

Agricultural Achievement Day Results Are Announced

The following are the results of the Achievement Days staged by the various Boys and Girls Club Clubs throughout the province.

The three top calves and the three top yearlings in each club were shown at the Rural Youth Fair.

AUGUSTINE COVE
Judge: James Mundy
Year's Work—1. Claire Carruthers; 2. Norman Carruthers; 3. Paul Murphy; 4. Elmer MacDonald; 5. George Murphy; 6. Gerald Murray; 7. Cecilia Larsen; 8. Elmer Larsen; 9. Tommy Murray; 10. Earl Dawson.
Yearlings—1. George Murphy; 2. Claire Carruthers; 3. Paul Murphy; 4. Cecilia Larsen; 5. Tommy Murray.
Showmanship—1. Gerald Murray; 2. Tommy Murray; 3. George Murphy; 4. Norman Carruthers; 5. Claire Carruthers.
Judging—1. Gerald Murray; 2. Norman Carruthers; 3. Claire Carruthers.

Province Enjoying

(Continued from page 1)

Production for the first 12 months was 4,687,000 pounds.

Big Cheese Increase

The same condition holds true of another highly necessary dairy product — cheese. For the first eight months of this year production is 17 per cent higher than that period of 1950 while in the month of August alone saw production jump 31 per cent over the comparable month last year.

In the first eight months there were 510,000 pounds of cheese produced compared to the 435,000 pounds of last year. The total production for the 12 months of last year was estimated at 681,000 pounds.

Ice cream production also shows an increase of 20 per cent for the period reviewed with 130,000 gallons compared to 108,000 gallons last year.

Figures for milk production were unavailable excepting for the month of July when this year there were 26,806,000 pounds produced compared to the 24,002,000 pounds of July the previous year. The total production for 1950 was 194,669,640 pounds.

Livestock Production

The excellent pasturage available this year is credited with the better production records being set as the number of cattle of all kinds is only slightly higher than at this time last year. Though no figures are immediately available it is believed that the number of milk cows is lower than last year while the quantity of young stock has risen.

The hog population of the Province is greater by a small margin than at this time last year. Live sales for export breeding purposes are higher and the demand remains firm.

It is believed there is a substantial

BIRTHS, MARRIAGES

DEATHS

50c per insertion.

BIRTHS

MacLeod — At the Prince Edward Island Hospital on October 1st, 1951, to Mr. and Mrs. George R. MacLeod, (nee Grace Campbell) of Orwell, a daughter, Valerie Anne. Weight 8 lbs. 14 ozs.

FUNERAL YESTERDAY — The funeral of John Bradley was held yesterday morning at 8:45 from his late residence, 253 Dorchester St. to St. Dunstan's Basilica where Requiem High Mass was celebrated by Rev. James Smith. Pallbearers were: Herbert Mahar, Patrick Cullen, Peter Connolly, Matt Cherie, Frank Heron, Patrick Dennis. Burial was in the Catholic Cemetery where services were conducted by Rev. James Smith.

ZION Y.P.S. — Zion Y.P.S. held a students' reception on Tuesday evening October 2nd. The devotional period was led by Ishbel Farquharson. Scripture lesson was from Doris Rose and prayer was offered by Sandra Watson. Hymns sung were "Follow Me the Master said" and "Come to the Saviour." A sing song led by Elaine Humphrey followed devotions. Earl Clayton then showed three films, "The All Sing", "House of Wind" and "The Wind of the West". The meeting then adjourned to the lower hall for games and refreshments.

NAVAL OFFICERS — Lieutenant Commanders W. F. Duffy, C. A. Binsmore and C. P. MacKenzie were appointed a nominating committee at a meeting of the Naval Officers' Association of Canada, Prince Edward Island Branch at H.M.C.S. Queen Charlotte last evening to bring in a slate of officers at the annual meeting to be held Nov. 1. Resolutions were passed offering participation in the Royal Yacht, co-operation with Sea Cadets and the Women's Naval Auxiliary. H. M. C. S. Queen Charlotte, a committee was appointed to make arrangements for the annual Trafalgar Day ball on the 26th.

SHERWOOD CEMETERY — During the past three summer seasons great improvements have been made in this beautiful cemetery. Much of the cemetery was ploughed up, levelled and seeded. This large portion of the cemetery has been much admired. It was the hope of the Directors to have by this time treated the whole area in the same manner, but available funds for such improvements have been exhausted. Although the capital fund of the cemetery has been increasing at a fair rate, expenses on account of highest cost of labour and of equipment exceeds the revenue. The directors state that it is the hope that many of those who have plots in the cemetery will make a liberal contribution not only to increase the Capital Fund, but help in the upkeep and improvement of the cemetery.

Y'S MEN MEET — The regular Thursday meeting of the Charlottetown Y's Men's Club was held last evening in the Y. M. C. A. banquet room with the president Y's Man Ray Bartlett in the chair. A guest introduced to the club was Hazen Wigmore, a former president of the Charlottetown Y's Men's Club, and now residing in Ottawa. The singing was led by Y's Man Walter Cox with Y's Man O. K. Presby Duvar, chairman of the Trade and Industry Fair gave an excellent report regarding this year's Fair and explained to the club the importance of this project both to the Club and the public in general. The meeting closed with the singing of God Save The King, and the balance of the evening was spent in the Y. M. C. A. bowling alleys.

Personals

Mrs. Charles Crossman of Cape Traverse has entered the P. E. Island Hospital for treatment.

Mrs. L. McKinnon and Georgina Russell left this morning for Hamilton, Ont.

Mr. W. Chester S. McLure, M.P. left for Ottawa yesterday to attend the special sitting of Parliament on 9th inst.

Mr. W. Chester S. McLure, M.P. leaves for Ottawa this morning to be on hand for the opening of Parliament on Tuesday, Oct. 9, 1951.

Wing Commander J. Angus MacLean leaves for Ottawa this morning to attend the session of Parliament which begins on Tuesday.

Messrs. A. Walthen Gaudet, B. Messers-Labor, Conservative and Liberal will receive 15 minutes' screen time on successive evenings.

First Local Wren Recruit

Miss Jennie Mabey, of Charlottetown and Tryon, was sworn in as an Ordinary Wren Communitarian in the recently re-organized Women's Royal Canadian Naval Reserve on Wednesday evening, thus becoming the first recruit for that force from P. E. I. Miss Mabey has been placed on the strength of H. M. C. S. "Queen Charlotte".

The brief ceremony was conducted in the C.N.A.'s office of H.M.C.S. "Queen Charlotte" by Captain J. J. Connolly, V.R.D. Commanding Officer of the local naval establishment, and was witnessed by C.P.O. S. G. Bowles, Chief Recruiting Officer.

Also sworn in and placed on the strength of H. M. C. S. "Queen Charlotte" were P. C. Sloker, Mechanic; Reginald MacMillan of Charlottetown. With room for 35 more men in the University Naval Training Division, reserves are coming in each week under the intensified recruiting activities by the local naval establishment.

Better Education For Drivers Urged

The need of better education for car drivers in the under 25 age group was stressed at a luncheon yesterday by Mr. W. H. Graham of the Public Relations Department of General Motors, Oshawa.

He was speaking to a group of General Motors dealers from Charlottetown and Summerside and a representative group of citizens during a meeting at The Charlottetown.

Mr. Graham stated that young drivers from 17 to 25 although comprising only 17 per cent of drivers were responsible for over 33 per cent of all accidents. Last year they were involved in 35,000 accidents in Canada. He spoke of what governments can do towards providing highways capable of carrying the flow of traffic, but said there is one person who can do much to improve the situation. He is "the man behind the wheel."

For this reason, he said, his firm has prepared a set of short films for showing to youngsters in high schools. The films, which he ran off yesterday for the guests, demonstrate the proper procedure in turning and signaling for a turn. These educational films for youthful drivers and learners will be available for school use here.

Ontario Election Called For Nov.

TORONTO, Oct. 4 — (CP) — Premier Frost today called an Ontario general election for Nov. 22, seeking a mandate from the province's 3,000,000 voters for the policies of his Progressive Conservative Government.

The announcement came simultaneously in Toronto and in Kingston. In Toronto, Attorney General Porter met newspapermen after a cabinet meeting and distributed copies of a 2,000-word statement prepared by the Premier.

In Kingston, where he officiated at the opening of a new school, the Premier made the announcement as well because the city "has so many associations with Canada's political history."

Nominations will be held Nov. 8. Ontario's election act calls for a two-week interval for winter elections and one week at other times of the year.

In the last session, June 7, 1948, the Progressive Conservatives won 53 seats in the 90-member House. The C. C. F. took 21 seats, Liberals 13 and Labor-Progressives two. The other was won by a Liberal-Labor candidate who supported the Liberals.

It is the first election for the Premier as party leader. He was elected to the post in 1949 after George Drew resigned to become national leader.

Graham Rogers and Frank A. MacKenzie returned last night from Sydney, N. S., where they attended the annual meeting of the Maritime Boards of Trade.

Miss Muriel Doiron who has been spending a three week holiday with her parents Mr. and Mrs. Alphonse R. Doiron, Mayfield, returned to Toronto by plane on October 1st.

Mrs. Celia Rogerson has returned to her home in Victoria after spending two weeks in Charlottetown with her brother Mr. S. B. French and Mrs. French and with her daughter Mrs. S. MacLennan and family.

Miss Marie McDonald of New Hampshire, U. S. A., arrived in the City last evening on a visit to her brother and sister-in-law, Mr. and Mrs. Louis McDonald, Pownal Street.

The relatives and friends of Mrs. Leander Turner, Jamaica Plain, Mass., have been very pleased to have her return to the Island after an absence of twelve years. She has been visiting at the home of her brother in Stanley Bridge.

Construction Of Seaway Project May Be Stalled

OTTAWA, Oct. 4 — (CP) — Difficulties in the way of the St. Lawrence seaway probably will stall the start of construction beyond 1962, External Affairs Minister Pearson said today.

Though Canada is going ahead with planning at full speed and there has been a surge of seaway activity in Washington during the last week, Mr. Pearson emphasized that many political and constitutional obstacles still lie ahead, mainly in the United States.

At his weekly press conference Mr. Pearson also made these announcements: 1. Canada now has her own devices for detecting atomic bomb explosions in other countries, though not as fully developed as those in the U. S. News of Russia's recent second atomic blast reached the government from the U. S.

2. Government information indicates the U. S. congress may soon rescind a recent restriction on the importation of dairy products. As a consequence, Canada now is not contemplating retaliatory action against U. S. exports to this country.

3. Canada shortly will sign, with most if not all other N. A. T. O. countries, a protocol for the admission of Greece and Turkey to the North Atlantic Treaty Organization. However, this country is not expected to be directly concerned with military planning for that area and has made no troop commitments for the Middle East.

4. Canada soon will send a senior official to Europe for the first meeting of the Atlantic Pact Committee appointed to work out plans for long-range, non-military development of the North Atlantic community.

5. This country agrees generally with Anglo-French-U. S. plans to moderate the Italian peace treaty.

6. The government plans to continue its practice of sending parliamentary advisers from opposition parties to U. N. meetings, but there won't be as many of them as formerly.

7. The government has received information that seven Canadian missionaries held by Chinese Communists are not being seriously mistreated. It has seen a reassuring note from Roman Catholic Bishop Cuthbert O'Gara of Ottawa, and has heard from an informant who recently saw Rev. Stewart Allen, United Church missionary who has relatives in Toronto and Montreal. The others held are five Catholic religious sisters.

Delegates Arrive For Blue Cross Convention

Delegates from eight Canadian Provinces were converging on this City last night for the annual meeting of the directors of Canada's five Blue Cross Plans to be held starting today at The Charlottetown.

The host, Plan, the Maritime Blue Cross, will be represented with all directors from the four provinces. Heading the list will be Dr. J. A. McMillan, Charlottetown, president, and Miss Ruth Cook Wilson, executive director.

Also present for the meeting will be Miss Margaret Hill, Blue Cross Commissioner, Chicago.

Following two days of business sessions delegates will have a brief respite Saturday night when their annual dinner will be held at the hotel. This will be followed by entertainment of an unusual order when the internationally famous St. Joseph's University Choir of New Brunswick will be heard in a concert.

The Choir has recently returned from Europe where they won high acclaim for their singing and captured the International Elstedoff Folk Song competition, at the musical festival of Wales.

Many Delegates

Among the many delegates who arrived in the city this week are the following Maritimers of The Maritime Hospital Service Association: Mr. D. O. Downing, Associate Director, L. Doyle, Associate Director, Mrs. Anne Nolan, Mrs. M. MacDonald, H. J. Delaney, H. E. Gilbert, W. J. Davies, Dr. and Mrs. Harry Roberts, St. John's, Newfoundland, Guy N. Sullivan, P. E. I. Supervisor, J. M. Flood, Saint John, N. B., Professor R. P. Donkin, R. J. Mulcahey, Enrollment Supervisor, Maritime Blue Cross, Moncton, N. B., and J. Roper, Enrollment Supervisor.

From the Manitoba Hospital Services Association are Dr. O. C. Trainor, President of the Governing Board and W. G. Bate, Enrollment Director.

Quebec Hospital Services Association: E. D. Millican, Executive Director, L. LeBlanc, H. W. Brown, R. S. Hartrandt and Miss Annie Mackay.

Ontario Plan, for Hospital Care: D. W. Ogilvie, Executive Director, R. A. Robertson, S. W. Martin, R. D. Beaman and Miss Mary Shoobert.

Alberta Hospital Services Association: J. A. Monaghan, Executive Director, and Dr. Easton.

Fire Losses Continue To Take Heavy Toll In P. E. I.

Figures released through the office of the Provincial Fire Marshal, Mr. T. A. Campbell, reveal that for the first six months of this year the city suffered relatively little damage from fire.

However, during the present second six-month period a bad conflagration brought serious loss here and as a result the overall picture at the end of the year will have statistics showing a much greater loss than in 1950.

For the first six months of this year the loss in Charlottetown in property was \$13,744 while insurance loss amounted to \$9,299. Outside Charlottetown the loss was much heavier with the total property loss being \$236,886 and an insurance loss of \$99,325.

The lack of serious fire here in the first half of the year is attributed to the highly efficient Fire Department operating in the city, and the people themselves becoming more fire conscious.

There have been two fatalities in fires this year, both outside the city. They were the deaths of Mrs. Gordon Robbins, Morell, aged her 18-month old son, Hal-dane.

Co-operation Sought — The co-operation of all citizens throughout the Province in a campaign to eliminate fire hazards, not only during Fire Prevention Week but every week of the year as well, is sought by the Provincial Fire Marshal.

However during the week of October 7th to 13th, he states, special emphasis will be placed on Fire Prevention. Mr. Campbell has many suggestions for those anxious to co-operate in this important programme. He has placed particular emphasis on cleaning and repairing of flues before the winter sets in, as a high percentage of fires, especially in the rural districts, start from sparks on the roof from defective flues and chimneys.

The Government of Prince Edward Island, Department of Industry and Natural Resources, requests every responsible citizen to consider these facts and to fully co-operate in an active manner with all municipal authorities.

A check-up on the home and place of business for the following fire hazards in the work of fire prevention is urged. 1. Is there rubbish, old papers in basement, attic, closet, garage, yard and adjoining vacant lot?

2. Are adults present when the rubbish is burned?

3. Is the rubbish disposed of regularly?

4. Are oil mops and rags kept in metal containers?

5. Is the ashes disposed of regularly?

6. Do walls, floors, and ceilings have standard protection against stoves, furnaces, pipes, etc.?

7. Are stoves, pipes, chimneys, stoves, furnaces, inspected and cleaned each Fall?

8. Has your family or employees been forbidden to use gasoline, benzine or other cleaning fluids?

9. Do you have the oil burner cleaned and inspected each Fall?

10. Do you have all fireplaces screened?

11. Are electrical appliances, cords and fittings in good order with standard plug receptacles and no dangerous extension cords, with standard 15 ampere fuses used?

12. Are Matches kept in a metal box away from heat and out of the reach of children?

13. Are there plenty of ash trays? Do any of your family smoke in bed? Have all matches, cigars, or cigarettes been extinguished before disposing?

14. Do you know the location of a fire extinguisher? Do you know the location of the nearest fire alarm box? Do you know the phone number of the Fire Department?

One third of all fires are in buildings and nearly five out of ten building fires are in dwelling fires to carelessness. While carelessness is a factor in permitting fires from any of the many existing hazards, to say that fires are due to carelessness is too casual an answer to the problem. It leaves the impression that nothing can be done, when as a matter of fact, nearly all fires in the home, as elsewhere, can be prevented.

Mr. T. Arthur Campbell Provincial Fire Marshal

HOLMAN STORE NEWS

A man told me that when he was a boy on the farm he didn't know there was a movie called October. It was always called "Potato Pickin'". Well the month of Potato Pickin' is here again and I want to tell you that the Little Shop in Charlottetown and the Sportswear Department in the Summerside Store have all kinds of medium weight Blue Denim JEANS for the gals who pick the mighty "Spud" . . . in sizes 12 to 20 — priced just 3.49 a pair, these Potato Pickin' Jeans are double stitched, bar tacked and riveted for all the wear in the world. They're Sanforized and are in the slightly pegged style with 4 good sized pockets. It's the month of Potato Pickin' now, so come choose your Jeans from the Little Shop in Charlottetown or the Ladies' Wear in Summerside.

MAKE Holman's Produce Department your Headquarters for CAFETERIA FEEDS — There are special feeds for every kind of livestock and poultry all at the lowest market prices with very Special Prices on Top Lot Oats.
