ELLEN'S DIARY

A Farm's A Farm When Some Horses Are Around

"Out our way there's not much promise yet on the haylands" a farmer from a distance commented to James today. He had looked hither and, you in search of a wanted type of horse and included (fruitlessly) Alderlea in his quest.

"Oh yes, we keep a few" James said. "They're handy at times, though" he smiled "not at all over-worked. But then I never consider a farm's a farm without some horses around. Make anything?"

He shook his head. "I was saying to the young lad this morning, we could raise a few nice head of cattle on what it takes to keep ours. But he likes them, we both do. We've, as a rule, plenty of pasture. . . and that's how it is."

"There's not much sign yet of hay on ours" James said. "Why I've seen springs that once the snow lifted the clover would be there fresh and green. But not this year—whatever will come of it. Of course it's only early yet—we can't tell what's ahead. Could be, lean mows."

"Could be" the visitor agreed.

A song sparrow sang his tune for us from a spray of rosebush, jewelled now with the ruby of pulsing leaf-buds. Tidings reach us of other seasonal promise: of potato plantings; and the younger farmer has heard frogs' pipings in other localities, but in matter our listenings and yearnings for this May-pretude to the cropping, there has been none yet from the millstream.

Nor do we have a daffodil bud.

KELLYS CROSS C.W.L.

The annual meeting of St. Joseph's Parish Council was held on Sunday, May 3rd., with a fair attendance.

The meeting was opened by Rev. Director with the League Prayer. The president, Mrs. John Malynaux presided.

The minutes of the previous meeting as well as the last annual meeting were read and approved. Correspondence was read and discussed and this was followed by the Treasurer's report which showed that a substantial sum had been realized from the various parish entertainments. There was no new business.

It was decided that a general cleaning of the Church will take place in the near future. This was left in charge of the Rev. Director.

The president gave a fine report of the year's work and thanked the members for their support and co-operation.

The election of officers then took place and they are as follows: President, Mrs. Emmett McQuaid; 1st vice-president, Mrs. Mark Curley; 2nd. vice-president, Mrs. Leo Berrigan; 3rd. vice-Secretary, Mrs. Clarence Curley; Treasurer, Mrs. Maurice Bradley Convener, Mrs. Emmett Gorman. Mrs. Maurice McDonald and Mrs. Joseph Kelly, Church committee Mrs. Joseph Kelly.

Father Smith then addressed the members and spoke briefly on the work of the Catholic Women's League, and of how important it is for each woman in the parish to take an active interest in this work.

After the adjournment of the meeting the members assembled in the main church to recite the act of consecration.

LONG TRADITION

Trois - Rivieres, manufacturing city in Quebec, was a busy trading post as long ago as 1615.

because of morning letters: to the West where the seedtime is already; to England with its blossoming loveliness; to one of kin off to sunny Italy. . . enjoying our travels much.

"Ellen!" James called presently. "How fast the afternoon hours had flown. "What no supper ready? And we home to it from the fencing!"

The pup barked excitedly at a high drift of sparrows, a ewe bleated, a cow lowed. Back suddenly "from wandering on a foreign strand" we had to come and happily, back to the familiar sights and sounds of home.

Until tomorrow — — —Diary. Good-night.
