*Question: "Do you think on-line registration will help people register more easily today and in the future?"*

Tim Willis  
4<sup>th</sup> Year Science Student

"I hope it will be successful at UPEI as it has at other Universities in eliminating long line ups and inconveniences"

Dennis Ellsworth  
2<sup>nd</sup> Year Sociology/Anthropology Student

"Depends on how reliable the program is!"

Melissa Wilson  
1<sup>st</sup> Year Arts Major

"Yes, it will help out much better than having to camp outside for competitive courses like English 101, Business 101, and Computer Science 111"

Lisa Hogan  
3<sup>rd</sup> Year Arts Major

"Yes, it's about time"

Lee Ellen Pottie  
4<sup>th</sup> Year Honours Student and President of the English Society

"Yes, it will definitely solve the "Cold issue" of registration and computers are definitely the way to go for registration issues"
