room school at Murray River this fall. The old school has been declared unusable, and the new one to be erected in the same lot, will replace it.

Plans call for a building 100 feet by 26 1/2 feet, with three classrooms and basement. It will be heated by an electric oil furnace and will also have running water, and indoor plumbing. The rooms will be occupied by grades one to three, four to seven, and eight to ten.

The total cost is estimated at \$18,000.00. Mr. William Whiteway is the contractor. The present trustees who will be looking after the construction of the new school are E. K. Johnston, Jack Ferguson, and Vance Strickland.

WILL REPRESENT
(Continued from Page 1)

600. Second prize in the individual competitions went to James Doran of Vernon. Mary O'Brien of Morell won the fourth prize and Louis McGuire, Morell sixth. Arlene Robertson of Kingsboro and Donna Martin of Vernon won seventh and eighth prizes respectively.

The Kingsboro Club won the top honors in the showing of both cockerels and pullets. Baldwin's Roker was second in the showing of cockerels, Morell, third and Vernon, fourth.

Morell placed second in the class for pullets. Vernon was third and Baldwin's Road fourth.

Birdie Kilson of Kingsboro showed the grand champion cockerel and won a pen and pencil set. The reserve champion cockerel was shown by Garth Webster, Morell who won a Waterman's Fountain Pen.

J. D. MacLeod of Vernon showed the grand champion pullet and won a pen and pencil set. The reserve champion pullet was shown by Lorraine McDermid, Morell who won a fountain pen.

Conducting the competitions was Mr. Hugh MacLean of the Provincial Department of Agriculture and C. S. Seranion of the Dominion Department of Agriculture.

The oral examination was given by Messrs Frank Tinney and J. B. Arsenault. Mr. Fred Driscoll judged the poultry and Mr. F. M. Naah, who supervised the contest, acted as master of ceremonies and passed out the prizes.

Special prizes for the poultry competitions were donated by the following firms: The P. E. I. Approved Flock Association; Canada Packers Limited; Island Chick Hatchery Co.; Central Egg and Poultry Station; Royal Packing Company; Dillon and Spillet's; M. A. Peters.

Montague Legion Auxiliary Meets

Mrs. W. M. Dewar, Brudenell, was hostess to the members of the Ladies' Auxiliary of the Canadian Legion, Montague branch, at their regular meeting Monday evening.

The president, Mrs. Harry Higginbotham, presided, and the meeting opened in regular form with the observance of one minute silence.

Roll call was answered by sixteen members. The minutes of the previous meeting were read by the secretary, Mrs. Archie Hiltchey, and approved as read. Mrs. Emery MacNeil, reported for the visiting committee, and Mrs. Malcolm MacKenzie and Mrs. Byron Stewart were appointed on the visiting committee for three months. Several bills were presented by the treasurer, Mrs. George Prece, and it was moved and seconded that all bills be paid.

New business included tentative plans for taking charge of the canteen at the Legion carnival in October. It was decided to call a special meeting at a later date to make final arrangements.

At the close of the meeting the members enjoyed a social hour, featuring a sing-song with Mrs. Atwood MacDonald as pianist. A hearty vote of thanks was conveyed to Mrs. Dewar by the president and everyone joined in singing "For She's A Jolly Good Fellow". A delicious lunch was served by the hostess, assisted by Mrs. Prece, Mrs. Higginbotham, Mrs. Wm. MacLean and Mrs. Ira MacLaren.

to Boston, Mass., after several weeks spent in Georgetown.

Miss Louise Murphy of the staff of DeBlois Bros., Charlottetown, and Miss Helen Murphy, employee of J. A. MacDonald & Company of Cardigan, spent the weekend with their parents, Mr. and Mrs. William Murphy.

Mr. and Mrs. P. N. Manuel of Charlottetown motored to Georgetown on Sunday and were guests of Mr. and Mrs. A. E. Jenkins. Also in the party were Mrs. Chappell of Kensington, Mr. Ormsby Manuel and Bibis and Evelyn Manuel of Charlottetown.

Mr. Lawrence S. Batchelder, Captain Henry Larsen, Mr. George White and Mr. J. W. Lavers, motored to Charlottetown recently where they attended a meeting of the Provincial Public Servants Association, held in the Vocational Wing of Prince of Wales College.

A large crowd attended an afternoon service on Sunday, Sept. 16, in the Georgetown Baptist Church. The speaker was Rev. Roy Campbell of Moncton, N.B. A much appreciated duet was rendered by Mrs. A. E. Jenkins and Mrs. Myrtle Babineau.

CAR OWNERS!
DODGE
HAS THE ANSWERS
TO QUESTIONS YOU FREQUENTLY ASK

Q Should I use a standard or premium gasoline in my car?
A That depends on the make of your present car. All new Dodge engines are designed to operate with maximum performance and top efficiency with ordinary gasoline.

Q How can I stop my gas lines from clogging with dirt and water?
A With most cars there's no sure way. You might try draining and cleaning out your tank from time to time. In cold weather always keep your tank well filled as this reduces the amount of condensation. With a 1951 Dodge, of course, you cannot experience this annoying trouble. The new Dodge is equipped with an Oilite fuel filter located in the gas tank which keeps the entire fuel system free from dirt and water. It's self-cleaning, too, from the swishing action of the gas in the tank.

Q Should I buy a set of the special tires or tubes advertised as protection against blowouts?
A Many motorists would not be without them. Dodge owners, however, have an exceptional safety factor in "Safety Rim" wheels. Protective ridges on these wheels hold the standard tire in place in case of tire failure, reduce the danger of loss of control and allow safe, straight stops.

Q Why do my windshield wipers slow down and sometimes stop working when I accelerate my engine—often when I need them most?
A That's a little technical but here's the answer in simplest terms. Your wiper is a vacuum type, operated from the vacuum in the intake manifold. This vacuum is highest when the engine is idling—lowest when the engine is under full load, such as when you call for fast acceleration, so your vacuum wipers slow down. With the new Dodge cars you do not experience this trouble as they are equipped with constant-speed electric windshield wipers.

Q Why is rear seat riding in some cars so tiring?
A That's because a low, sloped-back rear seat places you in an uncomfortable position without support under and behind the knees. Dodge chair-high seats, both front and rear, give you proper knee and back support—let you ride long distances in comfort.

Q How can I judge the amount of chocking my car requires to start under varying weather conditions?
A Unfortunately, you cannot. But new Dodge cars are equipped with an Automatic Electric Choke which makes starting easier—particularly in cold weather, and avoids wasteful overchoking.

Q If my foot brake should fail will my parking brake still operate?
A Yes, if you own a Dodge. The Dodge parking brake is completely independent of the foot brake, operating on a drum of its own fastened to the propeller shaft. When the propeller shaft is locked, the wheels cannot turn. In many cars the parking brake operates on the two rear drums of the foot brake.

Q In face of the high cost of body repairs, why don't all cars have detachable fenders?
A It would seem that some manufacturers have sacrificed the practical for styling. All Dodge fenders are bolted on and are easily removed to facilitate replacement or repair.

Q How can I best protect my engine from the dirt and abrasives which get in the oil?
A You should install an efficient oil filter, if your car is not so equipped. Not only are all Dodge Coronet and Regent models equipped with a highly efficient Micronic Oil Filter as standard equipment, but all Dodge models give you added protection with a Floating Oil Intake. This type of intake draws only the clean oil from just below the surface, preventing both surface foam and bottom sludge from entering the oil lines.

Q Is there any real difference in the various types of air cleaners?
A Yes, there are vast differences. For example, all Dodge cars use a heavy-duty oil-bath air cleaner. In "dust storm" tests, this type cleaner proved much more efficient than ordinary mesh-type filters even at the start. And, after 2,000 miles of driving it proved to be still 98% efficient, or nearly double that of other types of cleaners.

These are some of the reasons for DODGE DEPENDABILITY, COMFORT AND ECONOMY and why we say "Drive a Dependable Dodge for 5 minutes and you'll drive it for years!"
