

been taken to secure the laying down of a new one; and also the extension of inland Telegraphic Communication, the particulars of which will be laid before you.

Since the close of your last Session, a visit was paid to the Colony by a Committee of the Congress of the United States. The object of their mission was to obtain information in connection with the subject of reciprocal Free Trade between this Island and the United States. A Report of Members of the Executive Council in relation to this matter, addressed to His Honor the Lieutenant Governor, will be laid before you, together with Communications on the same subject, which have passed between the local Government and Her Majesty's Principal Secretary of State for the Colonies.

You will be gratified to learn that the Bill for the settlement of Wilderness Lands, passed by you during the last Session, has resulted satisfactorily. Under its provisions 18,868 acres of land have been taken up, in most instances by substantial settlers.

Three Estates, comprising in the aggregate 17,352 acres, have been acquired by the Government, under the Land Purchase Act, since you last met, at a cost of £6,400, the particulars of which will be laid before you.

The returns from the Land Office are very satisfactory, and evidence the desire of the occupants of the Government Lands to become Freeholders, and an appreciation, on their part, of the advantages conferred by the Land Purchase Bill.

An Act for the amendment of the Laws relating to the Militia and Volunteer forces will be laid before you. Its object will be to reduce the attendance now required by Law for Drill of the General Militia; but, at the same time, to extend such an encouragement to a stated number of Volunteers as will increase the efficiency of that valuable branch of the Public Service.

We have reason to be grateful to Almighty God for the general prosperity with which the Colony has been blessed during the past year, and I fervently pray that His favor may be continued to us, and that your deliberations, during the Session now opened, may be so guided by Him as to advance that prosperity and tend to the contentment and happiness of the people.

After the speech was delivered, the members of the House of Assembly returned to their own room. The speaker read the Speech, before the House. The Sheriff's writ announcing the election of Angus McMillan Esq., for the fifth electoral district of Prince County, was read by the clerk; and Mr. McMillan, was introduced to the speaker by Geo. Sinclair, Esq., and after taking the necessary oath, took his seat. Mr. Riely, moved for the appointment of a committee of seven to draft an answer to His Honor's Speech. A long debate took place on the appointment of reporters; the result of which we did not learn.

NEW MAIL ROUTE.

We have received and forwarded two petitions—one from the inhabitants of Somerset and vicinity, containing 178 signatures, and one from Middletown, containing over sixty signatures, praying for a semi-weekly mail to be established by way of Anderson Road, from Charlottetown to Summerside.

At Middletown, as we learn from a correspondent, a public meeting was held on the 18th ult., for considering the matters embodied in the petitions referred to. Mr. Thomas Murray was called to the chair, when the following resolutions were offered:

Moved by Mr. John J. Wright; seconded by Mr. Owen McArdeal, and carried—

Resolved, That the mail accommodations are very unsatisfactory in this locality,—being behind the times, and not in accordance with the wants of the inhabitants, who are thereby subjected to great inconvenience.

Moved by J. S. Wright; seconded by Mr. James Murphy, and carried—

Resolved, that the inhabitants of this settlement petition the Hon. the Government to take our case into consideration, and grant us the requisite improvement—a semi-weekly mail running from Charlottetown to Summerside and returning by way of the Anderson Road.

Moved by Mr. D. S. Shepperd; seconded by Mr. I. Heustiss, and carried—

Resolved, That the stage conveying the mail continue on from Middletown through Central and North Bedouque to Summerside, not by way of Ereetown, as suggested by the editor of the Progress, that way being of great disadvantage to the travelling public, it being ten miles of a longer route, besides the winter road being bad there, and it being but a cross road with only a few inhabitants on it.

Moved by Mr. J. Craig; seconded by Mr. A. Wright, and carried—

Resolved, That there should be a two-horse team to carry the mail, with a covered carriage for the accommodation of travellers.

The meeting then adjourned.—Progress.

The Rev. ISAAC MURRAY, will receive our thanks for a copy of his Pamphlet, on "Scripture Baptism, its Mode and Subject." It contains 113 pages, is well printed, and makes a neat appearance. For sale at our Book store.

A grand entertainment will be given in St. Patrick's Hall, Charlottetown, on Friday evening, the 12th March, in aid of the "Whelan Fund." The rector of Saint Dunstan's College delivers the opening address.

We are unable this week to furnish our readers with any very late news. No mail has been received here since Thursday last. It was supposed that the Couriers would cross over yesterday with a Colonial Mail. The English Mail was not at the Cape on Wednesday morning.

The Patriot states that Wm. McKenzie, son of Donald McKenzie of Flat River, was one of the owners of the Brig. *Heidera*, was lost off the Bill of Portland, England, on the 15th of Jan. last, by being carried off the after house by a heavy sea. Deceased was 26 years of age.

Elder D. Crawford will (D. V.) preach in the Christian Meeting House, Summerside, on Lord's Day next, at 11 o'clock in the morning, and 6 o'clock in the evening; at the close of the morning sermon, a collection will be taken in aid of the Missionary Fund.

A man named Robert Pyke, a native of P. E. Island, was recently arrested in Fitchburg, Mass. for the murder of his wife. The preliminary trial of Pyke was to have taken place on the 25th ult.

Godey's Lady's Book for March has been received. The steel engraving "On the Tiptoe of Expectation," is really beautiful. The fashions contained in this number are, as usual, very good. For choice literature "Justly celebrated." Every lady should have this magazine. It is only \$3 a year.

We will endeavor during the sitting of the Legislature to keep our readers well posted up with its proceedings.

The Legislature of British Columbia, by a vote of 11 against 5, have decided to join the Dominion.

It is said that the Dominion Parliament will not meet until the 8th of April.

Out this notice out and bring it with you. We are authorized to refund the cash to any person or persons who shall buy and use Parson's Purgative Pills and fail of relief and satisfaction.

Wistar's Balsam of Wild Cherry. This preparation is a certain cure for all diseases of the Throat and Lungs, Coughs, Colds, Bronchitis, Whooping Cough, Croup, Incipient Consumption, &c. In confirmation of the highest medical authority that "Consumption can be cured," numerous instances of complete restoration from this disease by the use of the Balsam can be given.

This sterling remedy appears to be working wonders. We have so long heard of its superior merit in diseases of the Throat and Lungs that we doubt not its claim of being "The Great Remedy." Many of our most respected citizens who appreciate its uncommon worth from personal use, have attested to the fact by their written testimonials. These are strong recommendations, and should certainly prompt all who suffer from pulmonary complaints in its various forms to give it a trial.—Ottawa Citizen.

is offered for Sale. She is in every way calculated for a good Coasting Vessel, and will be SOLD AT A BARGAIN

if applied for early. This vessel having been built for our own use, was constructed of the very best materials, and milled so as to combine good sailing qualities with capacity for freight, as well as with an eye to durability and strength.

The "Indian Queen" was launched in May, 1867, and is 54 tons n. m., (101 tons o. m.) burthen. She is well sparred, extra well rigged, and her sails are good as new, being of "No. 1 all-long flax canvas." In addition to being well found in sails, &c., there is a variety of outfit belonging to the vessel, which are not usually found in crafts of her size. She has excellent ground tackle, which for strength and extra quality cannot be surpassed. In fact, everything connected with this vessel, besides being of the best quality, is in the very best order.

The "Indian Queen" has made some of the quickest coastwise trips of any Island vessel. For terms and particulars apply to DARBY & MONTGOMERY, Feb. 25, 1869. Summerside.
