MORE STARTLING DISCLOSURES.

So many startling disclosures have been made in the Holmes case that the police were hardly prepared for the evidence produced last Sunday night, says a despatch from Chicago. It leaves little doubt, if true, that four persons were killed in the Holmes house. The skeleton of one of them, presumably Mrs. Conner, is said to be in possession of the police. Two others, it was claimed, would be turned over to them on Monday, and the fourth is said to have been sent to Philadelphia. A man named Charles Chapman was before the inspector on Sunday night, and told a most startling story. He said he had been Holmes' machinist, and at his request had mounted three of the skeletons. Each of them was got from a tight closet in the Holmes house, and before this a man went on the stand and told the police that he had carried a box from the dark room in the Holmes house to a depot to be sent to Philadelphia. This is believed to account for the fourth body. Upon information obtained from Chapman, Inspector Fitzpatrick got possession of the trunk in which Holmes is alleged to have put the Williams' girl, which, he said he had carried to the depot. The body was sent to a house on Westworth avenue for Chapman to work on. Chapman was taken to the Holmes house in Englewood on Saturday. He pointed out two spots, one in the northeast corner of the cellar and the other under the subwalk where he claims the police will find beneath the surface two brick graves and he is of the opinion that a body may be found there.

THE WORLD OF SPORT.

The Tr. For the races at Summerside on Wednesday next there are five entries in the 229 class, seven in the 238 class and eight in the 258 class. The pacer Clayton, owned by D. S. Mann, of Pettoodiac, is expected to go against the maritime record, paced by a running horse. The maritime record is 2:21, made by Pilot, Jr., at Amherst last year. There will be races on the Moncton Driving Park on August 3rd. The programme will include a 245 class and a 3-minute class. P. S. Brown, of Charlotteville, has entered Parrell in the 245 class. The race which was to have taken place on Moosepath, St. John, on Saturday next between Deceiver, Thorndale Echo, and Nellie Bly, has been declared off, owing to the fact that at the races under the auspices of the Agricultural Society, on the 7th of August, these horses will probably be started. The Rifle. Militia officials are surveying ground near the Experimental Farm, Ottawa, which may be used in place of the present Rideau ranges. The annual prize meeting of the Provincial Rifle Association will be held at Kensington range on August 7th, beginning at 8 o'clock. The meeting of the Dominion Rifle Association at Ottawa commences on the 26th of August. It is expected that every province in the Dominion will be represented. The members of No. 3 Co. 82nd Batt. will meet at the rifle range on Thursday afternoon at one o'clock, in uniform, for their Company shooting. A full attendance desired. The King. The managers of the Florida Athletic Club declare that the Corbett-Fitzsimmons fight will positively take place as announced, October 31, notwithstanding Brotherton's proclamation. Their lawyers hold that after September 1 next there will be no law on the statute books of the State interfering with glove contests. The Wheel. Dress Goods

—AT— The People's Store. 225,000,000 YARDS ! WHAT ? Two hundred and fifty-five million yards would dress all the ladies in Canada. Have we got that many yards ? A wag at our elbow says we have. He puts it this way : Naught stands for nothing. The six naughts above may then be left out as nothing ; this leaves 255. We have that many and more. The big wonder is that all our Dress Goods are going cheap, cheap, cheap. 32c. will buy fine All-wool Dress Goods, formerly sold at 48 to 75 cents. 50c. will buy an elegant Black French Cashmere, All-wool, full width, fine as silk. We need say no more. Come in and see them.

GENERAL TELEGRAPHIC NEWS.

LONDON, July 29.—Mr. Thompson, unionist candidate in the middle division of Tyron, has started a petition for unseating Mr. Murnaghan, the successful national candidate, on the ground that he is an alien, inasmuch as he is a naturalized citizen of the United States. Murnaghan's majority over Thompson was 1,507 in a total poll of 6,011. NEW YORK, July 29.—The strike of Brotherhood Tailors is in full swing tonight. Over 16,000 hands are out, and include operators, button hole makers, tailors, finishers, pressers, bushellers, basters, fillers and thread pullers. Of the 3,000 who are on strike, 2,000 were to-day employed in this city. The balance were employed in Brooklyn and other surrounding cities. PARIS, Tex., July 29.—Henry Bradshaw, a farmer, in bad health for some time, entered his house with a shot gun last evening and shot his wife in the back, then shot his four year old daughter in the head and literally blew it off. Bradshaw reloaded the gun and lying on the floor, entered his own mouth and pulled the trigger, almost decapitating himself. Bradshaw was sober and industrious, of good family, and no motive for the deed is given except he had grown weary of life and did not want to leave his family. OTTAWA, July 27.—The acceptance of Major Herbert's resignation has at last been officially announced. It is more than likely he will be succeeded by Colonel Longworth, commander of the Scotch Grenadier Guards. ROME, July 27.—In the Chamber of Deputies this morning Baron Blanc, minister of foreign affairs, made a statement in which he said that all of the powers had already recognized the protectorate over Abyssinia which had been established by Italy, and had admitted that none of them was entitled to intervene between King Menelik and the Italian government. Menelik, he declared, had nationalized the territory of the protectorate by the use of force, and had violated flagrantly the terms of the protocol prohibiting slave trading in Abyssinia. Blanc said he had the utmost confidence in the prosperous future of the Italian colony in Abyssinia and, if it should be necessary, Italy would defend it to the last. Baron Blanc's statement was approved by the Chamber. Baron Blanc said there was a complete entente between England and Italy throughout the Nile river and East Africa. Even France and Russia had not protested against Italy's position in Abyssinia. LONDON, July 29.—Robert and Nathaniel Coombes, aged respectively thirteen and eleven years, who murdered their mother three weeks ago by stabbing her while she was asleep, and lived ten days in the house with her decomposing body, were arraigned in the police court this morning. The police authorities announced that they would not charge the younger brother with participation in the crime, but they would call him to witness. Nathaniel was then placed in the witness box and told of his brother's having bought the dagger with which the killing was done. He did not see his mother killed, but heard her groan and went into the room and looked at her while she was dying. His brother admitted to him that it was he who killed her. The magistrate committed the elder brother, Robert, and the half-witted man, Fox who was arrested with the boys for trial on the charge of murder and held Nathaniel as a witness. WEDDING BELLS.

On Tuesday, July 16, at an early hour, occurred the marriage of Mr. Norman J. McDonald, of Grand Tracadie, to Miss Minnie McDonald, of Vernon River. The ceremony was performed at St. Joachim's Church, Vernon River, the officiating clergyman being Rev. Father Arsenault. Miss Minnie McDonald, cousin of the bride acted as bridesmaid, while Mr. McDonald was attended by Mr. David McDonald, of St. Andrew's, as best man. The bride was charmingly dressed in most excellent taste, and after the ceremony Mr. and Mrs. McDonald received their friends at the bride's home, where a delightful wedding supper was served. Many handsome and valuable presents were received. The happy couple started for their future home on Wednesday. Priestley's black dress goods do not best prices. They have made their way. They are the standard all over the world. But Priestley's "Eudora" is new, and needs a word. It is not a Henrietta, though it has most of the qualities of the famous Henrietta of this firm. It does not fray, does not get rusty, wears long, repels the dust, and has a greater width and weight than the Henrietta. Wrapped up in "The Varinshel Board," as all Priestley's goods are, and the name, Priestley, stamped on every five yards.

—Mail and Empire: The Patrons of Oxford have condemned the "extra session" of Parliament as a waste of money. There is, however, to be no extra session; but the ordinary annual session for which the constitution calls. One cotemporary, the Globe, has conveyed the impression that the January session is to be an extra session, and that therefore there will be two sessions and double expense next year. The mistake has been pointed out, but the Globe has not yet ret. Do political exigencies render necessary the practice of such deception ?

FOREIGN DEAD.—James Simpson, a native of this Province, was found dead in bed last week, at 212 West Camden street, Baltimore. An examination showed that he had been in the United States Navy for some time. He was only in Baltimore a few days, having come there from Norfolk. He had a receipt for \$350 in his possession, which seems to have given a man named James P. Carr for safe keeping.

MORE STEAMSHIPS.—There are rumors about the water front of an opposition line of steamships to Halifax and Charlotteville, with all the old agents at the several points in harness again. The increased passenger and freight rates which have gone into effect since the monopoly was established in proving the reverse of popular, as a matter of course, and efforts are being made to get some well known steamship owners, whose vessels are not busy during the summer months, into the United States Navy for some time. The movement may not prove fruitful before next summer, but it will cost some severtheless.—Provincialist.

SCOTCH GATHERING.—The weather today is wet and unfavorable for the Scotch Gathering. However, there was a goodly turnout of the Club this morning, and the pipe and band music was greatly appreciated. Owing to the rain, the games are postponed until tomorrow, 1st August, at 12 o'clock. The special train will go west to-night and will return tomorrow morning. The regular train for the west must go home by the "regular" tomorrow evening. A special train will go east tomorrow evening after the games, instead of this evening. Members will please meet at the club room at 11 o'clock tomorrow.
