## Pitchers Show The Way

The three teams of the Summerside Baseball League are all tied up at one win and one loss apiece. The scores were 7-0, 4-1 and 1-0. Donnie Schurman, Paul MacWilliams, Louis Priester, and Gene Nowakwy have turned in masterful pitching performances.

Of course, there are always two other factors which enter into the pitchers doing a grade-A job or are the batters giving a great performance. It is something to be said for both sides of the pitcher?

## Oldtimers Take The Field

An old-time baseball team is being organized in Summerside and so far there has been lots of enthusiasm at the meetings. Henry Bernau is the only one to pitch for English some thirty or so years ago, will be the coach and his two sons, George and Tom, will be the pitchers doing a grade-A job or are the batters giving a great performance. It is something to be said for both sides of the pitcher?

## Summerside Billing Problem

The most important item on the agenda for the meeting held in Prince Edward Island is stated for Summerside on July 15. The Eastern Canadian group is a competition and is bringing a number of outstanding young athletes to our shores. Some of the winners will probably be among the Olympic stars of the future.

The promoters are having trouble with arrangements for billeting the visitors, but it is hoped Summerside households will rally to the cause and see that the young athletes of other provinces will be able to testify to the hospitality of Sum-

## Weekend Golf Blues

WEKEND GOLF BLUES  
We have been trying for a number of years to learn when we should use a 3 or 7 or 9 iron in the glorious game of golf. We keep forgetting to take into account the wind currents and the nearness of the jungle. But there is no golf implement we know exactly when to use. It's the 30 foot pole with a cup at the end, decidedly not the cup that cheers. You can go fishing down at the 9th hole without a license. All you have to do is lease

## Baseball Loop Goes Tonight

Starting pitchers and line-ups have not been announced by team coaches Brian Lewis of the Dairy and Donnie MacLean and Jim Fox of Stead's.

Wally Weatherill will likely get the starting assignment from Coach Lewis and MacLean will probably start for Stead's.

## BACK FOR THE PLATE

## “Dear Holly”

Sometimes hate men. My husband is always telling me I can't handle money properly.

## “Dear Constant Reader”

It doesn't surprise me. He could probably learn a few things about money himself.

## Sometimes we get mad at Holly.

She is in charge of a special department at The Bank that takes a very one-sided view of banking problems. Namely a woman's.

Each month she exchanges letters with women who have all kinds of problems about money. How to save. How to handle it. How to spend it. Traditionally, this is supposed to be a special preserve of men. But Holly doesn't think so. So she's making it her business to help women take the major role in money management. Sort of a Carrie Nation of the banking business.

If you think Holly Armstrong is wasting her time, you should know that 60% of banking in the country is already being done by women. So that gives Holly a pretty impressive majority.

You can get her woman's view of banking or money problems just by writing to her at this address: Holly Armstrong, 55 King Street West, Toronto, Ontario. Or drop into your nearest branch and ask for the manager.
