To the Offended at Marion Hall;

The party that acted on impulse and immaturity Monday night wish to apologize for its actions. No offence was meant. The party involved realizes that the offending action was done in poor taste but was not meant to be taken seriously. It is hoped that all parties (offenders and the offended) may be able to behave in a mature and reasonable fashion in the future. Remember: " To err is human; to forgive is divine."

Thank-you.
