Railroad Company of America."

richest man of color in America,
ably Mr. Aristide Marie, of New
ans. He was a large slave owner
ore the war, and his income from
rents of his property in New Or-
leans, is not less than \$50,000 a year.
Besides this he has a large personal es-
tate, consisting of first-class securities.
Mr. Marie is a man of fine accomplish-
ments, a graduate of one of the best
institutions of France, and lives abroad
about half of each year.

With the occasional exception of a
Grace Darling, women do not take
kindly to the sea. In song they are
supposed to sit on Wrapping Old Stairs
and sigh for absent re-emen, or to trim
the lighthouse lamp which beckons
home the fisherman, or to look out
sadly through the white mist while the
harbor bar is moaning, or to do any-
thing rather than ply the oar or reef
a sail. But the fashion has changed,
and a number of French ladies are this
season indulging in yachting, and with
their own fair hands are hauling the
sheet, and holding the helm. Yachting
is a delightful and most healthy exer-
cise, and we are glad to see that ladies
in the future, will be permitted to
dance o'er the glad blue sea as captains
of their own craft.

A Paper Steam Launch.—A paper
steam launch is being built at Lansing-
burg, N. Y. It has been ordered by
the Westinghouse Machine Company,
of Pittsburgh, Pa. It is a steam launch,
length of keel, 20 feet; breadth of beam,
5 feet; depth of hold, 3 feet; length
over all, 24 feet; draught of screw, 24
inches; length of shaft, 8 feet; weight
without machinery, 1,060 pounds;
seating capacity, 25 persons; carrying
capacity, 3 tons. The craft is built in
two sections and jointed on the keel.
The sheathing is a solid body of paper,
three-eighths of an inch thick, a quar-
ter of an inch thicker than on racing
boats. A bullet from a revolver fired
at the sheathing, at a distance of four
feet, neither penetrated nor made an
abrasion. Experiments have shown it
is impossible to soak or soften the hull
or increase the weight by the contact
of water. A paper vessel of a thickness
corresponding with the hull of the
launch, prepared without paint or out-
side protection, was placed in the water
last October and remained eight
months. It shows no sign of moisture
inside nor evidence of disintegration.
The motive power of the craft will be a
Whitehouse engine of six horse power,
2,000 revolutions a minute. The en-
gine and machinery will be placed in
the boat at an early day, when a trial
trip will be made.

The Great French Remedy, Dr
LeDuc's Periodical Pills.

For the cure of Leucorrhoea or White's Excessive or
painful Menstruation, Green Sickness, Falling of the
Womb, Catarrh of the Uterus or Vagina, Hysteria,
pains in the Back, or Piles, or for the purpose of in-
vigorating and giving tone to the Generative Organs,
two pills should be taken twice daily, or in very in-
fected conditions, one pill three times a day. To effect
cure in chronic cases it will be necessary to continue
the use of the remedy for some months. A reasonable
trial will create sufficient confidence in the remedy to
insure its being taken until a permanent cure is ef-
fectual.

REPORT ON THE LORNE HIGHLAND WHISKY:
" We have visited the bottling stores of
Greenlee Brothers, and have selected
from the vats, samples of their Lorne
Highland Whisky, and have subjected
them to careful examination and analysis.
The samples were very fragrant, mellow,
and of pleasant flavor, and possessed all
the characteristics of pure and well-
matured Scotch Whisky of the first
quality."

AYER'S PILLS.
A large proportion of the diseases which
cause human suffering result from derange-
ment of the stomach, bowels, and liver.
AYER'S CATHARTIC PILLS act directly upon
these organs, and are especially designed to
cure the diseases caused by their derange-
ment, including Constipation, Indigestion,
Dyspepsia, Headache, Biliary, Dysentery,
and a host of other ailments, for all of
which they are a safe, sure, prompt, and
pleasant remedy. The extensive use of these
PILLS by eminent physicians in regular prac-
tice, shows unmistakably the estimation in
which they are held by the medical profes-
sion.

AYER'S PILLS are compounded of vegetable
substances only, and are absolutely free from
calomel or any other injurious ingredient.

A Sufferer from Headache writes:
"AYER'S PILLS are invaluable to me, and
are my constant companion. I have been
a severe sufferer from Headache, and your
PILLS are the only thing that could look to
for relief. One dose will quickly move my
bowels and free my head from pain. They
are the most effective and the easiest physic
I have ever found. It is a pleasure to me to
speak in their praise, and I always do so
when occasion offers."

W. L. PAGE, of W. L. Page & Bro.,
Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in number-
less instances as recommended by you, and
have never known them to fail to accomplish
the desired result. We constantly keep them
on hand at our home, and prize them as a
pleasant, safe, and reliable family medicine.
FOR DYSPEPSIA they are invaluable."

Mexia, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing
from Atlanta, Ga., says: "For some years
past I have been subject to constipation,
from which, in spite of the use of medi-
cines of various kinds, I suffered increasing
inconvenience, until some months ago I
began taking AYER'S PILLS. They have
entirely corrected the entire habit, and
have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregu-
larities of the bowels, stimulate the appe-
tite and digestion, and by their prompt and
thorough action give tone and vigor to the
whole physical economy.

Dr. Bennet, Halifax.
DEAR DOCTOR.—Just a few lines as promised
by me. I am more than pleased with the
"Liver Pad" I got from you when in Char-
lottetown, and am conscientiously saying that
it is the best thing I ever saw or heard of.
It has done for me what all kinds of medicine
and different physicians could not do for me—
it removed a very nasty body eruption,
which had given me a great deal of annoy-
ance for more than two years; and, more than
that, I have not been troubled with a single
headache since I have used it. Before wear-
ing the Pad I was troubled with severe head-
aches continually, and that very objectionable
feeling of shivering and chilliness has
entirely left me—in fact I am a new man, to
what I was before wearing it. I am truly
thankful to you for what you have done for
me, and I hope that you may be long spared
to the benefit of the public.

Believe me,
Yours sincerely,
FRANK ELLIOTT.
