

ANOTHER VICTORY.

Mr. R. Morrow Cured of Lumbago by
Dodd's

TORONTO, NOV 28.—The vast majority of Torontonians know and esteem Mr. R. Morrow, the able and popular agent for the Toronto Auer Light Co.

For this reason the following statement made in writing by Mr. Morrow, possesses unusual significance.

"Two years ago I was attacked by Lumbago and urinary trouble which caused me intense suffering, I took several different remedies without any benefit. Then I began using Dodd's Kidney Pills, and was completely cured by them."

Lumbago is unusually prevalent this fall. All sufferers should know that Dodd's Kidney Pills are the only known cure for it. They never fail.

Henry William McNab, a poverty stricken ballad maker, who has just died in a London Hospital, was a grandson of Canada's ablest premier, Sir Allan Napier McNab, and a first cousin of the Earl of Albemarle, who figured in the Hooley disclosures.

Asthma Gasps

The wheezing and strangling of those who are victims of Asthma are promptly relieved by a few doses of Dr. Chase's Syrup of Linseed and Turpentine.

"I get nothing but roasts," he said bitterly. I wish I could make some one say something nice about me some time.

"You can."
"How?"
"Die."

Piles Cured without the Knife, by Dr. A. W. Chase's Ointment.

Mr Geo Browne, painter, of Woodville, Ont., Victoria Co., says:—"For thirteen years I was a sufferer from bleeding piles and the intense agony which I passed through during those years and relief I obtained by Dr Chase's Ointment prompts me to give this testimonial. My physician wished me to have an operation, but I felt I could be cured without the knife. Three boxes of Dr. Chase's Ointment stopped the bleeding and effected a permanent cure."
