

N. H. Richards Dies At Home

SOURIS—Souris lost one of its best known citizens Friday when Norman H. Richards died suddenly in his home shortly before the hour when he normally went to work.

He had been in his usual good health and had been working in his barbershop on Thursday evening.

A native of the Magdalene Islands, Mr. Richards' father came from Wales.

Mr. Richards served for 21 years on the Souris council, and was a veteran of the First Great War. He took a barber's course back about 1921 after working in Matthew and MacLean's store for several years following the Armistice.

He later set up the grocery store and business under N. H. Richards and Son which prospered under his management.

He was married to Laura Dixon of Fortune, they had one son, Claude who operates the Souris theatre.

Mr. Richards was a valued member of the Masonic Order. The funeral will be held on Tuesday afternoon from the Dinwiddie Funeral Home, service starting at 2 o'clock.
