"SWEETHEARTS"
Attract Large Crowds At Capitol Theatre

"Sweethearts," now playing at the Capitol Theatre, Summerside, attracted a large crowd last night for its opening night.

Modern dress, a modern story and modern Technicolor befit Jeanette MacDonald and Nelson Eddy better than anything they have ever had in the past. Despite their successes together in "Naughty Marietta," "Rose Marie," "Maytime" and "The Girl of the Golden West" they establish still another milestone for the film musical in "Sweethearts."

A new warmth and vividness of personality colors all their efforts in this new Victor Herbert production, and whether the cause includes the story, the dress or the Technicolor, they emerge as even brighter luminaries of the Hollywood firmament.

As stars of a Broadway "show within the show," they are right in their element and handle the comedy as skillfully as their singing assignments. An unprecedented cast of comedy personalities surrounds them, with Frank Morgan pre-eminent as the flutney show producer, Ray Bolger winning the limelight he deserves as the show's dancer, Florence Rice adding to a series of recent hits with her secretary role, Mischka Auer and Fernand Ely the laugh riots they always are, as the battling composer and librettist, and Reginald Gardner as an ingenious Hollywood agent.

Exciting Mystery Film Has Ideal Thrill Cast

The Crime Club invades a modern hospital for its latest adventure in the realm of detective chills, "Mystery of the White Room," which opened yesterday at the Capitol Theatre.

Seventh in Universal's popular series of Crime Club shockers, it maintains the high standard set by its predecessors.

Five-minute action begins with the snappet murder of a doctor in a darkened surgery. From that point on, a sinister killer is loose in the hospital. The only witness is blinded and rendered incapable of speech when burning acid is thrown in his face.

Heroic detective work of a young doctor, played by Bruce Cabot, unravels the mystery only after he cleverly combines detection with scientific and medical reasoning and procedure. Cabot acquires himself well in his first Crime Club appearance, as does Helen Mack, who appears opposite him. The two manage romantic moments despite the threatening events that highlight the story.

Standing out in supporting roles are Joan Woodbury, Constance Worth, Mabel Todd, Roland Drew, Tom Dugan, Addison Richards, and Tommy Jackson.

GENERAL CONDITIONS

(ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meeting) by wiring at our expense notifying us of their arrival will be met at the train and their baggage transferred to the grounds without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan; 10% of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winner.

All purses divided 50, 25, 15 and 10. Entry fee 5% Five per cent of the money raced for each heat will be deducted from the first and second horses; 3% will be deducted from the third horse and 2% from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Right reserved to change program, reject any entry, or if entry appears to lay over field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, but any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to trans-

for horses to another class to which they are eligible, re-open or substitute another without advertising, or alter or extend racing dates.

Additional entries of an individual ownership may be made in any class by the payment of 1% on closing date, but entries of separate ownership, although in the same stable must pay installment in full.

Two entries of the same ownership may start in the same race, providing the full 5% is paid on each starter, the drivers having the approval of the judges.

All horses with names of drivers must be declared in 11 o'clock a. m. the day prior to the race, when positions will be drawn to enable us to print score cards with actual starters.

Eligibility based on U. S. T. A. money winning classification.

The Exhibition Association assumes no responsibility for any accident or damage to any person or property during this meeting, and this understanding is part of this contract.

4 — DAYS — 4

12 Classes

Only a short time and horsemen throughout the Maritimes will be forwarding their entries for the great racing events which will be held the week of August 14th. to 18th.

For years Maritime horsemen, and in fact those further afield, have looked forward to the Charlottetown races as one of the brightest meets in the entire racing firmament. Here a fast track, beautiful surroundings a glad hand from the management, good treatment, purses paid at the wire and four days racing with classes that fit any horse is assured. The program of twelve events has been planned to give the owner of every kind of worthwhile trotter or pacer an opportunity to start. The colt races appeal to many; in fact the juveniles have become a prominent part of the Provincial Exhibition racing program because every year they have exhibited good racing manners and put up good contests. This year's Futurities will probably be the best of all time with larger fields of starters and as good, if not better, quality performers. The remaining classes are the popular events that bring the best and fastest horses racing in the eastern section of Canada together.

Here the equine stars of Sydney, Halifax, Bridgewater, Saint John, Moncton, Truro, Amherst and other Maritime towns will meet our horses, and the liveliest kind of competition result.

One of the popular features with horsemen in connection with the Provincial Exhibition is the awards to owners, drivers and grooms. The Macdonald Tobacco Company of Montreal will again present the British Consols Trophy to the driver who scores the most points during the four days racing. This gift from the popular tobacco company is much appreciated and everywhere horsemen speak of it with interest. It will no doubt be the means of increasing the rivalry among the great reimen who will be here mid-August.

Every year the heats of the harness racing, acts of vaudeville will be interspersed. A new and unique program comprising some of the finest acts exhibited last season has been secured. A Master of Ceremonies who is also a high class singer and entertainer, will keep the whole bill running smoothly and if there is any delay in the racing an act or specialty will at once be put on, so rest assured there will be no dull moments at the Provincial Exhibition this season. Fast and furious racing with head-on finishes, humorous vaudeville, clever singing, thrilling acts, beautiful girls gorgeously costumed, will provide an afternoon's sport such as has never before been offered in the Maritimes.
