

to how the salad could be preserved longer, maybe you would be so kind as to pass on your knowledge to the manager of the cafeteria.

Also you might inform him of the brand of potato chips you buy. I can see nothing wrong with them, but obviously you do.

I did not eat dinner on the day of the "egg sandwiches" but I am positive that they were not so bad as to cause someone to become ill.

The staff of the cafeteria do not deserve such unjust criticism. They are much more obliging than your mother could be as far as variety and service. They go out of their way to be cheerful and I feel they are concerned with the well-being of the students.

If you are a resident student, I advise you to make your complaints to food committee representative. If you don't know who they are, you should; they were printed in a previous edition of the Cadre.

If you are not a resident student, why don't you eat elsewhere? I am sure others would be glad to have your business.

I myself have not heard of anyone who eats at the cafeteria suffering from malnutrition, scurvy or any other such disorders.

In my own opinion the food at the cafeteria is quite good and I have few if any complaints about the food service, etc.; as anyone knows me will agree that I am more than satisfied, and far from starving from eating in the cafeteria.

Of course everyone is not expected to like all of the meals served, and everyone is entitled to their own opinion, as you are yours. But I feel that the staff deserves a pat on the back, rather than a stab in the back.

Thank you

I am, sir etc.

CHOKER!

The St. F.X. team picked up a 89-80 victory from Ed Hilton's Varsity Panthers last Friday night. By half time the score had stood as 51-34 in the Panthers' favour but at the end of regular play the score board flashed a 78-78 which called for a five minute overtime period resulting in a loss to U.P.E.I.

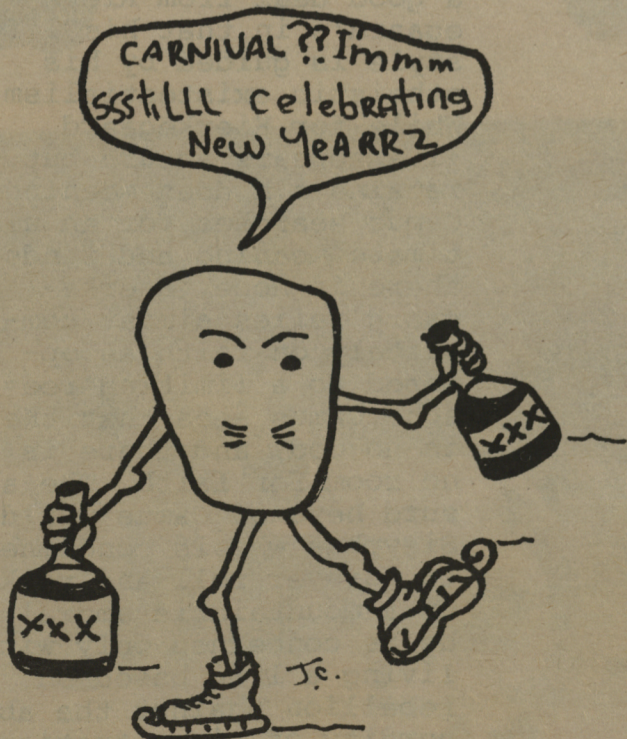

Billy Robertson led U.P.E.I. with a 25 point virtuoso performance. special mention should also be given to John Dionisi who hustled a total of 18 points. Other point collectors for U.P.E.I. were Brian O'Shaughnessy with 14, Andy Packard with 10, Joey Sullivan with 9, while Mike "Noodles" Connolly scored 5 points.

St. F.X. was led by Colin Craig who collected a sum of 22 points. Ed Dickhaut picked up 20 points, John Novillis scored 16, Dan Cousins 15, Jim Palmer 10, Brian Kennedy 3, while Mike Gray picked up 2 points.

Coach Hilton decided to shift his starting line-up around a little last week-end. The Panthers' starting line-up consisted of Andy Packard, Billy Robertson, John Dionisi, Brian O'Shaughnessy and Dennis Marks. Hilton also pleased the Bobby Gray fans sending Bob onto the court for action during the last half of the game.

The Panthers will be away during Carnival week-end for two games — Friday night against UNB and Saturday they tangle Mt. A. GOOD LUCK, GUYS!!!
