To-Day and To-morrow.

Some burdened hearts must ever sigh,
While some are filled with gladness;
Some dwell beneath a sunny sky
And some 'neath clouds of sadness.
Thus runs this strange old world away
In pleasure and in sorrow;
The most of us are here to-day
And not far off to-morrow.

Dame Fortune to a favored few
Is richest favors giving,
But there are countless thousands who
Must hustle for a living
And some, it seems, must ever pay,
While some for ever borrow
And most of us are here to-pay
And not far off to-morrow.

Marriage increases the population of the country.

Pneumonia and consumption follow colds, Johnson's Anodyne Liniment will prevent both

Spring may be postponed on account of the weather, but that new spring bonnet, never.

Relief and speedy cure are given for serious ailments by using Johnson's Anodyne Liniment.

A Connecticut minister is so opposed to kissing game that he will not take a 'bus even in the stormiest weather.

"Cured my husband of bronchitis at once," wrote a lady about Johnson's Anodyne Liniment.

A sign in Cleveland reads "Ise Kream Sallune," which is positively the worst cold spell of the season.

As a spring blood remedy there is nothing equals Dr. Williams' Pink Pills. They supply in a condensed form the elements necessary to enrich the blood, stimulate the nerves and build anew the system enervated by being "housed up" during the winter months. Sold by all dealers, or sent on receipt of price—50 cents a box or six boxes for $2 50—by addressing the Dr. Williams Med. Co., Brockville, Ont., or Morristown, N. Y.

Almost any man can reconcile his wife to being left at home when he goes to conventions and excursions, by carrying her photograph with him.

It was Mr Emerson who said "the first wealth is health," and it was a wiser than the modern philosopher who said that "the blood is the life." The blood gets poor and scores of diseases result. It needs a tonic to enrich it

A certain wise doctor, after years of patint study, discovered a medicine which purified the blood, gave tone to the system, and made men—tired, nervous, brain-working men—feel like new. He called it his "Golden Medical Discovery" It has been sold for years, sold by the million of bottles, and people found such satisfaction in it that Dr. Pierce, who discovered it, now feels warranted in selling it under a *positive guarantee* of its doing good in all cases.

Perhaps it's the medicine for you. Your's wouldn't be the first case of scrofula or salt-rheum, skin disease, or lung disease, it has cured when nothing else would. The trial's worth making and costs nothing. Money refunded if it don't do you good.

The Family Medicine.

Trout Lake, Ont. Jan 2, 1890.

W. H. Comstock, Brockville.

Dear Sir:—For a number of years I have used and sold your "Dr. Morse's Indian Root Pills." I consider them the very best for "Family Use," and all my customers speak highly of them.

Yours truly, R. Lawson.

Women ornament their dresses behind because they like to have nice things said about them when their backs are turned.

SKODA'S GERMAN SOAP, "Soft as Velvet." "Pure as Gold," that tells the whole story. Most highly medicated soap ever made. Try one cake. **It is elegant. At all Druggists.** Price, 25 cts.

It is the feeblest mustache, as well as the sickliest child, that gets the most fondling.

Spring, with its rapid changes and wet weather, is the most trying season in our Canadian climate, and at this more than any other time do the ravages of catarrh make themselves felt. As an immediate relief for cold in the head, and a thorough cure for catarrh, nothing yet discovered equals Nasal Balm. It is easy to use, pleasant and agreeable. Sold by all dealers or sent post-paid on receipt of price—50 cents for small bottle or $1 for large bottle. G. T. Fulford & Co, Brockville.

Railways are aristocratic. They teach a man to know his own station and to stop there. They are eminently social, too, being held together by many ties.

Women are not slow to comprehend. They're quick. They're alive, and yet it was a man who discovered the *one* remedy for their *peculiar* ailments. The man was Dr. Pierce. The discovery was his "Favorite Prescription"—the boon to delicate women. Why go round "with one foot in the grave," suffering in silence—misunderstood when there's a remedy at hand that isn't an experiment, but which is sold under the *guarantee* that if you are disappointed in any way in it, you can get your money back by applying to its makers. We can hardly imagine a woman's not trying it. Possibly it may be true of one or two—but we doubt it. Women are ripe for it. They must have it. Think of a prescription and nine out of ten waiting for it. Carry the news to them.

The seat of sick headache is not in the brain. Regulate the stomach and you cure it. Dr. Pierce's Pellets are the Little Regulators.

Bathe frequently with Johnson's Anodyne Liniment, then rub hard night and morning for pleurisy.

Instant relief for croup, by using Johnson's Anodyne Liniment internal as well as external

The Bee, in plundering the flower of its sweets leaves the plant uninjured.

Mothers, if your boys come in lame from their games, bathe in Johnson's Anodyne Liniment.

"What is a lake?" asked the teacher. A bright little Irish boy raised his hand. Well, Mickey, what is it?" "Shure it is a hole in the tea kittle, mum."

SKODA'S LITTLE TABLETS, Mild, Safe, Efficient. Far superior to any pill. For Headache and Liver Complaint nothing can equal these Tablets. With the DISCOVERY they cure Rheumatism. 50 in a box only 35 cts.

MEDICAL HINTS.

Cure for Dyspepsia.

As is well know, this troublesome complaint arises from over-eating, the use of too much rich food, neglected constipation, lack of excise, bad air, etc. The food should be thoroughly chewed and never bolted or swallowed in haste, stimulants must be avoided and exercise taken if possible. A remedy which has rarely failed to give prompt relief and effect permanent cures, even in the most obstinate cases, is Burdock Blood Bitters. It acts by regulating and toning the digestive organs, removing costiveness and increasing the appetite and restoring health and vigor to the system. As a case in point we quote from a letter written by Miss L. A. Kuhn, of Hamilton, Ont.—"Two years ago life seemed a burden. I could not eat the simplest food without being in dreadful misery in my stomach, under my shoulders and across the back of my neck. Medical advice failed to procure relief, and seeing B. B. B advertised, I took two bottles of it, and have been entirely free from any symptoms of my complaint since."

This gives very conclusive proof of the efficiency of this wonderful remedy.

K. D. C. the Dyspeptic's Hope

Two Sinners.

There was a man, it was said one time,
Who went astray in his youthful prime.
Can the brain keep cool and the heart keep quiet
When the blood is a river that's running riot?
And boys will be boys, the old folks say,
And a man is better who's had his day.

The sinner reformed, and the preacher told
Of the prodigal son who came back to the fold,
And Christian people threw open the door,
With a warmer welcome than ever before.
Wealth and honor were his to command,
And a spotless woman gave him her hand.

And the world strewed the pathway with blossoms abloom
Crying, "God bless ladye and God bless groom!"
There was a maiden who went astray,
In the golden dawn of her life's young day.
She had more passion and heat than head
And she followed blindly where fond Love led,
And Love unchecked is a dangerous gide
To wander at will by a fair girl's side.

The woman repented and turned from sin,
But no door is open to let her in.
The preacher prayed that she might be forgiven,
But told her to look for mercy in Heaven
For this is the law of the earth we know;
That the woman is stoned while the man may go.

A brave man wedded her after all,
But the world said, frowning: We shall not call."

—Ella Wheeler Wilcox.

Cold Weather Trials.

Dear Sirs,—This fall and winter I suffered from neuralgia in my face and had the best medical advice without avail. I at last thought of trying B. B. B., and after using one bottle have not felt any symptoms of neuralgia since. I regard it as a fine family medicine. J. T. Drost, Heaslip, Man.

A man who is locked up for drunkenness is certainly in a tight place.

At Home and Abroad.

Physicians, travellers, pioneers, settlers, and all classes of people, of every degree, testify to the medicinal and tonic virtues of Burdock Blood Bitters, the most popular and effective medicine extant. It cures all diseases of the stomach, liver, bowels and blood.

A complaining Chicagoan, in his suit for divorce, declares that his wife has made every thing hot for him except his tea and coffee.

The Spring.

Of all seasons in the year, is the one for making radical changes in regard to health. During the winter, the system becomes to a certain extent, clogged with waste, and the blood loaded with impurities, owing to lack of exercise, close confinement in poorly ventilated shops and homes, and other causes. This is the cause of the dull, sluggish, tired feeling so general at this season, and which must be overcome, or the health may he entirely broken down. Hood's Sarsaparilla has attained the greatest popularity all over the country as the favorite Spring Medicine. It expels the accumulation of impurities through the bowels, kidneys, liver, lungs and skin, gives to the blood the purity and quality necessary to good health, and overcomes that tired feeling.

THE BEST FAMILY PILL IN USE

FOR SALE BY ALL DEALERS

Keep the Works in good order.

Norman, Ont., January 15, 1890.

W. H. Comstock, Brockville, Ont.

Dear Sir,—Your "Dr. Morse's Indian Root Pills" are the best regulator for the system that humanity can use. Life is as the time-piece; frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; as the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire works. So it is in human life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little trouble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve vigor and vitality.

Yours faithfully,
H. F. Atwell.
