The University of Prince Edward Island will celebrate Canada Career Week by hosting a Recruitment Day on Wednesday, November 3 from 10-3 pm.

The UPEI Recruitment Day will give all UPEI students the opportunity to discuss employment opportunities and career options with representatives from the banking industry; government; insurance etc.," says Julie Malone, UPEI Graduate Placement Officer. "Since Canada Career Week is a week dedicated to helping young people plan for their future and make wise career decisions, the Recruitment Day offers a forum for these issues."

The format of the day is as follows:

- On Wednesday, November 3 from 10-3 pm, employers will set up exhibits in the lounge of the Kelley building. Students will have the opportunity to meet potential employers.
- Periodically throughout the day, formal presentations will be made by employers in a nearby classroom. Students can ask questions about employment opportunities and careers.
